DATED: 28 October 2022 BY ORDER OF THE BOARD

DEREK HALL COMPANY SECRETARY DOUUGH LIMITED

#### **EXPLANATORY STATEMENT**

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at Level 2, 160 St Georges Tce, Perth WA 6000 at 2.00 pm (AWST) on 30 November 2022.

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

#### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial period ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company annual financial report on its website at www.dough.com.

#### 2. RESOLUTION 1 - ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the Company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the previous financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for reelection at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

#### 2.4 Proxy restrictions

Shareholders appointing a proxy for this Resolution should note the following:

If you appoint a member of the Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy

**You must direct your proxy how to vote** on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

If you appoint the Chair as your proxy (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member).

You <u>do not</u> need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chair how to vote, you <u>must</u> mark the acknowledgement on the Proxy Form to expressly authorise the Chair to exercise his/her discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.

#### If you appoint any other person as your proxy

You <u>do not</u> need to direct your proxy how to vote on this Resolution, and you <u>do not</u> need to mark any further acknowledgement on the Proxy Form.

#### 3. RESOLUTION 2 - RE-ELECTION OF DIRECTOR MR BERT MONDELLO

#### 4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

#### 4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (7.1A Mandate).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes as it is not included in the S&P/ASX 300 Index and has a market capitalisation of ~\$17,000,000, which is lower than the threshold.

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval. If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

#### 4.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution:

#### (a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and

the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a (iii) significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

#### (b) Nature of consideration for issue and Minimum Issue Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and must be issued for a cash consideration per security at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed by the entity (i) and the recipient of the Equity Securities; or
- if the Equity Securities are not issued within 10 trading days of the date in Section4.2(a)(i), the (ii) date on which the Equity Securities are issued.

#### Use of funds raised under the 7.1A Mandate (c)

The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:

- As cash consideration in which case the Company intends to use funds raised for development (i) of the Company's technology; and
- (ii) continued expenditure on the Company's current business and/or general working capital.

#### (d) Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

<sup>\*</sup>The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listina Rule 7.1.

#### The table above uses the following assumptions:

- There are 847,514,438 Shares on issue as at the date of this Notice.
- 2. The issue price set out above is the closing price of Shares on ASX on 20 October 2022, being \$0.020.
- 3. Dough issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- 4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.

- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed
- 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- 1. the market price for Shares may be significantly lower on the issue date than on the date of the Meeting; and
- 2. Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

#### (e) Allocation policy under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

#### (f) Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 30 November 2021 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 1 December 2021, the Company has issued 49,263,717 fully paid ordinary shares under Listing Rule 7.1A, representing 5.8% of the total number of equity securities on issue at the commencement of the 12 month period.

#### 4.3 Voting Exclusion

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

#### 5. RESOLUTION 4 - APPROVAL OF DIRECTORS' SALARY SACRIFICE SHARE PLAN

Resolution 4 seeks Shareholders approval for the adoption of the employee incentive scheme titled the Directors' Salary Sacrifice Share Plan (Share Plan) in accordance with ASX Listing Rule 7.2 (Exception 13(b)).

A summary of ASX Listing Rule 7.1 is outlined in section 4.1 above. ASX Listing Rule 7.1 of the ASX limits the number of ordinary shares the Company may issue without the approval of its shareholders to 15% of issued capital unless the issue can be brought within one of the exceptions set out in ASX Listing Rule 7.2. Exception 13 of ASX Listing Rule 7.2 permits issues under an employee incentive scheme if within three years before the date of issue the scheme has been approved by shareholders.

Accordingly, if Resolution 4 is passed, the Company will be able to issue Shares under the Share Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

If Resolution 4 is not passed, the Company will be able to proceed with the issue of Shares under the Share Plan and will need to settle these obligations with payment of cash.

Shareholders should note that no Shares have previously been issued under the Share Plan. However, pursuant to Resolutions 5 and 6 the Company is seeking Shareholder approval to issue Shares under the Share Plan to related parties of the Company. The maximum number of equity securities proposed to be issued under the scheme following the approval is 40,228,385 representing ~5% of fully paid ordinary shares on issue as the date of this Notice.

