Directors' Report

Your directors present their report on the Group consisting of Spenda Limited ("Spenda" or the "Company") and the entities it controlled ("Group") for the half-year ended 31 December 2022.

Directors

The names of the Company's directors in office at any time during the half-year and until the date of this report are shown below. Directors were in office for this entire period unless otherwise stated.

Mr Peter Richards (Non-Executive Chairman)

Mr Adrian Floate (Chief Executive Officer and Managing Director)

Mr Stephen Dale (Non-Executive Director)

Mr Howard Digby (Non-Executive Director)

Review and results of operations

The consolidated net loss for the half-year after income tax attributable to members of the Group amounted to \$5,674,166 (2021 December loss: \$5,983,685).

Operational Update

The half year ended 31 December 2022 represented a period of structured growth for the Company – providing businesses with integrated **Software as a Service** ("SaaS") applications, **Payments** and **Non-Bank Lending** services – through the establishment of a corporate debt facility and continued roll out of Spenda's services to contracted customers.

The Company was focused on delivering strategic milestones that continued to build business capacity and allow it to satisfy customer demand for better payment infrastructure and access to flexible working capital solutions.

As announced on 1 August 2022, the establishment of a debt warehouse facility is a critical element in the Company's strategy. Access to debt not only allows the Company to scale its lending revenue but it also facilitates an increase in its payments processing income, through lending transactions processed via the Spenda platform.

Convergence of Payments and Lending services delivers operational and cash flow benefits to business customers who can access triggered offers for credit from within the Spenda ecosystem. Securing the debt warehouse with a prominent Australian private credit fund brings the Company closer to becoming the de-facto standard in the provision of trade credit, with Spenda being viewed by its customers as a working capital solution, rather than them using traditional banks for such services.

Since the acquisition of Invigo in July 2021 the Company has achieved lending portfolio growth of 185%.

Directors' Report (continued)

Operational Update (continued)

In December 2022, the Company announced that the Spenda solution would be rolled out to the Carpet Court franchise network as their Standard Operating Environment ("SOE") across all 200+ stores, with a target completion of April 2023. The Carpet Court engagement showcases the value chain benefits that are delivered through adoption of the Spenda platform and provides a practical example of the Company's '*node and spoke*' strategy – focusing on the acquisition of conduit partners (in this case Carpet Court's National Support Centre ("NSC") as the **node** and the Carpet Court franchise network as the **spokes**).

Payments processed via the Spenda platform increase productivity and create efficiencies for both the individual member stores and the NSC by automatically allocating and reconciling payments in the Accounts Payable and the Accounts Receivable ledgers of the store and the NSC respectively. Spenda receives revenue streams from monthly SaaS fees and Transaction-related Payment fees, calculated on payment volume processed.

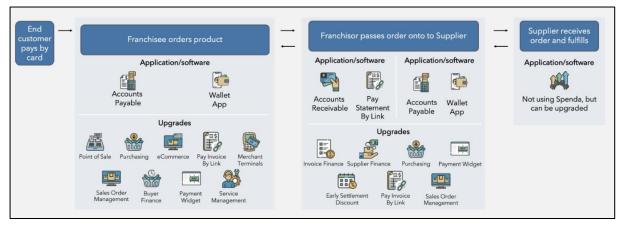

Figure 1: Payment flow in a typical Franchisor / Franchisee network

As announced on 28 December 2022, the Company entered into a new two-year Payment Facilitator Agreement. Under this agreement, the Company and First Data Merchant Services Australia Pty Ltd ("Fiserv") will operate under a Delegated Credit Authority where Spenda acts as the entity that controls the flow of funds between businesses and has the responsibility for paying these funds to the businesses transacting via Spenda's platform. The commercial impact of securing this agreement means the Company increases its net payment margins while also delivering customer improvements through a stronger user engagement and enhanced onboarding experience.

