

31 October 2022, Australia

ASX RELEASE

STRONG START OF FISCAL YEAR WITH DOUBLE DIGIT GROWTH

SEPTEMBER 2022 (Q1 FY23) ACTIVITIES AND CASHFLOW REPORT

Vection Technologies Ltd (ASX:VRI, OTC:VCTNY), the INTEGRATEDXR[®] company, is pleased to update the market on its activities and associated cash flows and cash position for the quarter ended September 2022 and up to the date of this announcement.

HIGHLIGHTS:

- Vection Technologies delivers ~60% growth in Q1 cash receipts compared to the previous corresponding period (PCP).
- FY23 Total Contract Value (TCV) grows to \$6 million, up by ~20% compared to the previous corresponding period (PCP).
- Strong strategy expected to deliver full fiscal 2023 revenue guidance of \$24 to \$26 million.
- Strong advancement of communication strategy to position the Company as a leader in the fast-growing Metaverse and XR space.

OVERVIEW:

Vection Technologies has delivered a strong start to fiscal 2023, with cash receipts growing by ~60% compared to the previous corresponding period (PCP), and first quarter Total Contract Value (TCV) growing to \$6 million, up by ~20% PCP (Previous corresponding period: \$5 million).

This growth is an early indicator of sustained growth and scale for fiscal 2023, expected to generate a revenue guidance of \$24 to \$26 million. During the first quarter of fiscal 2023, the Company continued to invest in infrastructure, people, and IP development, leading to a final cash position of ~14 million.

This robust cash position will enable the Company to continue to pursue the fast-growing metaverse opportunity through its INTEGRATEDXR[®] offering, supported by a strong infrastructure, sales channels, and R&D department.

CUMULATIVE CASH RECEIPTS BY QUARTER (FY21, FY22 & FY23):

During the first quarter of fiscal 2023, the Company successfully grew its cash receipts by ~60% compared to the previous corresponding period. The Company notes that most of its current revenue generating activities are still dependant on upfront and implementation fees (in addition to a recurring revenue component). Therefore, cash receipts and TCV metrics can significantly vary each period, while organically growing on a full year basis.

**Q1 FY23 TOTAL CONTRACT VALUE (TCV) (in %):
 INTEGRATEDXR[®] VISION FOR CROSS-SECTORAL CHALLENGES**

During the first quarter of fiscal 2023, the Company significantly advanced its commercial activities with Service Agencies, while maintaining a strong presence in Defence, Military & Law Enforcement and AEC & Real Estate.

During the next quarter, Vection Technologies is assessing critical opportunities within the Defence, Military & Law Enforcement sector to deliver long-term strategic growth.

The Total Contract Value is a metric that combines all contracts executed with clients that the Company expects to deliver during the current fiscal year.

Furthermore, the Company's management has confirmed the validity of its healthcare and pharma division, with growing opportunities within the European market. Aligned with this strategic view, the Company is currently evaluating new management additions and organizational changes to enable an effective and sustainable growth within this strategic sector.

CUMULATIVE TOTAL CONTRACT VALUE (TCV) BY QUARTER ANNOUNCEMENT DATE (FY22 AND FY23):

COMPANY QUARTERLY ACTIVITIES OVERVIEW:

Online Activation Strategy:

During the first quarter of fiscal 2023, the Company continued its online activation strategy to build an additional source of organic leads from website traffic. The main activities of the Company during the period focussed on the U.S. market with strong encouraging results. The Company notes that this is a long-term strategy also aimed at building its global awareness across web and social channels.

Global Events:

During the quarter, the Company continued to accelerate its participation in global events aimed at generating increased brand awareness towards its target markets.

Image 1: Vection Technologies at Cersaie 2022.

In particular, the Company participated at CERSAIE 2022, the International Exhibition of Ceramic Tile and Bathroom Furnishings. Cersaie 2022 recorded 91,296 attendees over the five days of the exhibition, an increase of around 50% compared to last year's edition, which had marked one of the first returns of a major exhibition in the difficult post-pandemic period.

In October 2022, the Company also participated at GITEX 2022, held in Dubai. GITEX GLOBAL has been the undisputed tech event for the last 41 years. It features every major technology player, trend and vertical, and it covers sectors including smart cities, cybersecurity, the data economy, mobility, healthcare, and telecoms.

Partners:

During the quarter, the Company continued to work with consulting & service providers and Fortune Global 500 professional services partners. These efforts have led to a growing pipeline of opportunities across several industrial sectors, also reflected in the TCV metric.

Research and Development (R&D) Activities:

During the quarter, the Company continued to invest in R&D activities towards the further development of its INTEGRATEDXR[®] suite.

The Company notes that R&D activities are not included in the cashflow report as they are independently evaluated by subject matter experts at the end of each reporting period for local fiscal reason within its European entities.

COMPANY QUARTERLY FINANCIAL OVERVIEW:

Total quarterly cash receipts from clients for the quarter ended 30 September 2022 were ~\$4M (Q3 FY22 Cash Receipts from customers: ~\$6M).

A robust cash balance of ~\$14M (30 June 2022: ~\$15M) provides strong foundations for management to deliver on the overarching strategic growth objectives, including its aggressive acquisition strategy.

Business activities expenditure totalled ~\$5.8M for the quarter, consisting of administration (~\$0.7M) and R&D, staff costs and operating cost of sales (combined ~\$4.8M), with the balance to advertising and marketing and leased assets (combined ~\$0.3M).

During the next quarter and specifically during the second half, the Company expects to significantly improve its underlying result as it implements significant efficiencies and grows its cash inflows from operating activities.

The aggregate amount of payments to related parties and their associates included in the current quarter cash flows from operating activities totalled ~\$99k. These payments consisted of Directors' fees and salaries paid to directors. All payments were on normal commercial terms.

OUTLOOK:

The Company expects to continue its growth trajectory during fiscal 2023, as a result of the ongoing strong investments performed during fiscal 2022.

The Company also notes that it is progressing with multiple discussions in relation to potential global acquisitions.

As businesses increase the adoption of Extended Reality (XR) -based solutions, Vection Technologies remains strongly positioned to capitalize on this inevitable growth trend.

FORWARD LOOKING STATEMENTS:

Certain statements made in this release are forward-looking statements. These forward-looking statements are not historical facts but rather are based on Vection Technologies' current expectations, estimates and projections about the industry in which Vection Technologies operates, and beliefs and assumptions. Forward looking statements can generally be identified by the use of forward-looking words such as 'anticipate', 'believe', 'expect', 'project', 'forecast', 'estimate', 'likely', 'intend', 'should', 'will', 'could', 'may', 'target', 'plan' and other similar expressions within the meaning of securities laws of applicable jurisdictions. Indications of, and guidance or outlook on future earnings, distributions or financial position or performance are also forward-looking statements. These statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties, and other factors, some of which are beyond the control of Vection Technologies, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. The Company cautions shareholders and prospective shareholders not to place undue reliance on these forward-looking statements, which reflect the view of Vection Technologies only as of the date of this release. There can be no assurance that actual outcomes will not differ materially from these forward-looking statements. The forward-looking statements made in this release relate only to events as of the date on which the statements are made. Vection Technologies has no obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this release except as required by law or by any appropriate regulatory authority.

Compliance statement

- 1 This statement has been prepared in accordance with accounting standards and policies which comply with Listing Rule 19.11A.
- 2 This statement gives a true and fair view of the matters disclosed.

Date: 31 October 2022

Authorised by: By the Board

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standard applies to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
