EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders and holders of CDIs in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – APPROVAL TO ISSUE OPTIONS TO SIX DEGREES OR ITS NOMINEES

1.1 General

The Company is proposing to issue 15,800,000 Options (on a pre-Consolidation basis) exercisable at \$0.005 each on or before the date that is five (5) years from the date of issue (**Six Degrees Options**) as partial consideration for investor relations and communication services provided by Six Degrees during the period from 2 November 2021 to 5 October 2022.

On 25 May 2020, the Company entered into a service agreement with Six Degrees, pursuant to which Six Degrees and InvestorStream Media Pty Ltd provide the Company with investor relations and communications services (**Six Degrees Agreement**).

The material terms of the Six Degrees Agreement are as set out below:

Term	The Six Degrees Agreement commenced on 25 May 2020 and does not have an end date.
Fees	<p>As consideration for providing the services the Company will issue ROO CDIs on a quarterly basis after the work has been undertaken.</p> <p>Fees payable each month (on average A\$3,000 plus social media spend of approximately \$750.00 per month) are converted into ROO CDIs which are to be issued to Six Degrees no more than one week after the end of the relevant quarter.</p> <p>CDIs issued to Six Degrees for services provided will be issued at a 15% discount to the 90-day volume weighted average price calculated based on the average share price of the Company during the quarter (Deemed Issue Price). If the value of the CDIs based on the Deemed Issue Price and the 15% discount is lower than A\$11,250 per quarter, the Company and Six Degrees will negotiate an equitable number of CDIs to be issued as compensation.</p> <p>The Company must reimburse Six Degrees for any out-of-pocket expenses such as travel, printing, video editing and third-party supplier expenses in cash. Such expenses require the Company's approval prior to incurring them.</p>
Sale restrictions	<p>Six Degrees is restricted from selling CDIs when in possession of sensitive financial information.</p> <p>Six Degrees is restricted to selling a maximum of 1.5 months of accrued fees in any one month unless written approval is provided by the Company.</p>
Termination	If the Company terminates the Six Degrees Agreement, Six Degrees has the right to sell their CDIs in the Company and any

accrued invoices will be payable through the immediate issue of CDIs.

The Company and Six Degrees agreed that the fees payable pursuant to the Six Degrees Agreement for the period starting 2 November 2021 to 5 October 2022 were to be paid by way of the issue of 15,800,000 CDIs (on a pre-Consolidation basis), and subject to the receipt of shareholder approval, the issue of 15,800,000 free attaching Options (on a pre-Consolidation basis).

The Company issued 15,800,000 CDIs (on a pre-Consolidation basis) to Six Degrees on 26 October 2022.

Resolution 1 seeks Shareholder approval for the issue of the 15,800,000 free attaching Six Degrees Options.

Broadly speaking, and subject to a number of exceptions Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Six Degrees Options does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

1.2 Technical information required by Listing Rule 14.1A

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Six Degrees Options. In addition, the issue of the Six Degrees Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 1 is not passed, the Company will not be able to proceed with the issue of the Six Degrees Options and the Company may be required negotiate an alternative arrangement with Six Degrees regarding the payment of fees for this period.

Resolution 1 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Six Degrees Options.

1.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 1:

- (a) the Six Degrees Options will be issued to Six Degrees or its nominees;
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Six Degrees Options to be issued is 15,800,000 (on a pre-Consolidation basis).

- For personal use only
- (d) The terms and conditions of the Six Degrees Options are set out in Schedule 1;
 - (e) the Six Degrees Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Six Degrees Options will occur on the same date;
 - (f) the Six Degrees Options will be issued at a nil issue price, in consideration for amounts owing to Six Degrees pursuant to the Six Degrees Agreement. The Company will not receive any other consideration for the issue of the Six Degrees Options (other than in respect of funds received on exercise of the Six Degrees Options);
 - (g) the purpose of the issue of the Six Degrees Options is to satisfy the Company's obligations under the Six Degrees Agreement;
 - (h) the Six Degrees Options are not being issued under an agreement. The Six Degrees Options are being issued to satisfy the Company's obligations under the Six Degrees Agreement. A summary of the material terms of the Six Degrees Agreement is set out in Section 1.1; and
 - (i) the Six Degrees Options are not being issued under, or to fund, a reverse takeover.

2. RESOLUTION 2 – APPROVAL TO ISSUE OPTIONS (PLACEMENT)

2.1 General

As announced on 21 October 2022, the Company received firm commitments to raise approximately \$650,000 (before expenses) by way of a placement (**Placement**) to professional and sophisticated investors (**Placement Participants**) of 216,666,667 CDIs (on a pre-Consolidation basis) at an issue price of \$0.003 per CDI (**Placement CDIs**), together with one (1) free attaching Option exercisable at \$0.005 each on or before the date that is five (5) years from the date of issue, for every one (1) Placement CDI subscribed for and issued (**Placement Options**).

