

CLEANSPACE HOLDINGS SIGNS US NATIONAL INDUSTRIAL SALES AGENCY CONTRACT

16 February 2023. CleanSpace Holdings Limited (ASX: CSX, “CleanSpace” or the “Company”), an Australian company that designs, manufactures, and sells premium respiratory protection solutions for healthcare and industrial markets, today announces it has secured a national sales agency contract for the United States industrial market sector.

CleanSpace has secured an exclusive national sales agency agreement with LineDrive LLC, which is a solutions-based sales and marketing agency backed by Mauve Capital Partners. With a focus on people safety and facility safety, maintenance and productivity, LineDrive simplifies continuous improvement and helps to ensure compliance by driving unmatched industrial solutions, fact-based insights and measurable results. LineDrive has an extensive sales agent footprint in the US and Canada, and the agreement is for one year with automatic annual renewals. With the previously announced global launch of the best in class industrial respirators, CleanSpace Pro and CleanSpace Ultra with Bluetooth connectivity, and the unique CleanSpace Plus corporate reporting program, the Company now has an innovative premium technology and a first class agency partner to penetrate the US market opportunity.

“We are delighted to work with these well established and highly credentialed LineDrive agents and are looking forward to expanding our business with industrial users to provide premium respiratory protection in the important US market” stated Graham McLean, Interim CEO CleanSpace.

The agreement with LineDrive represents an important milestone in the Company’s industrial sales and distribution strategy. We anticipate that LineDrive will begin to generate revenue during the first half of 2023.

“This agreement, together with those already announced in the US healthcare space, will provide an important platform for CleanSpace’s strategic growth initiatives in the US market for premium respirators” stated Bruce Rathie, Chair of CleanSpace. “We believe that CleanSpace advanced premium solutions for the protection of US industrial workers will deliver material benefits such as staff retention, cost efficiencies and best-practice management of exposure risks.”
