Review of operations

Operations Report

Sales revenue for the half year was \$1,208,958 (2021: \$1,358,261) a 11% decrease year on year.

Indonesia revenues are continuing to grow steadily with the major contributor being nutritional supplement BK18. The outlook for Col-Coffee™ is promising with increasing demand in Malaysia. The Company has received two additional orders (approximately \$300,000 each) for its ColosNZ Pro Colostrum wellness product for Asia, to be delivered in H2 FY2023.

During the half year the Company announced the sale of a 49% interest in the Direct Selling Group of Companies (ASX Announcement 24 October 2022). The consideration included \$1 million in cash, which profit on sale is reflected in other comprehensive income. The disposal was made effective from 1 July 2022.

The unaudited result for the half year before taking the minority interest into account, is a profit of \$23,221 (HY2022: Profit \$4,562). This result is after making an impairment of \$148,375 (HY 2022 \$99,540) for short life dated inventory. The Company's business model going forward is to produce to order which should negate the inventory write downs experienced in the last two years, largely brought about by COVID-19.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Bioxyne Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Bioxyne Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Bioxyne Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors those charged with governance determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2022 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
