DIRECTORS' REPORT

For the half year ended 31 December 2022

The directors of Maronan Metals Limited (the "Company") submit herewith the financial report for the half-year ended 31 December 2022. In order to comply with the provisions of the Corporations Act 2001, the directors report as follows:

DIRECTORS

The names of the directors of the Company during or since the end of the half-year are as follows. Directors were in office for the entire period unless otherwise stated.

Simon Bird	appointed 23 March 2021
Richard Carlton	appointed 23 March 2021
Robert Rutherford	appointed 14 March 2012

COMPANY SECRETARY

Catriona Glover	appointed 7 December 2022
-----------------	---------------------------

PRINCIPAL ACTIVITIES

The principal activity of the Company during the half year ended 31 December 2022 was the exploration, evaluation and development of lead-silver, copper-gold and other mineral deposits with a view to becoming a miner in the short to medium term. No change in the principal activity occurred during this period.

RESULTS AND REVIEW OF OPERATIONS

The result of the Company for the half-year ended 31 December 2022 was a loss after tax of \$4,539,309 (31 December 2021: loss \$351,390).

During the period the Company commenced its maiden drill program, targeting extensions to high-grade copper-gold and lead-silver intervals. Assays from the first hole were delivered on 19 October 2022. In the five months since drilling began, Maronan Metals have drilled 5,461.9 metres and relogged a further 8,390.7 metres of historic core. Maronan Metals' team has succeeded in identifying a significant bulk copper-gold play, and the possibility of a bulk lead-silver mining opportunity at the Northern Fold structure. There is increased confidence in the potential for high-grade lead-silver horizons nearer to surface at Target 1 and the Company recently completed the first deep test on the lead-silver. Early drill results continue to support the integrity of the current geological model and highlight the remarkable down plunge continuity of the lead-silver and copper zones. For more detailed results, refer to the Company's website and the list of ASX Announcements.

EVENTS SUBSEQUENT TO REPORTING DATE

The Directors are not aware of any matter or circumstance not otherwise dealt with in this Report or in the financial statements that has significantly or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in subsequent financial years.

We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
