Dear Ms Anjum,

Response to ASX Price Query

We refer to your letter dated 12 December 2022 regarding the above and respond to your questions as follows:

1. Is NAN aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?

Response: No. The Company is not aware of any information concerning it that has not been announced which, if known, could be an explanation for recent trading in the securities of the Company.

2. If the answer to question 1 is "yes":

- a) Is NAN relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1?

Please note that the recent trading in NAN's securities would suggest to ASX that such information may have ceased to be confidential and therefore NAN may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.

Response: Not applicable.

- b) Can an announcement be made immediately?

Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).

Response: Not applicable.

- c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?

Response: Not applicable.

3. If the answer to question 1 is "no", is there any other explanation that NAN may have for the recent trading in its securities?

Response: The Company is not aware of any other explanation for the price change and increase in volume in the securities in the Company

4. Please confirm that NAN is complying with the Listing Rules and, in particular, Listing Rule 3.1.

Response: Nanosonics Limited confirms that it is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.

5. Please confirm that NAN's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of NAN with delegated authority from the board to respond to ASX on disclosure matters.

Response: The Company Secretary is authorised to respond to ASX on disclosure matters.

Yours sincerely,

McGregor Grant

This request is made under Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, by no later than **9:00 AM AEDT Tuesday, 13 December 2022**. You should note that if the information

requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, NAN's obligation is to disclose the information 'immediately'. Trading halt

If you are unable to respond to this letter by the time specified above, or if the answer to question 1 is "yes" and an announcement cannot be made immediately, you should discuss with us whether it is appropriate to request a trading halt in NAN's securities under Listing Rule 17.1. If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;

- any other information necessary to inform the market about the trading halt, or that we ask for.

We require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted. It should be noted that NAN's obligation to disclose information under Listing Rule 3.1 is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.
