Netflix joins forces with Dumb Ways to Die

PlaySide Studios Limited (ASX: PLY) (“PlaySide”) is pleased to announce the signing of a game license and publishing agreement with **Netflix, Inc.** (“Netflix”). Following a successful concept pitch, Netflix has engaged PlaySide to bring its *Dumb Ways to Die* intellectual property to the Netflix Games service via the development of *Dumb Ways to Survive*, a survival-based interactive entertainment product for mobile.

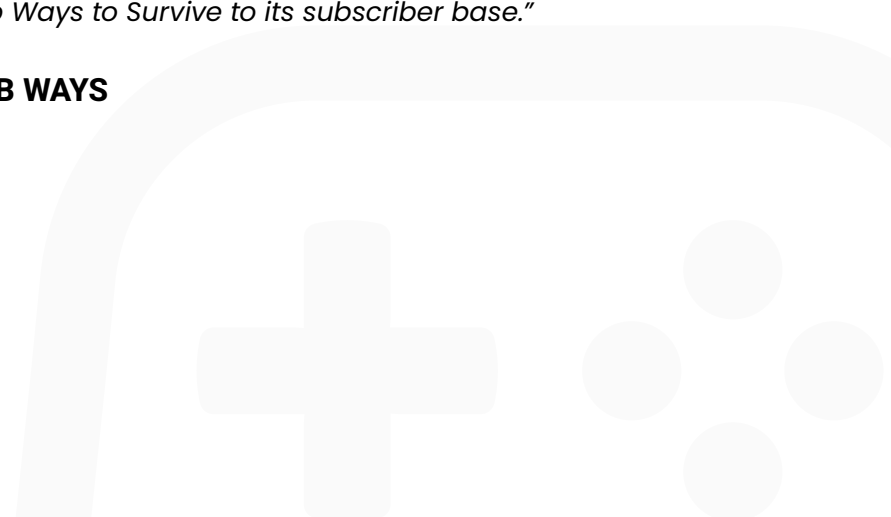

PlaySide will receive a license fee, a portion of which will be paid out over development of the game, and will provide live support after launch. License fee payments due during development of the game will be received at agreed milestones which are consistent with industry benchmark requirements for progressing the game to launch.

Development is expected to commence in January 2023.

Since acquiring the Dumb Ways franchise in October 2021, PlaySide immediately began reengaging with fans and looking for the right opportunities to enhance the brand and deliver new content to a growing audience.

We are thrilled that Netflix sees value in this IP and we are excited to join forces with them in bringing Dumb Ways to Survive to its subscriber base.”