Adam Blumenthal wishes to participate in the Placement to an amount of \$200,000, for a total of 66,666,667 Placement CDIs and 66,666,667 Placement Options, on the same terms as unrelated participants subject to Shareholder approval. This amount was included in the total Placement amount of \$650,000 announced on 21 October 2022. The Company intends to prepare a notice of meeting (**NOM**) seeking the required Shareholder approval for Mr Blumenthal's participation in the Placement, as well as other related party approvals, as soon as practicable, and expects to dispatch this NOM on or around 20 March 2023. The notice period under Israeli law for the NOM will be 35 days and accordingly, the general meeting is expected to be held on or around 24 April 2023.

The Placement CDIs (other than those proposed to be issued to Director, Adam Blumenthal) were issued on 26 October 2022.

Resolution 2 seeks Shareholder approval for the issue of 150,000,000 Placement Options (on a pre-Consolidation basis) to the Placement Participants, on the basis of one (1) Placement Option for every one (1) Placement CDI subscribed for and issued under the Placement.

On 18 October 2022, the Company entered into a fee agreement with EverBlu (**EverBlu Mandate**). Pursuant to the EverBlu Mandate, the Company engaged

EverBlu to act as the Company's Lead Manager in connection with the Placement.

In accordance with the EverBlu Mandate, the Company agreed to pay EverBlu a lead manager fee of 6% of the total funds raised and issue EverBlu 10,000,000 CDIs (on a pre-Consolidation basis) (**Broker CDIs**) and 216,666,667 Options (on a pre-Consolidation basis) (being one (1) Option for every one (1) CDI issued under the Placement) (**Broker Options**). The Broker Options will be issued on the same terms and conditions as the Placement Options. The Company intends to seek shareholder approval for the issue of the Broker CDIs and Broker Options at a future General Meeting.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of Placement Options under the Placement does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

2.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Placement Options. In addition, the issue of Placement Options will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Placement Options and the Company may be required negotiate an alternative arrangement with EverBlu.

Resolution 2 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Placement Options.

2.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution :

- (a) the Placement Options will be issued to the Placement Participants who are professional and sophisticated investors clients of EverBlu. The recipients were identified through a bookbuild process, which involved EverBlu seeking expressions of interest to participate in the capital raising from non-related parties of the Company (other than Adam Blumenthal);
- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients are:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Placement Options to be issued is 150,000,000 (on a pre Consolidation basis);

- (d) the terms and conditions of the Placement Options are set out in Schedule 2;
- (e) the Placement Options will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Placement Options will occur on the same date;
- (f) the issue price of the Placement Options will be nil as they will be issued free attaching with the Placement CDIs on the basis of one (1) Placement Option for every one (1) Placement CDI subscribed for and issued. The Company will not receive any other consideration for the issue of the Placement Options (other than in respect of funds received on exercise of the Placement Options);
- (g) the purpose of the issue of the Placement Options is to meet the Company's obligations to Placement Participants under the Placement. The Purpose of the Placement was to raise capital, which the Company intends to apply towards sales and marketing activity (local and international), operating expenses including employee salaries, patent maintenance and registering new IP, experimental greenhouse maintenance and pilots, plastic mouldings in Israel, paying out existing debts and working capital;
- (h) the Placement Options are not being issued under an agreement; and
- (i) the Placement Options are not being issued under, or to fund, a reverse takeover.

3. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

3.1 General

On 26 October 2022, the Company issued 150,000,000 CDIs (on a pre-Consolidation basis) at an issue price of \$0.003 per CDI to raise \$450,000 (**Placement CDIs**).

The Placement CDIs were issued using the Company's Listing Rule 7.1 placement capacity.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 4 October 2022.

The issue of the Placement CDIs does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement CDIs.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement CDIs.

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement CDIs.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the Placement CDIs will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement CDIs.

If Resolution 3 is not passed, the Placement CDIs will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement CDIs.

