In exceptional circumstances, the Chair may change their voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

7. Voting Exclusion Statement:

Resolution 1

In accordance with sections 250R(4) and 250BD(1) of the Corporations Act, a vote must not be cast (in any capacity, including as a proxy), and the Company will disregard any votes purported to be cast, on this resolution by, or on behalf of, a member of the Key Management Personnel, details of whose remuneration are included in the remuneration report, or a Closely Related Party of such a member (**KMP voter**), unless the KMP voter is casting a vote on this resolution on behalf of a person who is not a KMP voter (including as a proxy) and either:

- (a) the KMP voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- (b) the KMP voter is the Chair of the meeting and the appointment of the Chair as proxy:
 - a. does not specify the way the proxy is to vote on the resolution; and
 - b. expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the Company or the consolidated entity.

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company

If the Chair of the Meeting is appointed as a proxy for a person who is permitted to vote on this Resolution, the Chair will vote any proxies which do not indicate on their Proxy Form the way the Chair must vote, in favour of this Resolution. In exceptional circumstances, the Chair may change his or her voting intention on the Resolution, in which case an ASX announcement will be made. Shareholders may also choose to direct the Chair to vote against the Resolution or to abstain from voting.

If you purport to cast a vote other than as permitted above, that vote will be disregarded by the Company (as indicated above), and you may be liable for breaching the voting restrictions that apply to you under the Corporations Act.

Resolution 2

There are no voting exclusions on this resolution.

Resolution 3

The Company will disregard any votes cast in favour on this resolution by or on behalf of a person who is eligible to participate in the EOP and any associate of that person or persons.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

A further restriction also applies to Key Management Personnel and their closely related parties voting undirected proxies on these resolutions – see **Restriction on KMPs voting undirected proxies** below.

Resolution 4

The Company will disregard any votes cast in favour on each of this Resolution by any person or persons who participated in the issue or any associates of that person or those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- a) a person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - ii. the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Resolution 5

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement on this Resolution is not currently required by Listing Rule 7.3A.7.

However, if, between the date of dispatch of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A.2, the Company will disregard votes cast in favour of this Resolution by or on behalf of:

- (a) any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder or ordinary securities in the Company); or
- (b) an associate of that person or those persons.

However, this does not apply to a vote cast in favour of the resolution by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - i. the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on this Resolution; and
 - ii. the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

8. Special Resolution

Resolution 5 is proposed as a special resolution. For a special resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders (by number of shares) must be in favour of the resolution.

9. Restriction on KMPs voting undirected proxies:

A vote must not be cast as proxy on any of Resolutions 1 or 3 by a member of the Key Management Personnel (as defined by the Corporations Act) or a closely related party of Key Management Personnel.

However, a person described above (a “**Restricted Voter**”) may cast a vote on any of Resolutions 1 or 3 as a proxy if:

- (a) The Restricted Voter is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution(s); and
- (b) The Chair is the Restricted Voter and the written appointment of the Chair as proxy does not specify the way the proxy is to vote on the resolution(s) and expressly authorises the Chair to exercise the proxy even though the resolution(s) is or are connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

If you appoint the Chair as your proxy and you do not direct the Chair how to vote, you will be expressly authorising the Chair to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company.

10. Enquiries

Shareholders are invited to contact the Company Secretary on (03) 9692 7222 if they have any queries in respect of the matters set out in these documents.

EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (**Statement**) accompanies and forms part of the Company's Notice of Annual General Meeting (**Notice**) for the 2022 Annual General Meeting (**Meeting**).

The Notice incorporates, and should be read together, with this Statement.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2022 which incorporates the Company's Financial Report, Directors' Report (including the Remuneration Report and the Auditors' Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website: <https://ptxtherapeutics.com/> or via the Company's announcement platform on ASX.

Except for as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on, the 2022 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company's 2022 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's June 2022 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for this Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of Annual General Meeting), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that shareholders vote in favour of this Resolution to adopt the Remuneration Report.

Voting Exclusions

Refer to Note 7 above for voting exclusions.

Resolution 2: Re-election of Mr Steven Engle as a Director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting, one third of Directors (excluding the Managing Director) shall retire from office and provides that such Directors are eligible for re-election at the Meeting. Mr Steven Engle, being eligible, offers himself for re-election.

