SANDFIRE WEBCAST

Important Information and Disclaimer

This presentation has been prepared by Sandfire Resources Ltd (**Sandfire** or **the Company**) and contains information about Sandfire current at the date of this presentation. The presentation is in summary form, has not been independently verified and does not purport to be all inclusive or complete. The Company is not responsible for providing updated information and assumes no responsibility to do so. Recipients should conduct their own investigations and perform their own analysis in order to satisfy themselves as to the accuracy and completeness of the information, statements and opinions contained in this presentation.

This presentation is for information purposes only. Neither this presentation nor the information contained in it constitutes an offer, invitation, solicitation or recommendation in relation to the purchase or sale of shares in any jurisdiction and may not be distributed in any jurisdiction except in accordance with the legal requirements applicable in such jurisdiction. Recipients should inform themselves of the restrictions that apply in their own jurisdiction. A failure to do so may result in a violation of securities laws in such jurisdiction.

This presentation does not constitute investment advice and has been prepared without taking into account the recipient's investment objectives, financial circumstances or particular needs and the opinions and recommendations in this presentation are not intended to represent recommendations of particular investments to particular persons. Recipients should seek professional advice when deciding if an investment is appropriate. All securities transactions involve risks, which include (among others) the risk of adverse or unanticipated market, financial or political developments.

To the fullest extent permitted by law, Sandfire, its related bodies corporate, and each of their officers, employees, agents and advisers expressly disclaim, to the maximum extent permitted by law, all liabilities (however caused, including negligence) in respect of, make no representation or warranty, express or implied, as to the currency, accuracy, reliability or completeness of any information, statements, opinions, estimates, forecasts or other representations contained in this presentation. No responsibility for any errors or omissions from this presentation arising out of negligence or otherwise is accepted.

Certain statistical and other information included in this presentation is sourced from publicly available third party sources and has not been independently verified.

This presentation should be read in conjunction with the Company's ASX other announcements available on our website at www.sandfire.com.au.

This presentation is authorised for market release by Sandfire's Acting CEO, Mr Jason Grace, and the Board of Directors.

Key assumptions

The following assumptions apply to information in this presentation unless otherwise stated.

Currency: unless otherwise stated, all figures are in USD.

Figures, amounts, percentages, estimates, calculations of value and other factors used in this presentation are subject to the effect of rounding.

Forward-Looking Statements

This presentation may include forward-looking statements regarding Sandfire's Mineral Resources and Reserves, exploration and project development, operations, production rates, life of mine, projected cash flow, capital expenditure, operating costs and other economic performance and financial condition as well as general market outlook. Although Sandfire believes that the expectations reflected in such forward-looking statements are reasonable, such expectations are only predictions and are subject to inherent risks and uncertainties which could cause actual values, results, performance or achievements to differ materially from those expressed, implied or projected in any forward looking statements and no assurance can be given that such expectations will prove to have been correct.

Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, delays or changes in project development, success of business and operating initiatives, changes in the regulatory environment and other government actions, fluctuations in metals prices and exchange rates and business and operational risk management.

Except for statutory liability which cannot be excluded, each of Sandfire, its officers, employees and advisors expressly disclaim any responsibility for the accuracy or completeness of the material contained in these forward-looking statements and excludes all liability whatsoever (including in negligence) for any loss or damage which may be suffered by any person as a consequence of any information in forward-looking statements or any error or omission. Sandfire undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events other than required by the Corporations Act and ASX Listing Rules. Accordingly, you should not place undue reliance on any forward-looking statement.

Our Values

Honesty

Respect

Collaboration

Accountability

Performance

Where we operate

Scale

One of the largest copper-focused miners on the ASX

Future-facing

Producing copper, a critical metal for a low-carbon future

Growth

Pivoting to new long-life mines in Spain, Botswana and USA

Exploration

Four world-class mineral provinces

Rising production

Copper and zinc growth

Combined MATSA (4.7Mtpa) and Motheo (5.2Mtpa DFS) operating scale¹ producing:

~110-120ktpa contained copper

~80-100ktpa contained zinc

HY2023

Group Production

1H FY2023
Production:

48,088t Copper

39,290t Zinc

4,398t Lead

12,777oz Gold

1.3Moz Silver

Contained metal

FY2023
Guidance:

83-91kt Copper

78-83kt Zinc

6-10kt Lead

12-14koz Gold

2.2-3.2Moz Silver

Contained metal

Processing of surface stockpiles at DeGrussa from mid-February 2023 is dependent on ongoing assessment of technical risk and economic viability (not included in production guidance above). Refer to Sandfire's December 2022 Quarterly Presentation released on 24 January 2023 for details.

Development of the Motheo Copper Mine is proceeding on time with first production scheduled from early in the June Quarter of FY2023:

- Construction activities nearing completion
- Commissioning ore on ROM Pad
- Commissioning of the Primary Crusher and Stockpile Feed Conveyor commenced
- First concentrate scheduled for early in the June Quarter of FY2023

Global opportunities for near-mine extensions and new discoveries

Across world-class, under-explored copper belts

HY2023

EBITDA Contribution

In US\$M

1. MATSA and Degruessa segment EBITDA is presented in the Notes to the Half-Year Financial Report net of Exploration & evaluation expense of \$3.1M and Impairment expense of \$2.2M.
2. Impairment expense relates to exploration and evaluation tenement licences relinquished.