Throughout the period the Company continued development work to enhance its core software stack and capabilities, which included adding functionality to existing services and completing the Company's first mobile application – Spenda Wallet. The first release of the Spenda Wallet app is designed as a companion to Spenda's Accounts Payable product as an on-the-go payment authenticator service for users with banking approval rights. The app delivers significant improvements in the Accounts Payable processing time, improving payment security and unlocking more payment options for businesses. The system architecture behind the app has been specifically designed with the vision to transition to a true consumer application in the future that will allow any user to pay and track purchases.

Directors' Report (continued)

Operational Update (continued)

Outlook for 2023:

The half year ended 31 December 2022 was focused on achieving several key strategic goals that provide the enablers for the Company to rapidly scale revenue in 2023 and beyond.

During a period of continued economic uncertainty, the Company has delivered consistent revenue growth over the last three years, as depicted in *Figure 2* below. Continuing to deliver revenue growth in both payment volumes and drawing further funds from the debt warehouse to deploy to customers is the Company's primary focus moving forward.

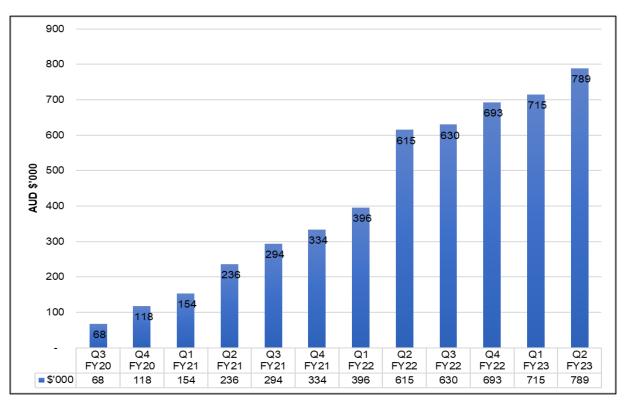

Figure 2: Cash Receipts from Customers by Quarter

The prior period was foundational and represented a period of consolidation for the Company, having successfully acquired three synergistic businesses and merged all into one single enlarged entity, which positioned the Company to offer a novel and a blended service solution for businesses, that encapsulates SaaS, Payments and Non-Bank Lending services.

The current period represented a period of structured growth for the Company, working towards the establishment of its debt warehouse facility and continued roll out of Spenda's services to its customer base.

Moving forward and as noted above, the Company's primary focus is to **scale revenue**, through deployment of its services to new and existing customers. The Company is at a true inflection point and the culmination of the above events is part of a very focused growth strategy that is designed to move the Company towards cashflow positivity.

Directors' Report (continued)

Significant Events after reporting date

On 6 February 2023, the Company invested \$1.025m for a 5% equity interest in Fresh Supply Co Pty Ltd to continue its growth into the Agricultural Business sector.

No other significant events have occurred since the end of the reporting period.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act* 2001 is set out on page 10.

Signed in accordance with a resolution of the directors.

Adrian Floate Chief Executive Officer and Managing Director Date: 28 February 2023

AUDITOR'S INDEPENDENCE DECLARATION

As lead auditor for the review of the consolidated financial report of Spenda Limited for the halfyear ended 31 December 2022, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- a) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- b) any applicable code of professional conduct in relation to the review.

The above consolidated statement of cash flows should be read in conjunction with the accompanying notes.

Notes to the Consolidated Financial Statements

For the half-year ended 31 December 2022

1. CORPORATE INFORMATION

The financial report of Spenda Limited ("Spenda" or the "Company") and its controlled entities (the "Group") for the half-year ended 31 December 2022 was authorised for issue in accordance with a resolution of the directors on 28 February 2023.

Spenda is a company limited by shares incorporated in Australia whose shares are publicly traded on the Australian stock exchange.

The nature of the operations and principal activities of the Group are described in the directors' report.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

This general-purpose financial report for the half-year ended 31 December 2022 has been prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Group as the full financial report.

It is recommended that the half-year financial report be read in conjunction with the annual report for the year ended 30 June 2022 and considered together with any public announcements made by Spenda during the half-year ended 31 December 2022 in accordance with the continuous disclosure obligations of the ASX listing rules.