Mr Engle was appointed as Non-Executive Chair of the Company on 28 November 2014.

Mr Engle is CEO of CohBar, a clinical stage biotechnology company focused on the development of mitochondrial based therapeutics, an emerging class of drugs for the treatment of age-related diseases and extending healthy lifespan. Previously, he was CEO of Averigon, an advisory firm to the life science industry. Prior to that, he was Chair and CEO of XOMA, a developer of antibody therapeutics of multiple diseases, and Chair and CEO of La Jolla Pharmaceutical Company, which discovered the biology of B cell tolerance, developed the first B cell toleragen for lupus patients, and received an approvable letter from the FDA.

Mr Engle served as VP of Marketing for Cygnus, a drug delivery company, where he helped gain FDA approval of and launch Nicotrol for smoking cessation. Mr Engle is a member of the board of AROA, a developer and marketer of regenerative products, and of Author-it Software Corporation, a developer of authoring information solutions for pharmaceutical and biotechnology companies. He is a former director of industry associations, BIO, BayBio and BIOCOM.

Mr Engle holds M.S.E.E. and B.S.E.E. degrees from the University of Texas with a focus in biomedical engineering.

The Company considers Mr Engle an independent director.

Board Recommendation

The Board (with Mr Engle abstaining) recommends that Shareholders vote in favour of the re-election of Mr Engle. The Chair of the meeting intends to vote undirected proxies in favour of Mr Engle's re-election.

Voting Exclusions

There are no voting exclusions for this Resolution.

Resolution 3: Approval of the issue of Equity Securities under the Company's Executive Option Plan

Background

At the Company's 2019 Annual General Meeting, members re-approved the issue of Equity Securities under the Company's Executive Option Plan (**EOP**) for the purposes of Listing Rule 7.2, exception 13(b). The Board is committed to incentivising and retaining the Company's Directors, employees and consultants in a manner which promotes alignment of their interests with shareholder interests. Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements.

The EOP is regarded as an employee incentive scheme for the purposes of Listing Rule 7.2. A copy of the EOP will be provided without charge to members on request.

Approval of the EOP and any Options to be issued pursuant to the EOP is sought pursuant to Listing Rule 7.2, Exception 13(b). Further details relating to Listing Rules requirements are set out below.

The EOP is intended to enable participants to share in any increase in the Company's value (as measured by the share price) beyond the date of allocation of the Options. A summary of the EOP is set out later in these Explanatory Notes.

Any issue of Equity Securities under the EOP to Directors, or their associates, will still require approval by members under Listing Rule 10.14.

ASX Listing Rules

Listing Rule 7.1 provides generally that a company may not issue shares or securities convertible into shares equal to more than 15% of the company's issued share capital in any consecutive 12 month period without obtaining prior

shareholder approval unless the issue fits into one of the exceptions contained in Listing Rule 7.2. Listing Rule 7.2 exception 13(b) effectively provides that securities issued pursuant to an employee incentive scheme are not included in the calculation of the 15% for Listing Rule 7.1 purposes, provided that the issue of Equity Securities pursuant to the EOP has been approved by members within the previous 3 years.

The Board intends that the issue of Options under the EOP continue to not be included when undertaking the calculation of the 15% limit pursuant to Listing Rule 7.1. Accordingly, the Company is seeking member approval of the issue of Equity Securities under the EOP in order that such issues will continue to qualify as an exception to Listing Rule 7.1 under exception 13(b) to Listing Rule 7.2.

If this Resolution is approved by Shareholders, it will have the effect of enabling the securities issued by the Company under the EOP to be automatically excluded from the formula to calculate the number of securities which the Company may issue within the 15% in 12 months limit under ASX Listing Rule 7.1 during the next three-year period.

If this Resolution is not approved by Shareholders, any securities issued by the Company under the EOP, other than those issued with Shareholder approval under another Listing Rule, will be automatically included in the formula to calculate the number of securities which the Company may issue within the 15% in 12 months limit under ASX Listing Rule 7.1 and will issued from the Company's Listing Rule 7.1 capacity.

