# **EXPLANATORY STATEMENT**

# **Receipt and Consideration of Accounts & Reports**

A copy of the Annual Report for the financial year ending 30 June 2022 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report) and the auditors) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution costs associated with doing so for all shareholders.

You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 8630 3321, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the annual report at the Company's website: https://roninresources.com.au/investor/ or via the Company's announcement platform on ASX. Except for as set out in Resolution 1, no Resolution is required on these reports.

# Resolution 1: Adoption of Remuneration Report

# Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2022 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must stand for re-election.

The Company converted to a public Company on 23 April 2021 and this its first Annual General Meeting since listing on ASX, therefore a spill resolutions will not under any circumstance be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

## **Board Recommendation**

Noting that each Director has a personal interest in their own remuneration from the Company (as described in the Remuneration Report), and that each Director (or any closely related party of a Director) is excluded from voting their shares on Resolution 1 (as described in the "Voting Exclusion Statements" section above), the Directors unanimously recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

# Resolution 2: Re-election of Mr Joseph van den Elsen

# Background

The Constitution of the Company requires that there be an election of Directors at each Annual General Meeting. Further, the Listing Rules require that a director must not hold office past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Mr Joesph van den Elsen retires from office in accordance with the Constitution and, being eligible, offers themselves for re-election. The relevant professional experience and skills of each is provided below.

# Mr Joseph van den Elsen

Mr Joseph van den Elsen is a dual Australian/Colombian citizen who founded Ronin Resources in 2017 and is currently the Managing Director of Ookami Ltd. Prior to founding Ronin Resources, he held executive positions with ASX Listed MHM Metals and Hampshire Mining. Previously Joseph was an Associate Director with UBS and held a similar position with Goldman Sachs JBWere. Joseph graduated from LaTrobe University with a Bachelor of Arts and a Bachelor of Laws and later graduated from the University of Melbourne with a Graduate Diploma in Environment, Energy and Resources Law and from Curtin University with a Graduate Diploma in Mineral Exploration Geoscience. Joseph is currently studying towards a Master of Science (Mineral Economics) through Curtin University.

# **Board Recommendation**

The Board (with Mr van den Elsen abstaining from voting), recommends that Shareholders vote in favour of the re-election of Mr van den Elsen under Resolution 2.

The Chairperson of the Meeting intends to vote undirected proxies in favour of Resolution 2.

# Resolution 3: Approval of 10% Placement Facility

# Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting ("10% Placement Facility") at which the approval for such additional capacity is approved by special resolution of Shareholders. The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The Company was admitted to the Official List of the ASX on 14 December 2021 and therefore has not previously obtained shareholder approval for the 10% placement facility.

If shareholders do not approve Resolution 3 then the Company will not be able to issue Equity Securities under the 10% Placement Facility for which approval is sought at the Meeting.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues to actively seek to enhance the value of its exploration projects. Should the Company utilise the 10% Placement Facility, it intends to use the funds for mineral exploration activities, or to meet additional working capital requirements.

# **Description of Listing Rule 7.1A**

# (a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

# (b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has one class of quoted securities on issue, being Fully Paid Ordinary Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

# (A x D)-E

- A is the number of fully paid ordinary shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):
  - (A) plus the number of fully paid ordinary shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
  - (B) plus the number of fully paid ordinary shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
    - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
    - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
  - (C) plus the number of fully paid ordinary shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
    - the agreement was entered into before the commencement of the relevant period; or
    - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
  - (D) plus the number of any other fully paid ordinary shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
  - (E) plus the number of partly paid ordinary shares that became fully paid in the relevant period;
  - (F) less the number of fully paid ordinary shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

- **D** is 10%
- E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in:
  - (i) if the Company has been admitted to the official list for 12 months or more, the 12 month period immediately preceding the date of the issue or agreement; or
  - (ii) if the Company has been admitted to the official list for less than 12 months, the period from admission to the official list to the date immediately preceding the date of the issue or agreement,

where the issue or agreement to issue has not been subsequently approved by the Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

#### (e) Nature and Consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed by the (i) Company and the recipient of the relevant Equity Securities; or
- if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, (ii) the date on which the Equity Securities are issued.

# 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained:
- (ii) the time and date of the Company's next annual general meeting after the Annual General meeting at which the approval is obtained:
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

# Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A (a) will be valid commences on the date of the Annual General Meeting at which the approval is obtained, being 22 November 2022, and expires on the first to occur of the following:
  - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 22 November 2022 if shareholders approve Resolution 3;
  - (ii) the time and date of the Company's next annual general meeting after the Annual General meeting at which the approval is obtained;
  - (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
  - the date on which the price at which the Equity Securities are to be issued is agreed by the (i) Company and the recipient of the relevant Equity Securities; or
  - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 (for cash consideration only) may be used by the Company include:
  - (i) consideration for the acquisition(s) of new assets and projects, including the expenses associated with such acquisition(s) (provided the Equity Securities are issued for cash); and
  - (ii) continued expenditure on the Company's current exploration activities and/or general working capital.
- If this resolution is approved by Shareholders and the Company issues Equity Securities under the 10% (d) Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
  - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the General Meeting; and

(ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 11 October 2022 ("**Current Share Price**") and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number
  of ordinary securities the Company has on issue. The number of ordinary securities on issue may
  increase as a result of issues of ordinary securities that do not require Shareholder approval (for example,
  a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under
  Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

		Issue Price		
Variable 'A' in Listing Rule 7.1A.2		\$0.075 50% decrease in Current Share Price	\$0.15 Current Share Price	\$0.30 100% increase in Current Share Price
Current Variable A 31,625,010 Shares	10% Voting Dilution		3,162,501 Shares	
	Funds raised	\$237,188	\$474,375	\$948,750
50% increase in current Variable A 47,437,515 Shares	10% Voting Dilution	4,743,752 Shares		
,	Funds raised	\$355,781	\$711,563	\$1,423,125
100% increase in current Variable A 63,250,020 Shares	10% Voting Dilution		6,325,002 Shares	
	Funds raised	\$474,375	\$948,750	\$1,897,501

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares
  or other convertible securities are converted to Shares before the date of the issue of the Equity
  Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason
  of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the
  General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
- The Current Share Price is \$0.15 (fifteen cents), being the closing price of the Shares on ASX on 11 October 2022.
- (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments (provided that the Equity Securities are issued for cash consideration).

# Equity Issues over the Last 12 Months - Listing Rule 7.3A.6

Due to the forward looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

The Company has not previously obtained shareholder approval under ASX Listing Rule 7.1A and accordingly the Company has not previously issued any Equity Securities under ASX Listing Rule 7.1A.

At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. Accordingly, no existing Shareholder's votes will therefore be excluded and there is no voting exclusion for Resolution 3 in this Notice.

## **Board Recommendation**

The Board believes that Resolution 3 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution. The Chairperson of the Meeting intends to vote undirected proxies in favour of this Resolution.

# **Resolution 4: Amendment to Constitution**

# **Background**

Section 136(2) of the Corporations Act provides that a company may modify its constitution if the company passes a special resolution. A special resolution must be passed by at least 75% of the votes cast by members entitled to vote on the resolution.

Resolution 5 is proposed as a special resolution and will be passed if at least 75% of the votes cast by Shareholders entitled to vote are in favour of Resolution 4.

If Resolution 5 is passed by the requisite majority, the Constitution will be amended to insert rules 12.10 and 12.11 as a provisions of the existing Constitution.

## Use of virtual meeting technology

Resolution 5 proposes to amend the Constitution to account for recent developments in law and general corporate practice for ASX-listed companies around the use of virtual meeting technology to host meetings of Shareholders.

The Corporations Amendment (Meetings and Documents) Act 2022 amends the Corporations Act to allow for meetings of members to be held physically, as a hybrid or, if expressly permitted by the entity's constitution, virtually (provided that members, as a whole, are given a reasonable opportunity to participate in the meeting).

The Company's current Constitution does not permit the holding of wholly virtual general meetings. The Company would like to amend its Constitution to ensure that the Company will be able to take advantage of the increased

flexibility and accessibility the virtual meetings provisions offer in respect of general meetings, especially in light of recent unforeseeable events that have highlighted the need for companies to be able to adapt quickly.

The Directors believe the proposed amendment is an important step in ensuring the Company's Shareholders can continue to exercise their rights to participate in and vote at meetings with minimal disruptions in the event of future movement and gathering restrictions caused by the COVID-19 pandemic or otherwise.

Virtual meetings are those which are held entirely online utilising audio or audio and visual communication technology. Meetings may also be convened where a component is held in a physical location and individuals who cannot or do not wish to attend in person can participate by virtual means, which are referred to as hybrid meetings.

# Amendments to constitution proposed by Resolution 5

It is proposed that the Constitution be amended by inserting a new rule 12.10:

# "12.10 Use of technology at general meetings

- (a) To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, a general meeting may be convened using virtual technology only, or at two or more venues, provided that the form of technology used provides all shareholders entitled to attend the meeting, as a whole, a reasonable opportunity to participate in the meeting without being physically present in the same place.
- (b) The provisions of this Constitution relating to general meetings apply, so far as they can and with any necessary changes to ensure compliance with the Corporations Act, Listing Rules and any other applicable law, to general meetings held using that technology.
- (d) Where a general meeting is held using virtual technology only or at two or more venues using any form of technology:
  - (i) a Shareholder participating in the meeting is taken to be present in person at the meeting;
  - (ii) any documents required or permitted to be tabled at the meeting will be taken to have been tabled at the meeting if the document is given, or made available, to the persons entitled to attend the meeting (whether physically or using technology) before or during the meeting; and
  - (iii) the meeting is taken to be held at the physical venue set out in the notice of meeting, or at the registered office of the Company if the meeting is held using virtual technology only.

# 12.11 Communication of meeting documents

To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, any document that is required or permitted to be given to a Shareholder that relates to a Shareholders' meeting (including, but not limited to, the notice of meeting) may be distributed:

- (a) by means of electronic communication; or
- (b) by giving the Shareholder (by means of an electronic communication or otherwise) sufficient information to allow the person to access the document electronically,

in accordance with the Corporations Act.

# **Board Recommendation**

The Board believes that Resolution 5 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution. The Chairperson of the Meeting intends to vote undirected proxies in favour of this Resolution.