Going concern

For the half year ended 31 December 2022, the Group recorded a net loss after tax of \$5,674,166 and had operating cash outflows of \$1,038,057. As at 31 December 2022, the Group's cash and cash equivalents amounted to \$4,336,080 with a restricted cash balance of \$977,895. The Group has implemented a number of measures to improve its revenue and margins, as well as to manage its operating expenditure. These initiatives include the following:

- Growth of offshore workforce to enable the Group to increase its development team and employment resources at a more efficient rate;
- Growth of its loan receivables book through the use of its debt warehouse facility;
- Execution of its existing key strategic customers and partnerships, most notably Carpet Court;
- Salary sacrifice arrangements, where the Board, Executive Leadership Team and management can elect to receive their net salary in ordinary shares of the Company; and
- The ability for the Group to raise additional capital if required.

For the half-year ended 31 December 2022 (continued)

The directors have reviewed the Group's cash flow projections, which cover a period of not less than twelve months from the date of approval of these consolidated financial statements and are of the opinion that the Group will have sufficient financial resources to satisfy its future working capital requirements and to meet its financial obligations as an when they fall due within the next twelve months from the date of approval of the consolidated financial statements for the half-year ended 31 December 2022. The directors believe that the Group can continue to access debt and equity funding to meet its working capital requirements. Accordingly, the directors consider that it is appropriate to prepare the Group's consolidated financial statements on a going concern basis.

Notwithstanding the above, there remains material uncertainty as to whether the Group can raise sufficient funding as outlined above which may cast doubt about the Group's ability to continue as a going concern and, therefore, whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the consolidated financial statements.

The consolidated financial statements do not include any adjustments relating to the recoverability and classification of the Group's assets or to the amounts and classification of liabilities which might be necessary should the Group not continue as a going concern.

b) Accounting policies

The accounting policies have been consistently applied by the entities in the Group and are consistent with those in the 30 June 2022 annual financial report except for the adoption of new and revised Accounting Standards.

New, revised or amending Accounting Standards adopted

The Group has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board ("AASB") that are relevant to their operations and effective for the current reporting period.

New Accounting Standards for Application in Future Periods

The Group has not elected to early adopt any other new standards or amendments that are issued but not yet effective. The new or amended standards are not expected to have a material impact on group accounting policies. No material change to accounting policies was required in adoption of new and revised standards and interpretations.

Critical Estimates

The preparation of the half-year financial report requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Except for below, in preparing this half-year financial report, the significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report for the year ended 30 June 2022.

For the half-year ended 31 December 2022 (continued)

Impairment of goodwill and Intangible assets

At the end of each reporting period, an assessment is made as to whether there is any indication that an asset may be impaired. The assessment will include the consideration of external and internal sources of information including market conditions and asset specific matters. If such an indication exists, an impairment test is carried out on the asset by comparing the asset's carrying amount to its estimated recoverable amount, being the higher of fair value less costs to sell and value in use. Value in use is determined on the basis of the expected net cashflows that will be received from the assets employment and subsequent disposal discounted to their present value.

Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in statement of profit or loss and other comprehensive income.

c) Fair value of financial instruments

The Group has several financial instruments which are not measured at fair value in the Consolidated Statement of Financial Position. The carrying amount of those financial instruments approximates their fair value.

For the half-year ended 31 December 2022 (continued)

3. SEGMENT REPORTING

The Group's operating segment is based on the internal reports that are reviewed and used by the Board of Directors (being the Chief Operating Decision Maker ("CODM")) in assessing performance and in determining the allocation of resources. The Group operates predominantly in the IT software, payments and non-bank lending industry sectors.

Segment	Principal Activities
SaaS & Payments	Provision of Software as a Service to business customers and merchant payment services.
Lending	Provision of lending services to business customers
Unallocated	Unallocated includes certain head office costs and costs not directly attributable to either segment.