The objective of the Share Plan is to provide Directors with an opportunity to subscribe for Shares in lieu of their Directors' fees for the forthcoming quarter and also to subscribe for Shares in lieu of any unpaid accrued Directors' fees owing to the Director, thereby encouraging Directors to invest in the Company and allow the Company to retain cash reserves.

Any future issues of Shares under the Share Plan to a related party or a person whose relation with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time. For this reason, the Company is also seeking approval under Resolutions 5 and 6 for the issue of Shares to certain Directors pursuant to the Share Plan.

A summary of the key terms and conditions of the Share Plan is set out in Schedule 2. In addition, a copy of the Share Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Share Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

# 6. RESOLUTIONS 5 & 6 - ISSUE OF SHARES TO DIRECTORS UNDER THE DIRECTORS' SALARY SACRIFICE SHARE PLAN

#### 6.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of \$225,000 worth of Shares (**Salary Sacrifice Shares**) to Mr Andrew Taylor and Mr Bert Mondello. The Salary Sacrifice Shares will be calculated using the volume weighted average price of Company Shares traded on ASX in the immediately preceding five days prior to their issue. Each Director's sacrificed salary is highlighted in the table below. The Salary Sacrifice Shares are to be issued under the Company's Directors' Salary Sacrifice Share Plan (**Share Plan**) which is subject to Shareholder approval under Resolution 4.

Director	Accrued Salary to be satisfied by issue of Shares
Andrew Taylor	\$150,000
Bert Mondello	\$75,000

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Salary Sacrifice Shares will be issued under the Share Plan (subject to Shareholder approval of Resolution 4) but will not be issued in reliance of ASIC Class Order 14/1000 Employee incentive schemes: Listed bodies.

No disclosure document is required to be issued to the recipients of the Related Party Performance Rights as the offer is exempt under section 708(12) of the Corporations Act.

#### 6.2 Chapter 2E of the Corporations Act and ASX Listing Rule 10.14

The issue of the Salary Sacrifice Shares requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and Mr Andrew Taylor and Mr Bert Mondello are related parties of the Company by virtue of being Directors.

In addition, ASX Listing Rule 10.14 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

It is the view of the Company that the exceptions set out in sections 210 to 216 of the Corporations Act and ASX Listing Rule 10.15B do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the grant of the Salary Sacrifice Shares to the Related Party.

#### 6.3 Technical information required by Chapter 2E of the Corporations Act and ASX Listing Rule 10.14

Pursuant to and in accordance with the requirements of section 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of the Salary Sacrifice Shares:

- (d) the Salary Sacrifice Shares will be granted for nil cash consideration and no consideration will be payable as they are being issued in lieu of salary due to Mr Andrew Taylor and Mr Bert Mondello. This will increase the number of Shares on issue from 847,514,438 to 858,764,438 (assuming there are no other Shares issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 1.3%;

(k) the trading history of the Shares on ASX in the 12 months before the date of this Notice is set out below: and

Shareholder	Shares	Date
Highest	0.110	10 November 2021

The Board does not consider that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Salary Sacrifice Shares upon the terms proposed;
- (m) Mr Andrew Taylor declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of that Resolution; and
- (n) Mr Bert Mondello declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of that Resolution; and
- (o) the Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 and 6.

#### 7. RESOLUTION 7 – ADOPTION OF EMPLOYEE INCENTIVE SECURITIES PLAN

#### 7.1 General

Resolution 7 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Incentive Securities Plan" (**Incentive Plan**) and for the issue of up to a maximum of 127,127,165 securities, excluding issues approved by Shareholders under Listing Rule 10.14 or Listing Rule 10.11, under the Incentive Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Incentive Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Incentive Plan and the future issue of Shares, Options and Performance Rights under the Incentive Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