Information required for Listing Rule 7.2, exception 13(b)

Listing Rule 7.2, exception 13(b) requires the following information to be provided to members:

Summary of the terms of the EOP

Eligibility	Any director, employee or consultant who is decided by the Board to be an eligible participant for the purposes of the EOP.
Grant of options	The Board may offer any number of options to eligible participants on the terms the Board decides, subject to the EOP rules, any applicable laws or the Listing Rules. The offer must be in writing and specify, amongst other things, the number of options for which the eligible employee may apply, the period within which the options may be exercised, any conditions to be satisfied before exercise, the option expiry date (as determined by the Board) and the exercise price of the options.
Exercise	The options may be exercised, subject to any exercise conditions, by the participant giving a signed notice to the Company and paying the exercise price in full. The Company will apply for official quotation of any Shares issued on exercise of any options.
Lapse	The options shall lapse in accordance with specific offer terms or events contained in the EOP rules, which may include termination of employment or resignation, redundancy, death or disablement (subject to the Board's discretion to extend the term of exercise in restricted cases) as well as the expiry of time periods.
Rights of Participants	<p>Once Shares are allotted upon exercise of the options the participant will hold the Shares free of restrictions. The Shares will rank for dividends declared on or after the date of issue but will carry no right to receive any dividend before the date of issue.</p> <p>Should the Company undergo a reorganisation or reconstruction of capital or any other such change, the terms of the options (including number or exercise price or both) will be correspondingly changed to the extent necessary to comply with the Listing Rules. With this exception, the terms for the exercise of each option remains unchanged.</p> <p>In the event of a change of control, the Board shall have discretion to deal with the options, including allowing accelerated vesting or the issue of options in the substituted corporation.</p> <p>A holder of options is not entitled to participate in dividends, a new issue of Shares or other securities made by the Company to Shareholders merely because he or she holds options.</p>

	However, if a pro rata bonus or cash issue of securities is awarded by the Company, the Company in its absolute discretion may adjust the number of Shares over which an option exists and the exercise price in the manner specified in Listing Rule 6.22, in which case written notice will be given to the option holder.
Assignment	The options are not transferable or assignable without the prior written approval of the Board.
Administration	The EOP will be administered by the Board which has an absolute discretion to determine appropriate procedures for its administration and resolve questions of fact or interpretation and formulate special terms and conditions (subject to the Listing Rules) in addition to those set out in the EOP.
Termination and amendment	The EOP may be terminated or suspended at any time by the Board. The EOP may be amended at any time by the Board except where the amendment reduces the rights of the holders of options, including a change to reduce the exercise price, increase the number of Shares to which an eligible employee is entitled or change the exercise period, unless required by the Corporations Act or the Listing Rules.

Options previously issued

Since the date of the last approval under the relevant ASX listing rule, the Company has issued 30,415,000 Options under the EOP.

Maximum number of Equity Securities proposed to be issued

Approval is being sought under Resolution 3 to issue up to 32,739,447 Options under the EOP following the approval. Any additional issues under the EOP above that number during the three year period following approval would require further shareholder approval.

Board Recommendation

As the Directors of the Company are excluded from voting pursuant to the Listing Rules, they make no recommendation to the shareholders in respect of the EOP.

The Chair intends to vote undirected proxies in favour this Resolution.

Voting Exclusions

Refer to Notes 7 and 9 for voting exclusions on this Resolution.

Resolution 4: Ratification of Prior Issue of 14,289,992 Shares under ASX Listing Rule 7.4

Background

On 24 August 2022, the Company announced that it was undertaking a share purchase plan (**SPP**) to raise up to approximately \$8m (before costs). On 7 October 2022 the Company further announced that it was undertaking a placement to allow wholesale shareholders who indicated interest throughout the SPP in funding applications greater than the maximum SPP application amount to participate in a further capital raising.

The Company raised \$2.56m (before costs) via issues of 14,289,992 fully paid ordinary shares (**Shares**) at an issue price of \$0.175 (17.5 cents) per share (**Placement**). The issue of 14,289,992 Shares was completed on 17 October 2022 (Issue Date) under the Company's existing placement capacity under ASX Listing Rule 7.1A. The Company is seeking ratification of this issue under this Resolution.

ASX Listing Rules Requirements – Listing Rule 7.4

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2. The issue of the Shares was within the Company's available placement capacity under ASX Listing Rule 7.1A and did not fit within any of the Listing Rule 7.2 exceptions.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. As the issue of Shares was within the Company's ASX Listing Rule 7.1A placement capacity, and was not previously approved by Shareholders, the Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4, to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1A.

