in our people

Highlights

- ▶ **Record performance** with H1 FY23 delivering \$596.7m revenue and \$32.5m normalised EBITDA, marking a growth of +88.9% and +50.5% in comparison to H1 FY22.
- ▶ **Strong organic growth** contribution of +21.3% to revenue and +11.8% to normalised EBITDA.
- ▶ **Performance underpinned by our diverse reach** into high demand and defensive employment sectors, including early learning, food services, infrastructure and healthcare.
- ▶ **Onshoring of international talent** has increased with +3,200 new workers brought to Australia in H1 FY23.
- ▶ **Industry tailwinds continue** with low levels of unemployment (3.7%), projected wage growth (+3.3%) and projected employment growth through to 2026 (+9.1%). The business is well-positioned to continue to deliver solid earnings.
- ▶ 82.6% of our normalised EBITDA, and 106.2% of normalised NPATA, was converted to **operating cashflow**.
- ▶ **Exceptional performance continues from the two new brands** that joined the PeopleiN family in H2 FY22 (EBITDA contribution of \$8.3m in H1 FY23). M&A pipeline remains strong with a focus on establishing a global healthcare network and professional services government contracting. Balance sheet capacity of circa ~\$40m to execute on strategic opportunities in H2 FY23.
- ▶ Strategic Review continues to progress well with the goal of maximising value for shareholders and turbo-charging growth.
- ▶ **Re-affirm FY23 earnings guidance** with normalised EBITDA of \$62m - \$66m based on the continuation of current economic conditions; expect to be at the upper end of guidance.

Normalised EBITDA Bridge H1 FY22 to H1 FY23

Consistent Delivery

Solid Underlying Results

- ▶ \$32.5m Normalised EBITDA, with organic growth contribution up +11.8% on H1 FY22.
- ▶ Acquisitions contributed +\$8.3m in EBITDA.
- ▶ EBITDA margin of ~5.45% compared to industry ~2.5 - 4%¹. Decrease due to change in margin mix.
- ▶ EBITDA margin improvement is expected with growth in Healthcare vertical as a result of the onshoring of international nurses in the second half.

Prudent Capital Management

Debtors days decreased from 33 days in FY22 to 32 days in H1 FY23.

- ▶ The Group balance sheet has strengthened overall by \$15.5m, with net assets of \$157.9m (FY22 \$142.4m). This is reflective of the earnings generated during the year and acquisitions.
- ▶ Utilisation of lending facilities increased with working capital requirements from growth, both organic and the Perigon Group and FIP Group acquisitions.
- ▶ Continued strong cash flow generation supports position to undertake future acquisitions - \$40m in debt funded acquisitions.
- ▶ Industry leading debtor collections driven by sophisticated client vetting and collections process – Group Debtor days of 38 in H1 FY22, reduced to 32 days in H1 FY23, an improvement on FY22 (33 days).
- ▶ Capital expenditure on plant and equipment and intangibles (software) of \$5.4m (H1 FY22: \$1.5m). Increase primarily due to growth-capex associated with Vision employee set-up and one-off capex associated with our continued investment in our systems upgrade program as we move towards becoming a more technology enabled company.

Proven M&A model with a strong pipeline

M&A has delivered strong results

- ▶ Strong track record of acquiring, integrating and growing businesses.
- ▶ Solid performance from Perigon Group and FIP Group, the two brands that joined the PeopleIN family in H2 FY22.
- ▶ EBITDA contribution of \$8.3m in H1 FY23.
- ▶ +20% ahead of FME for the period.
- ▶ Turbo charged growth – Perigon’s entry into healthcare and FIP benefited from access to our larger and more diverse client base.
- ▶ Capacity of ~\$40m to execute on strategic opportunities in H2 FY23.

