1. Group operating revenue: \$85.0m revenue from continuing operations in FY22, driven by organic growth in FDV LATAM (17%) and FDV Asia (35%)

2. Group operating EBITDA: Maiden positive EBITDA of \$104k, representing a significant improvement of \$2.7m relative to FY21, in line with FY22 focus on financial discipline

3. FX gains & losses: Reduced volatility following restructure relating to capitalisation of intragroup loans

4. D&A: Improvement primarily attributed to amortisation of domains, brands and trademarks from the acquisition of Encuentra24 (\$2.9m expiring Aug-22), Avito (\$2.0m expiring Nov-23), Fincaraíz (\$1.4m expiring Nov-25) and Yapo (\$0.7m expiring in Feb-26), as well as intangibles in website development cost

5. Other significant items: Primarily relates to fair value adjustment from InfoCasas and Encuentra24 contingent consideration (of \$8.7m)

6. Share of associates profit/loss: Profit from associates of \$1.2m was offset by share of unrealised foreign exchange losses from PakWheels and Zameen \$(2.2)m, the latter relating to internal related party loans between their parent company

- Group operating revenue and EBITDA are non-IFRS measures that are defined as revenue and adjusted EBITDA from continuing operations of Controlled Entities. The Board believes the additional information to IFRS measures included in the table is relevant and useful in measuring the financial performance of Frontier Digital Ventures.
- Adjusted EBITDA excludes the effects of significant items of income and expenditure which may have an impact on the quality of earnings such as restructuring costs, legal expenses, and other isolated, non-recurring events. It also excludes the effects of equity-settled share-based payments and unrealised gains or losses on financial instruments.
- Group statutory EBITDA refers to Group operating EBITDA less EBITDA from equity accounted entities (Zameen and PakWheels).