If this Resolution is approved, the prior issue of 14,289,992 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 14,289,992 Shares counting towards the 10% capacity for the purposes of ASX Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not approved, the prior issue of 14,289,992 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the 14,289,992 Shares as counting towards the 10% capacity for the purposes of ASX Listing Rule 7.1A. This will limit the Company's placement capacity under ASX Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- (a) the shares were allotted and issued to wholesale investors introduced to the Company by the lead manager of the Placement, Reach Corporate, or via existing relationships with the Company. There were no participants in the Issue that were investors required to be disclosed under ASX Guidance Note 21.
- (b) the number and class of securities issued was 14,289,992 fully paid ordinary shares in the Company;
- (c) the Shares were issued on 17 October 2022;

Board Recommendation

The Board recommends that Shareholders vote in favour of this Resolution.

The Chair intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 7 for voting exclusions on this Resolution.

Resolution 5: Approval of 10% Placement Facility

Background

Broadly speaking and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that the Company can issue without the approval of the Shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% (**10% Placement Facility**) to 25%.

An "eligible entity" for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity. Note however that if, on the date of this Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution 4 will no longer be effective and will be withdrawn.

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this Resolution is to allow the Directors to issue

Equity Securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% placement capacity under Listing Rule 7.1.

Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of this Annual General Meeting and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of this Annual General Meeting, being 29 November 2023;
- (ii) the time and date of the Company's next Annual General Meeting; and
- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

The Company will only issue and allot the Equity Securities approved under the 10% Placement Facility during the 10% Placement Period.

Outcome of this Resolution

If Shareholders approve this Resolution:

- the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below); and
- the Company will be able to issue Equity Securities up to the combined 25% limits in Listing Rules 7.1 and 7.1A without further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Formula for calculating 10% Placement Facility

The maximum number of Equity Securities that may be issued by the Company under the 10% Placement Facility pursuant to Listing Rule 7.1A2 is calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity..

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula stated above.

Type and number of Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice, has on issue two classes of quoted Equity Securities, being Shares and Listed Options, as follows:

- 654,788,959 Shares; and
- 85,761,778 Listed Options.

Minimum issue price and cash consideration

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

Purpose of the funds raised

The purposes for which the funds raised by an issue under the 10% Placement Facility may be used by the Company include:

- (i) consideration for the acquisition(s) of the new assets and investments, including the expenses associated with such acquisition(s); and
- (ii) continued expenditure on the Company's current business and/or general working capital.

Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below (in the case of Listed Options, only if the Listed Options are exercised).

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The dilution table shows the potential dilution of existing Shareholders on the basis of the market price of the Company's Shares as at 5 October 2022 (**Current Share Price**) and the current number of Shares for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The dilution table also shows:

- two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of Shares the Company has on issue. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.0875 50% decrease in Current Share Price	\$0.175 Current Share Price	\$0.35 100% increase in Current Share Price
Current Variable A 654,788,959 Shares	10% Voting Dilution	65,478,895 Shares		
	Funds raised	\$5,729,403	\$11,458,806	\$22,917,613
50% increase in current Variable A 982,183,438 Shares	10% Voting Dilution	98,218,343 Shares		
	Funds raised	\$8,594,105	\$17,188,210	\$34,376,420
100% increase in current Variable A 1,309,577,918 Shares	10% Voting Dilution	130,957,791 Shares		
	Funds raised	\$11,458,806	\$22,917,613	\$45,835,226

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility;
- No Options (including existing Listed Options and/or any Listed Options issued under the 10% Placement Facility) are exercised into Shares or other convertible securities are converted to Shares before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.175 being the closing price of the Shares on ASX on 5 October 2022.

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with Listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

Previous issues

The Company:

- has not issued, nor agreed to issue, any Equity Securities under Rule 7.1A.2 in the 12-month period preceding the date of the Meeting; and
- had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any Equity Securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Special Resolution

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by Shareholders present or represented, and eligible to vote.

Directors Recommendations

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Voting Exclusions

As at the date of dispatch of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and, therefore, a voting exclusion statement is not required by Listing Rule 7.3A.7.
