8.6.1 Does the entity expect that it will continue to have the current level of net operating cash flows for the time being and, if not, why not?	
Answer: No, the entity expects its net operating cash flow to improve in the next period as overhead costs are expected to decrease after the divestment of its Eco Pallets' business division.	

8.6.2 Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful?

Answer: The entity currently has no plans to raise further cash to fund its operations other than normal operations. In the event that a capital raising is required for the current financial year, the Company has existing placement capacity under Listing Rules 7.1 and 7.1A. The Directors are confident that sufficient funds will be raised to continue operations based on previous fundraising experience and will also seek to ensure that funding is accessed at appropriate valuations to preserve the value and limit dilution for all shareholders.

The Directors also closely monitor cash flows and are assessing funding and new revenue opportunities to ensure that the entity can continue to pursue growth opportunities of its businesses,

8.6.3 Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis?

Answer: Yes. The entity has a strong forward orders pipeline for its mining consumables project and is presently exploring other revenue opportunities.

Note: where item 8.5 is less than 2 quarters, all of questions 8.6.1, 8.6.2 and 8.6.3 above must be answered.
