Dear Mr Stedwell

Spenda Limited ('SPX'): Price Query

ASX refers to the following:

- A. The change in the price of SPX's securities from a low of \$0.013 on 5 January 2023 to an intra-day high of \$0.0185 at the time of writing today.
- B. The significant increase in the volume of SPX's securities traded from 5 January 2023 to 6 January 2023.

Request for information

In light of this, ASX asks SPX to respond separately to each of the following questions and requests for information:

1. Is SPX aware of any information concerning it that has not been announced to the market which, if known by some in the market, could explain the recent trading in its securities?
2. If the answer to question 1 is "yes".
 - (a) Is SPX relying on Listing Rule 3.1A not to announce that information under Listing Rule 3.1? Please note that the recent trading in SPX's securities would suggest to ASX that such information may have ceased to be confidential and therefore SPX may no longer be able to rely on Listing Rule 3.1A. Accordingly, if the answer to this question is "yes", you need to contact us immediately to discuss the situation.
 - (b) Can an announcement be made immediately? Please note, if the answer to this question is "no", you need to contact us immediately to discuss requesting a trading halt (see below).
 - (c) If an announcement cannot be made immediately, why not and when is it expected that an announcement will be made?
3. If the answer to question 1 is "no", is there any other explanation that SPX may have for the recent trading in its securities?
4. Please confirm that SPX is complying with the Listing Rules and, in particular, Listing Rule 3.1.
5. Please confirm that SPX's responses to the questions above have been authorised and approved under its published continuous disclosure policy or otherwise by its board or an officer of SPX with delegated authority from the board to respond to ASX on disclosure matters.