3.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) the Placement CDIs were issued to professional and sophisticated investors who are clients of EverBlu. The recipients were identified through a bookbuild process, which involved EverBlu seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 150,000,000 Placement CDIs (on a pre-Consolidation basis) were issued on the same terms and conditions as the Company's existing CDIs. A summary of the terms and conditions of the Company's existing CDIs is set out in section 4.1 of the Company's Entitlement Issue Prospectus announced on 25 November 2022 (which is available on the Company's ASX announcements platform (ASX: ROO));
- (d) the Placement CDIs were issued on 26 October 2022;

- (e) the issue price was \$0.003 per Placement CDIs. The Company has not and will not receive any other consideration for the issue of the Placement CDIs;
- (f) the purpose of the issue of the Placement CDIs was to raise \$450,000, which was applied as set out in Section 2.3(g); and
- (g) the Placement CDIs were not issued under an agreement.

4. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF CDIS (PLACEMENT)

4.1 General

On 26 October 2022, the Company issued 15,800,000 CDIs (on a pre-Consolidation basis) to Six Degrees in consideration for amounts owing to Six Degrees pursuant to the Six Degrees Agreement.

3,800,000 of these CDIs were issued using the Company's Listing Rule 7.1 placement capacity (**Six Degrees CDIs**).

Resolution 4 seeks Shareholder approval for the ratification of the Six Degrees CDIs.

Further details in respect of the key terms of the Six Degrees Agreement are set out in Section 1.1.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 4 October 2022.

The issue of the Six Degrees CDIs does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Six Degrees CDIs.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Six Degrees CDIs.

Resolution 4 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Six Degrees CDIs.

4.2 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Six Degrees CDIs will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Six Degrees CDIs.

If Resolution 4 is not passed, the Six Degrees CDIs will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Six Degrees CDIs.

4.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 4:

- (a) the Six Degrees CDIs were issued to Six Degrees;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;

5. RESOLUTION 5 AND 6 – RATIFICATION OF PRIOR ISSUE OF CDIS TO LENDERS

5.1 General

On 18 November 2022, the Company issued 112,700,000 CDIs (on a pre-Consolidation basis) as partial repayment of various short-term loans (**Loan CDIs**).

The Loan CDIs were issued under the Company's Listing Rule 7.1 placement capacity.

The Loan CDIs were issued to the following lenders of the short-term loans:

- (a) 32,700,000 CDIs (on a pre-Consolidation basis) to Glaciereglow Pty Ltd (ACN 090 061 297) (**Glacier**); and
- (b) 80,000,000 CDIs (on a pre-Consolidation basis) to RAH (STC) Pty Ltd (ACN 078 969 276) (**RAH**).

RAH who has loaned the Company an aggregate amount of \$240,000 agreed as partial repayment of its loan, to convert \$134,882 of the outstanding amount owing to 80,000,000 CDIs (on a pre-Consolidation basis).

Glacier who has loaned the Company \$125,000 agreed as partial repayment of the loan, to convert \$61,630 of the outstanding amount to 32,700,000 CDIs (on a pre-Consolidation basis).

Further details in respect of the key terms and conditions of each loan agreement and the variation of the loan agreements are set out in Schedule 2.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 4 October 2022.

The issue of the Loan CDIs does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Loan CDIs.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Loan CDIs.

Resolution 5 and Resolution 6 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Loan CDIs.

5.2 Technical information required by Listing Rule 14.1A

If Resolution 5 and Resolution 6 are passed, the Loan CDIs will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A,

effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Loan CDIs.

If Resolution 5 and Resolution 6 are not passed, the Loan CDIs will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Loan CDIs.

5.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 5 and Resolution 6:

- (a) the Loan CDIs were issued to the following recipients:
 - (i) 32,700,000 Loan CDIs (on a pre-Consolidation basis) were issued to Glacier; and
 - (ii) 80,000,000 Loan CDIs (on a pre-Consolidation basis) were issued to RAH;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 112,700,000 Loan CDIs (on a pre-Consolidation basis) were issued on the same terms and conditions as the Company's existing CDIs. A summary of the terms and conditions of the Company's existing CDIs is set out in section 4.1 of the Company's Entitlement Issue Prospectus announced on 25 November 2022 (which is available on the Company's ASX announcements platform (ASX: ROO));
- (d) the Loan CDIs were issued on 18 November 2022;
- (e) the Loan CDIs were issued at a nil price, as partial repayment of amounts owing to Glacier and RAH pursuant to the loan agreements. The Company has not and will not receive any other consideration for the issue of the Loan CDIs;
- (f) the purpose of the issue of the Loan CDIs was to partially repay the outstanding amounts under the loan agreements with Glacier and RAH; and
- (g) the Loan CDIs were issued to:
 - (i) Glacier under a loan agreement between the Company and Glacier; and
 - (ii) RAH under a loan agreement between the Company and RAH.

- (h) A summary of the material terms of each loan agreement (as varied) is set out in Schedule 2.

6. RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF CDIS TO GIL ATIA

6.1 General

On 23 December 2022, the Company issued 6,521,739 CDIs (on a pre-Consolidation basis) in consideration for services provided by Gil Atia in the role of installation manager for the Company (**Installation Manager CDIs**).

The Installation Manager CDIs were issued under the Company's Listing Rule 7.1 placement capacity.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 4 October 2022.

The issue of the Installation Manager CDIs does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Installation Manager CDIs.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Installation Manager CDIs.

Resolution 7 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Installation Manager CDIs.

6.2 Technical information required by Listing Rule 14.1A

If Resolution 7 is passed, the Installation Manager CDIs will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Installation Manager CDIs.

If Resolution 7 is not passed, the Installation Manager CDIs will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Installation Manager CDIs.

6.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 7:

- (a) the Installation Manager CDIs were issued to Gil Atia;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 6,521,739 Installation Manager CDIs (on a pre-Consolidation basis) were issued on the same terms and conditions as the Company's existing CDIs. A summary of the terms and conditions of the Company's existing CDIs is set out in section 4.1 of the Company's Entitlement Issue Prospectus announced on 25 November 2022 (which is available on the Company's ASX announcements platform (ASX: ROO));
- (d) the Installation Manager CDIs were issued on 21 December 2022;
- (e) the Installation Manager CDIs were issued at a nil issue price, in lieu of cash consideration to be paid for services provided by Gil Atia in the role of installation manager for the Company. The Company has not and will not receive any other consideration for the issue of the Installation Manager CDIs;
- (f) the purpose of the issue of the Installation Manager CDIs was to satisfy the Company's obligations in relation to the payment for services provided by Gil Atia in the role of installation manager for the Company; and
- (g) the Installation Manager CDIs were not issued under an agreement.

7. RESOLUTION 8 – RATIFICATION OF PRIOR ISSUE OF CDIS TO DORON ESHEL

7.1 General

On 23 December 2022, the Company issued 4,565,217 CDIs (on a pre-Consolidation basis) in consideration for the services provided by Doron Eshel in the role of Israel sales manager for the Company (**Israel Sales Manager CDIs**).

The Israel Sales Manager CDIs were issued under the Company's Listing Rule 7.1 placement capacity.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 4 October 2022.

The issue of the Israel Sales Manager CDIs does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Israel Sales Manager CDIs.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Israel Sales Manager CDIs.

Resolution 8 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Israel Sales Manager CDIs.

7.2 Technical information required by Listing Rule 14.1A

If Resolution 8 is passed, the Israel Sales Manager CDIs will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Israel Sales Manager CDIs.

If Resolution 8 is not passed, the Israel Sales Manager CDIs will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Israel Sales Manager CDIs.

7.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 8:

- (a) the Israel Sales Manager CDIs were issued to Doron Eshel;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) 4,565,217 Israel Sales Manager CDIs (on a pre-Consolidation basis) were issued on the same terms and conditions as the Company's existing CDIs. A summary of the terms and conditions of the Company's existing CDIs is set out in section 4.1 of the Company's Entitlement Issue Prospectus

announced on 25 November 2022 (which is available on the Company's ASX announcements platform (ASX: ROO));

- (d) the Israel Sales Manager CDIs were issued on 21 December 2022;
- (e) the Israel Sales Manager CDIs were issued at a nil issue price, in lieu of cash consideration to be paid for the services provided by Doron Eshel in the role of Israel sales manager for the Company. The Company has not and will not receive any other consideration for the issue of the Israel Sales Manager CDIs;
- (f) the purpose of the issue of the Israel Sales Manager CDIs was to satisfy the Company's obligations in relation to the payment for services provided by Doron Eshel in the role of Israel sales manager for the Company; and
- (g) the Israel Sales Manager CDIs were not issued under an agreement.

9. RESOLUTION 10 – APPROVAL TO ISSUE CDIS

9.1 General

The Company is proposing to issue up to that number of CDIs (on a post-Consolidation basis), when multiplied by the issue price, will raise up to \$1,800,000 (**Future Placement CDIs**).

The Company proposes to engage the services of Everblu Capital Pty Ltd (**Everblu**) (ACN 612 793 683) (AFSL 499 601), to manage the issue of the Future Placement CDIs. The Company will pay Everblu a fee of 6% (exclusive GST) on the amount raised under the issue of the Future Placement CDIs.

As summarised in Section 1.1 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period. The proposed issue of the Future Placement CDIs does not fall within any of these exceptions and may exceed the 15% limit in Listing Rule 7.1. Accordingly, the Company is seeking Shareholder approval under Listing Rule 7.1 for the issue of the Future Placement CDIs.