Healthy pipeline focused on strategic growth

Offshore growth opportunity to establish a global healthcare network with a platform acquisition in the UK

Targeting incremental M&A targets in the UK that support our international healthcare network

Establish international network to recruit and exchange candidates

Leverage automatic recognition of nursing qualifications across countries

Opportunity for this to be supported by recruitment hubs in India and the Philippines

Opportunity to increase exposure to defensive government sector earnings

Targeting M&A opportunities in professional services government contracting

Expansion of domestic government sector services

Outlook Remains Strong

- ▶ **Diversified sector exposure and client base.** Positioned to support key macro growth areas of healthcare, professional services, education and food services.
- ▶ **Low levels of unemployment, wage inflation and employment growth** support earnings growth with the business positioned to continue to capture market share based on our scale and diversity.
- ▶ **Leverage our partnership with TAFE Qld** to bridge the gap between education and employment. Access to connect with TAFE Qld's 125,000 graduates per annum, and alumni network, and the opportunity to facilitate employment by connecting graduates with our +4,200 client base.
- ▶ **International nursing recruitment expected to significantly increase** in H2 FY23, supported by improved visa processing times and our international You+Aus marketing campaign.
- ▶ **Technology permanent recruitment expected to improve** off the back of broad investment in cybersecurity and our increased exposure to government work.
- ▶ **Continue to drive a strong cash and cost discipline** across the group, including leveraging the scale of the business.
- ▶ **M&A pipeline remains strong** – healthcare and community and professional services government contracting. Balance sheet capacity of circa ~\$40m to execute on strategic opportunities in H2 FY23.

Highlights

- ▶ **Record performance** with H1 FY23 delivering \$596.7m revenue and \$32.5m normalised EBITDA, marking a growth of +88.9% and +50.5% in comparison to H1 FY22.
- ▶ **Strong organic growth** contribution of +21.3% to revenue and +11.8% to normalised EBITDA.
- ▶ **Performance underpinned by our diverse reach** into high demand and defensive employment sectors, including early learning, food services, infrastructure and healthcare.
- ▶ **Onshoring of international talent** has increased with +3,200 new workers brought to Australia in H1 FY23.
- ▶ **Industry tailwinds continue** with low levels of unemployment (3.7%), projected wage growth (+3.3%) and projected employment growth through to 2026 (+9.1%). The business is well-positioned to continue to deliver solid earnings.
- ▶ 82.6% of our normalised EBITDA, and 106.2% of normalised NPATA, was converted to **operating cashflow**.
- ▶ **Exceptional performance continues from the two new brands** that joined the PeopleiN family in H2 FY22 (EBITDA contribution of \$8.3m in H1 FY23). M&A pipeline remains strong with a focus on establishing a global healthcare network and professional services government contracting. Balance sheet capacity of circa ~\$40m to execute on strategic opportunities in H2 FY23.
- ▶ Strategic Review continues to progress well with the goal of maximising value for shareholders and turbo-charging growth.
- ▶ **Re-affirm FY23 earnings guidance** with normalised EBITDA of \$62m - \$66m based on the continuation of current economic conditions; expect to be at the upper end of guidance.

Appendices

Business Performance by Vertical

Healthcare & Community

Overview:

Largest workforce of supplementary nurses and personal carers on the Eastern Seaboard of Australia, providing staffing into hospitals and aged care facilities. Also provides talent solutions and supplementary staffing within the Disability and Child Protection sectors across Australia.

Performance:

- ▶ Business is a top 2 provider of health and community recruitment services in Australia.
- ▶ The supply of nurses experienced challenges due to international border closures and whilst borders opened-up, long visa processing times impacted arrivals and people in work.
- ▶ >15,000 hours of unfilled work per week being experienced on behalf of our clients.
- ▶ Improvement in quarterly billed hours, with Q2 up +13% on Q1. Reflective of improved visa processing times.
- ▶ Continued demand for specialist services in sectors such as mental health and aged care.
- ▶ The University of Wollongong secured as a new client, with NNA supplying RN facilitators. Extended contract terms with other major clients including the Queensland Health.
- ▶ A continued focus on our rural and regional nursing business has seen a +52% increase in billed hours on H2 FY22 (+125% increase on H1 FY22).
- ▶ Increase in employee headcount to support growth.

Outlook:

- ▶ Launched You+Aus international recruitment brand to attract and secure nurses and carers. Includes recruitment from the UK, as well as building on our PALM capability to supply to our clients in the aged care and community sectors.
- ▶ Continued strong demand from clients.
- ▶ Extend rural and remote offering into NT, through our new contract with the NT Government.
- ▶ Payroll and invoicing system implementation to streamline customer and candidate experience.

Billed Hours

Billed Hours – Quarterly Performance

Professional Services

Overview:

Leader in Professional Services recruitment focusing on technology, accounting, finance, business services support and IT advisory.