As summarised in Section 4.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 7 is passed, the Company will be able to issue securities under the Incentive Plan to eligible participants over a period of 3 years. The issue of any securities to eligible participants under the Incentive Plan (up to the maximum number of securities stated above) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Performance Rights under the Plan to a related party or a person whose relationship with the company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 7 is not passed, the Company will be able to proceed with the issue of securities under the Incentive Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's

capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

#### 7.2 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 7:

- (a) a summary of the key terms and conditions of the Incentive Plan is set out in Schedule 1;
- (b) the Company has not issued any securities under the Incentive Plan as this is the first time that Shareholder approval is being sought for the adoption of the Incentive Plan; and
- (c) the Company is seeking Shareholder approval to adopt the new Incentive Plan to include the new terms and conditions required by Division 1A of Part 7.12 of the Corporations Act, which replaced the previous relief provided by ASIC Class Order 14/1000 (Employee Incentive Scheme); and
- (d) the maximum number of securities proposed to be issued under the Incentive Plan in reliance on Listing Rule 7.2 (Exception 13(b)), that is, excluding issues approved by Shareholders under Listing Rule 10.14 or Listing Rule 10.11, is 127,127,165. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.

# 8. RESOLUTIONS 8 & 9 - ISSUE OF PERFORMANCE RIGHTS TO DIRECTORS UNDER THE EMPLOYEE INCENTIVE SECURITIES PLAN

#### 8.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue up to the following amounts of Performance Rights to each of the Directors (the **Related Parties**):

- (a) 20,000,000 Performance Rights to Mr Andrew Taylor, comprising:
  - (i) 6,500,000 Class A Performance Rights;
  - (ii) 6,500,000 Class B Performance Rights; and
  - (iii) 7,000,000 Class C Performance Rights,
- (b) 10,000,000 Performance Rights to Mr Bert Mondello, comprising:
  - (i) 3,500,000 Class A Performance Rights;
  - (ii) 3,500,000 Class B Performance Rights; and
  - (iii) 3,000,000 Class C Performance Rights,

pursuant to the Employee Incentive Securities Plan (Incentive Plan) and on the terms and conditions set out below (Incentive Performance Rights).

#### 8.2 Vesting Conditions

The Incentive Plan provides that the Board will determine the vesting conditions that must be satisfied by a participant before the Incentive Performance Right vests in the holder. Accordingly, the Board has determined that the Incentive Performance Rights the subject of Resolutions 8 & 9 will be subject to the vesting conditions set out below.

Performance Rights	Vesting Conditions
Class A Performance Rights	The Company's 10-day VWAP being equal to or greater than a market capitalisation of \$25,000,000 subject to the relevant person being a director of the Company at the time.
Class B Performance Rights	The Company's 10-day VWAP being equal to or greater than a market capitalisation of \$35,000,000 subject to the relevant person being a director of the Company at the time.
Class C Performance Rights	The Company's 10-day VWAP being equal to or greater than a market capitalisation of \$45,000,000 subject to the relevant person being a director of the Company at the time.

As stated in the Incentive Plan, a vesting condition must be satisfied (or waived) by the Board before an Incentive Performance Right will vest.

For the full terms and conditions of the Incentive Performance Rights, refer to Schedule A of this Notice.

#### 8.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (c) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (d) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Performance Rights to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Incentive Performance Rights are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Incentive Performance Rights. Accordingly, Shareholder approval for the issue of Incentive Performance Rights to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

#### 8.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Incentive Performance Rights to the Related Parties falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14. Resolutions 8 & 9 seek the required Shareholder approval for the issue of the Incentive Performance Rights under and for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.14.

#### 8.5 Technical information required by Listing Rule 14.1A

If Resolutions 8 & 9 are passed, the Company will be able to proceed with the issue of the Incentive Performance Rights to the Related Parties under the Incentive Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Incentive Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolution 8 & 9 are not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to the Related Parties under the Incentive Plan and the Company will consider other forms of remuneration, including by the payment of cash, subject to the requirements of the Constitution, Corporations Act and Listing Rules.

