

Interactive 3D Corporate Presentation

Hot Chili Limited (ASX: HCH) (TSXV: HCH) (OTCQX: HHLKF) ("Hot Chili" or "Company") is pleased to confirm the release of the Company's first 3-dimensional (3D) corporate presentation.

The interactive 3D Corporate Presentation is hosted using the VRIFY Technology Platform integrated with the company's VRIC (Vancouver Resource Investment Conference) Corporate Presentation, recently released on the 24th January.

The 3D Corporate Presentation for Costa Fuego includes project location, topography, resource block models, planned mine designs, and planned infrastructure. Exploration activities such as drilling, surface geochemistry, geophysical surveys, and models of our copper-gold deposits are displayed in an intuitive 3D interface.

The 3D Corporate Presentation can be accessed through Hot Chili's website (www.hotchili.net.au)

The 3D presentation includes exploration results, mineral resources and ore reserves previously released by the Company in its announcement to ASX dated 24 January 2023. The Company confirms that it is not aware of any new information or data that materially affects the information in this announcement. In the case of estimates mineral resources and ore reserves, all material assumptions and technical parameters underpinning the estimates in the relevant announcement continue to apply and have not materially changed.

This announcement is authorised by the Board of Directors for release to ASX and TSX.
