**About Delta Drone International** [www.dlti.com.au](http://www.dlti.com.au)

**Delta Drone International is a ASX listed (ASX: DLT)** multi-national drone-based data service and technology solutions provider for the mining, agricultural and engineering industries.

**Services** are aerial surveying and mapping, security and surveillance, and blast monitoring and fragment analysis through a fully-outsourced service with AI and fast data turnaround that allows enterprise customers to focus on operations on the ground while Delta Drone International takes care of everything in the air.

**Revenues** are generated through multi-year recurring revenue contracts and short projects which also have the potential to be recurring. Key customer contracts include with tier 1 and tier 2 miners, South32, Newmont Mining, Red 5, Seriti Coal and Anglo American.

DLT's operations are focused on Australia and Africa with regional offices in Perth, Johannesburg & Accra.