Performance:

- ▶ Halcyon Knights is one of the largest providers of IT recruitment services in Australia. Blue-chip client base; limited client turnover and new client attraction continues.
- ▶ Since launching, its Government Specialist Division the business has secured work with state government and local government councils across three states in Australia. Strong demand continues in Singapore, from vendor and end user clients (i.e. Standard Chartered).
- ▶ Despite headwinds in the vendor sector, Halcyon Knights is well buffered by its end-user client base and increasing contract revenue.
- ▶ Project Partners has continued to grow by leveraging its stable, long-term client base and repeat business. New client growth with additional blue-chip clients added to the portfolio.
- ▶ Perigon Group continues to deliver record earnings and grown its contractor book by 20% in the period H2 FY22 to H1 FY23. The business has also expanded its services into the Healthcare sector.

Outlook:

- ▶ Technology permanent recruitment expected to improve off the back of broad investment in cybersecurity and our increased exposure to government work.
- ▶ Professional services talent remains in high demand with ongoing client investment in digital transformation projects and finance support; recent cutbacks freeing up technical capability that continues to be highly sought after.
- ▶ Underlying industry continues to grow and innovate with the professional services sector projected to grow by +206,000 roles to 2026.
- ▶ Leverage our multi-brand competitive advantage and existing client goodwill to grow into new sectors.

Industrial & Specialist Services

Overview:

Leader in providing general staffing services to small and medium-sized business across Australia in a wide range of sectors including industrial, food services, childcare and hospitality. Also provides specialist services such as asset management and contract planting.

Performance:

- ▶ +103% growth in billed hours from H2 FY22 to H1 FY23 (this includes +9% organic growth in hours).
- ▶ Geographic expansion of Techforce's facility maintenance services, establishing an east coast presence, and ExpectaStar's entry into WA. Labour shortages in hospitality continued to drive growth in Tribe. Vision Surveys increased services to the renewables sector with projects in Qld and NSW across wind, solar and hydrogen.
- ▶ Largest client offerings are food services, mining (copper and zinc) and local government.
- ▶ +39% organic growth in the Blue Collar Executive permanent and contracting recruitment business delivered by leveraging existing client base.
- ▶ +1,080 placements¹ of first nations candidates through our partnership with Partners on Country to clients in the mining and government infrastructure sectors.
- ▶ +153% increase in trainees and apprentices employed.
- ▶ FIP Group, volume-based at scale long-term labour supplier to clients. Record hours (~5.2m billed hours). Diversified supply beyond the PALM Scheme and services into forestry and engineering sectors, in addition to the defensive food services sector.

Outlook:

- ▶ Continued strong demand from clients, no margin pressure.
- ▶ Onshoring international talent through the PALM and other migration schemes.
- ▶ Leverage our diverse client base and geographic presence to connect TAFE Qld graduates with employment.
- ▶ Continue to cement growth in Blue Collar Executive and geographic expansion of Techforce and ExpectaStar.

Accordingly, the actual calculation of these figures may differ from the figures set out in this presentation. Unless otherwise noted financial information in this presentation is based on A-IFRS. PeopleIN uses certain measures to manage and report on its business that are not recognised under Australian Accounting Standards or IFRS. These measures are collectively referred to in this presentation as 'non-IFRS financial measures' under Regulatory Guide 230 'Disclosing non-IFRS financial information' published by ASIC. Management uses these non IFRS financial measures to evaluate the performance and profitability of the overall business and PeopleIN believes that they are useful for investors to understand PeopleIN's financial condition and results of operations. The principal non-IFRS financial measures that are referred to in the presentation are EBITDA and EBITDA margin. Management uses normalised EBITDA to evaluate the operating performance of the business, without the impact of non recurring items and the non-cash impact of depreciation and amortisation and interest and tax charges, which are significantly impacted by the historical capital structure and historical tax position of PeopleIN. However, PeopleIN believes that it should not be considered in isolation or as an alternative to net operating cash flow. Other non-IFRS financial measures used in the presentation include EBIT, NPATA, operating cash flow and net debt. Unless otherwise specified those non-IFRS financial measures have not been subject to audit or review in accordance with Australian Accounting Standards.

Forward-looking statements are statements about matters that are not historical facts. Forward-looking statements appear in a number of places in this presentation and include statements regarding PeopleIN's intent, belief or current expectations with respect to business and operations, market conditions, results of operations and financial condition, including, without limitation, future loan loss provisions, financial support to certain borrowers, indicative divers, forecasted economic indicators and performance metric outcomes.