HY2023

NPAT to Operations EBITDA

In US\$M

1. Net finance costs include interest charges of \$23.6M and net foreign exchange losses of \$8.7M.

HY2023

Group Cash Flow Waterfall

In US\$M

1. DeGrussa and MATSA cash flows from operating activities exclude exploration and income tax.
2. Capital expenditure includes Motheo construction and development of \$114.2M and MATSA capex of \$44.4M.
3. Income tax includes \$30.1M relating to FY22 tax period.
4. Other includes \$16.1M of DeGrussa wind-down expenditure.

HY2023

Debt facilities and hedging

MATSA Facility

- \$452M outstanding following \$80M repayment made on 31 January 2023

Corporate Facility

- \$33.4M (A\$50.0M) repaid on 30 December 2022

Motheo Facility

- \$140M T3 Project Finance Facility based on 3.2Mtpa base case development
- First \$55M drawdown completed in October 2022, second \$55M drawdown completed in December 2022
- Progression of the 5.2Mtpa Expansion with mining of the satellite A4 Deposit, including combined target \$180M-\$200M development and working capital facilities

Hedge Book

- Copper – FY2023 remaining: 33,028t at US\$8,715/t
- Zinc – FY2023 remaining: 22,935t at US\$3,008/t

Includes QP hedging relating to December 2022 MATSA sales entered in January 2023.

HY2023

Balance sheet transition

Capital management focus

- Focus on period of transformative growth
- No interim dividend declared
- \$140M Motheo Project Financing Facility with Nedbank and Société Générale in place to support the current 3.2Mtpa development.
- First two tranches totalling \$110M have been drawn down with the balance expected to be drawn in the second half of the 2023 financial year
- Additional \$40M - \$60M for the 5.2Mtpa Motheo Expansion Project, including mining of the satellite A4 Deposit, currently being negotiated
- MATSA debt reduced on schedule by \$198M to \$452M as at 31 January 2023 - opportunity to re-sculpt future repayment schedule
- \$16M DeGrussa wind down expenditure and \$30M in income tax payments related to FY2022 paid during the period
- A\$200M Corporate debt facility fully repaid
- Capital position to support Ore Reserve growth, exploration and development programs

Motheo Copper Project

Motheo Copper Mine

- T3 Deposit Development
- A4 Deposit Expansion Project

Exploration

- Motheo Expansion Project
- Kalahari Copper Belt tenure

Motheo Copper Project

Building a world-class copper mine

Development of the Motheo Copper Mine is proceeding on time with first production scheduled from early in the June Quarter of FY2023

- Construction activities nearing completion with over 1,700 personnel currently on site
- Commissioning ore on ROM pad
- Commissioning of the Primary crusher and Stockpile Feed commenced
- First concentrate scheduled for early in the June Quarter of FY2023

Development of the 5.2Mtpa Motheo Expansion underway

- ESIA submitted to the Botswana Department of Environmental Affairs
- Ball Mill delivered to site late in late December 2022
- Engineering Design for the 5.2Mtpa expansion works 90% completed
- Ball Mill Civil Contract awarded, and work commenced in January 2023

Sandfire is funding the development of the Motheo Copper Mine through a combination of cash and project debt

- \$140M Project Finance Facility executed with Société Générale and Nedbank
- Facility based on initial 3.2Mtpa development, with integration of the 5.2Mtpa Motheo Expansion Case DFS scheduled following grant of the A4 Deposit Mining Licence
- First two tranches of \$110M received, balance to be drawn in the March Quarter of FY2023

Primary Crusher and Stockpile Feed Conveyor Commissioning

- View looking along stockpile feed conveyor to stockpile.
- Commissioning commenced late February 2022, with first ore crushed ahead of production ramp-up, scheduled for the June 2023 Quarter

- Initial discharge to stockpile.

Motheo Copper Mine

5.2Mtpa Construction & Development Capital

Development capital estimated at **\$397.4M**

- Motheo (3.2Mtpa and T3) \$325.5M
- Motheo (5.2Mtpa expansion and A4) \$71.9M
- \$19M Contingency remains

At 31 Dec 2022, ~\$280M invested

LOM capital estimated at **\$499M**

Summary

Key Takeaways

Strong growth platform

Copper-dominant mining operations generating operating cash-flows

Global vision

Our transformation into a diversified, international and sustainable copper mining company

New Production Hubs

Group production from the MATSA Copper Operations in Spain

First production from the Motheo Copper Mine in Botswana scheduled from early Q4 FY2023

Strong Pipeline

High quality development opportunities and a global exploration portfolio in Tier-1 jurisdictions

Global exploration push

Refreshed and focused

An international team strongly aligned with our growth objectives

Succession at Board and Executive levels, key operations leadership teams in place