#### 8.6 Technical information required by Listing Rule 10.15 and section 219 of the Corporations Act

Pursuant to and in accordance with the requirements of Listing Rule 10.15 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 8 & 9:

- (a) the Incentive Performance Rights will be issued to the following persons:
  - (i) Andrew Taylor (or his nominee) pursuant to Resolution 8; and
  - (ii) Bert Mondello (or his nominee) pursuant to Resolution 9,

each of whom falls within the category set out in Listing Rule 10.14.1 by virtue of being a Director;

- (b) the maximum number of Incentive Performance Rights to be issued to the Related Parties (being the nature of the financial benefit proposed to be given) is 30,000,000, which comprises:
  - (i) 20,000,000 Incentive Performance Rights to be issued to Andrew Taylor (or his nominee) pursuant to Resolution 8; and

- (ii) 10,000,000 Incentive Performance Rights to be issued to Bert Mondello (or his nominee) pursuant to Resolution 9.
- (c) No Performance Rights have been issued under the proposed Incentive Plan. Since its approval at the AGM held in January 2021, 17,950,000 Performance Rights were issued to Directors under the superseded Performance Rights Plan of which 5,650,000 vested into Fully paid ordinary shares (ASX: 31 December 2021). The Company intends to cancel the balance of Performance Rights issued to Directors under the superseded Performance Rights Plan totalling 12,300,000 rights;
- (d) a summary of the material terms and conditions of the Incentive Performance Rights is set out in Schedule 1;
- (e) the Incentive Performance Rights are unquoted securities. The Company has chosen to issue Incentive Performance Rights to the Related Parties for the following reasons:
  - (i) the Incentive Performance Rights are unquoted meaning the issue of the Incentive Performance Rights has no immediate dilutionary impact on Shareholders;
  - (ii) the milestones attaching to the Incentive Performance Rights will align the interests of the Related Parties with those of Shareholders; and
  - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Incentive Performance Rights on the terms proposed; and
  - (iv) to maintain remuneration arrangements that are market-competitive,
- (f) the number of Incentive Performance Rights to be issued to each of the Related Parties has been determined based upon a consideration of:
  - current market standards and/or practices of other ASX listed companies of a similar size and stage of development to the Company;
  - (ii) the remuneration of the Related Parties; and

Eligible Participant	<b>Eligible Participant</b> means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	<ul> <li>The purpose of the Plan is to:</li> <li>(a) assist in the reward, retention and motivation of Eligible Participants;</li> <li>(b) link the reward of Eligible Participants to Shareholder value creation; and</li> <li>(c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Shares, Options and Performance Rights (Securities).</li> </ul>
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act</i> 1997 (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides.  On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.  If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	<ul> <li>A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right).</li> <li>Prior to a Convertible Security being exercised, the holder:</li> <li>(a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Performance Right other than as expressly set out in the Plan;</li> <li>(b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;</li> <li>(c) is not entitled to receive any dividends declared by the Company; and</li> <li>(d) is not entitled to participate in any new issue of Shares (see Adjustment of Performance Rights section below).</li> </ul>

# Vesting of Convertible Securities

Any vesting conditions which must be satisfied before Convertible Securities can be exercised and converted to Shares will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

# Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

**Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

# Timing of issue of Shares and quotation of Shares on exercise

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

# Restrictions on dealing with Convertible Securities

A holder may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

However, in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the Participant) a Participant may deal with Convertible Securities granted to them under the Plan with the consent of the Board.

# Listing of Convertible Securities

A Convertible Security granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of an Option granted under the Plan on the ASX or any other recognised exchange.

	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Performance Rights is entitled, upon exercise of those Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.  Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by
Plan Shares	the Company or sell renounceable rights.  The Board may, from time to time, make an invitation to an Eligible Participant to acquire Plan Shares under the Plan. > For so long as a Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Share; or
- take any action or permit another person to take any action to remove (b) or circumvent the disposal restrictions without the express written consent of the Company.

	No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. Within five Business Days after the Exercise Date, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Notice of Exercise and for which cleared funds have been received by the Company;
- (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and
- (iii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If a notice delivered under (g)(i) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

Shares issued on exercise

Shares issued on exercise of the Options rank equally with the then issued shares of the Company.

Reconstruction of capital

If at any time the issued capital of the Company is reconstructed, all rights of an Optionholder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

Participation in new issues

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.

Change in exercise price

An Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Option can be exercised.

**Transferability** 

The Options are transferable subject to any restriction or escrow arrangements imposed by ASX or under applicable Australian securities laws.