9.2 Technical information required by Listing Rule 14.1A

The issue of the Future Placement CDIs does not fall within any of the exceptions set out in Listing Rule 7.2 and whilst the number of Future Placement CDIs may not exceed the 15% limit in Listing Rule 7.1, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval under Listing Rule 7.1. To do this, the Company is asking Shareholders to approve the issue of the Future Placement CDIs under Listing Rule 7.1 so that it does not use up any of the 15% limit on issue equity securities without Shareholder approval set out in Listing Rule 7.1.

If Resolution 10 is passed, the Company will be able to proceed with the issue of the Future Placement CDIs. In addition, the issue of the Future Placement CDIs will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 10 is not passed, the Company may not be able to proceed with the issue of the Future Placement CDIs and will be restricted to issuing that number of CDIs capable of being issued under its Listing Rule 7.1 or Listing Rule 7.1A placement capacity when it resolves to proceed with a placement.

Resolution 10 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Future Placement CDIs.

9.3 Technical information required by Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 10:

- (a) the Future Placement CDIs will be issued to professional and sophisticated investors who are clients of Everblu, or professional and sophisticated investors identified by the Board. The recipients will be identified through a bookbuild process, which will involve Everblu seeking expressions of interest to participate in the capital raising from non-related parties of the Company. In addition, part or all of the Future Placement CDIs may be issued to professional and sophisticated investors who will be identified by the Board. The recipients will be identified through a process whereby the

Board seeks expressions of interest to participate in the capital raising from select investors, provided they satisfy the regulatory requirements to participate in a private placement;

- (b) in accordance with paragraph 7.2 of ASX Guidance Note 21, the Company confirms that none of the recipients will be:
- (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
- (c) the maximum number of Future Placement CDIs (on a post-Consolidation basis) to be issued is up to that number of CDIs which, when multiplied by the issue price, equals \$1,800,000. The Future Placement CDIs will be issued on the same terms and conditions as the Company's existing CDIs. A summary of the terms and conditions of the Company's existing CDIs is set out in section 4.1 of the Company's Entitlement Issue Prospectus announced on 25 November 2022 (which is available on the Company's ASX announcements platform (ASX: ROO));
- (d) the Future Placement CDIs will be issued no later than 3 months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Future Placement CDIs will occur on the same date;
- (e) the issue price of the Future Placement CDIs will be equal to 75% of the 5 Day VWAP calculated over the 5 days on which sales in the CDIs are recorded prior to the date on which the agreement to issue is made or the date of issue of the Future Placement CDIs. The Company will not receive any other consideration for the issue of the Future Placement CDIs;
- (f) the purpose of the issue of the Future Placement CDIs is to raise \$1,800,000. The Company intends to apply the funds raised from the issue towards payout of existing debt and loans, local and international sales and marketing activity, operating expenses, legal and administrative costs, broker fees and working capital;
- (g) the Future Placement CDIs are not being issued under an agreement; and
- (h) the Future Placement CDIs are not being issued under, or to fund, a reverse takeover.

9.4 Dilution

Set out below is a worked example of the number of Future Placement CDIs that may be issued under Resolution 10 (on a post-Consolidation basis) based on an assumed issue prices of \$0.006, \$0.012 and \$0.018 per Future Placement CDIs, being the volume weighted average price for CDIs on the 5 days on which sales in CDIs were recorded before 15 February 2023, and the volume weighted prices which are 50% higher and 50% lower than that price.

Assumed issue price	Maximum number of Future Placement CDIs which may be issued ¹	Current CDIs on issue as at the date of this Notice ²	Increase in the number of CDIs on issue assuming the Company issued the maximum amount pursuant to Resolution 10 ³	Dilution effect on existing Shareholders
\$0.006	300,000,000	86,601,637	386,601,637	78%
\$0.012	150,000,000	86,601,637	236,601,637	64%
\$0.018	100,000,000	86,601,637	186,601,637	54%

Notes:

1. Rounded to the nearest whole number.
2. There are currently 1,039,219,644 CDIs on issue (on a pre-consolidation basis) as at the date of this Notice and this table assumes no Options are exercised, no Performance Rights are converted or additional CDIs issued, other than the maximum number of CDIs which may be issued pursuant to Resolution 10 (based on the assumed issue prices set out in the table). This figures in the table above are based on a post-Consolidation issued capital figure of 86,601,637 CDIs.
3. The Company notes that the above workings are an example only and the actual issue price may differ. This will result in the maximum number of CDIs to be issued and the dilution percentage to also differ.