Assessment of Impairment

The Company is required to assess the recoverable value for the goodwill if any indicators exist to suggest the assets are impaired. The ASG goodwill has a carrying value of \$9,375,502. The Invigo goodwill has a carrying value of \$7,446,056. The Company has assessed that there are indicators of impairment present to the ASG goodwill due, primarily due to timing assumptions relating to the execution and related rollout of services to key strategic customers, and as a result has tested for impairment by calculating the recoverable value and comparing to the carrying value. The Company has assessed that there are no indicators of impairment for the Invigo goodwill.

The ASG Goodwill is part of the SaaS and Payments CGU, the SaaS and Payments CGU's carrying amount was calculated based on the values of the following assets and liabilities as disclosed in note 3.

- Trade and other receivables of \$47,156
- Intangible assets of \$22,443,595, including goodwill of \$9,375,502.
- Trade and other payables of (\$388,186)

For the half-year ended 31 December 2022 (continued)

7. INTANGIBLE ASSETS (continued)

The recoverable amount of the Group's SaaS and Payments CGU has been determined by a valuein-use calculation using a discounted cash flow model, based on a 5-year projection period approved by management, together with a terminal value.

Key assumptions are those to which the recoverable amount of an asset or cash-generating units is most sensitive.

The following key assumptions were used in the discounted cash flow model for the SaaS and Payments CGU:

- 23.9% low pre-tax discount rate and 25.7% high pre-tax discount rate;
- 2.5% per annum projected long term revenue growth rate used in calculating the terminal value;
- 2.5% per annum increase in operating costs and overhead used in calculating the terminal value; and
- Growth rates of 1015% in 2024, 36% in 2025, 8% in 2026 and 0.9% in 2027.

The discount rate reflects management's estimate of the time value of money and the Group's weighted average cost of capital, adjusted for the SaaS and payments division, the risk-free rate and the volatility of the share price relative to market movements.

Management believes the projected revenue growth rates are prudent and justified, based on the activity and its current deal flow.

Based on the above, no impairment was indicated.

For the half-year ended 31 December 2022 (continued)

8. FINANCIAL LIABILITIES (continued)

The Company entered into a debt facility agreement with an initial \$15m Corporate Facility, with a prominent Australian private credit fund. The terms of the fund were as follows:

- Term of 36 months from the date of drawdown;
- Fixed interest rate; and
- The issuance of 80,546,396 call options at 4.2 cent per option, with 50% vesting on financial close and 50% vesting pro-rate on utilisation of \$25 million of the facility.

The previous facility with Moneytech Finance Pty Ltd was terminated upon the finalisation of the debt facility agreement as noted above.

Debt forgiveness relates to an ESOP in which employees of the Company are issued shares as an incentive of employment with the Company via a non-recourse loan agreement. Annually, the Board reviews the performance of individuals, and at their discretion the loan balance is forgiven. The loan balance is a non-recourse loan that is non-cash in nature. Outstanding balances at period end are unsecured, interest free and settlement occurs in cash.

С	2,416,422	Options granted to debt facility owner	Yet to be issued	\$0.0080	103.7%	0.2695%	\$0.042

12. DIVIDENDS

No dividends have been paid, declared or proposed for the half-year period.

13. CONTINGENT LIABILITIES

There are no contingent liabilities as at 31 December 2022.

14. SIGNIFICANT EVENTS AFTER REPORTING DATE

On 6 February 2023, the Company invested \$1.025m for a 5% equity interest in Fresh Supply Co Pty Ltd to continue its growth into the Agricultural Business sector.

No other significant events have occurred since the end of the reporting period.

DIRECTORS' DECLARATION

In accordance with a resolution of the Directors of Spenda Limited made pursuant section 303(5)(a) of the Corporations Act 2001, we state that:

In the opinion of the Directors:

- (a) the financial statements and notes of the Group are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Group's financial position as at 31 December 2022 and the performance for the half-year ended on that date;
 - (ii) complying with Accounting Standard AASB 134 "Interim Financial Reporting" and the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
- (b) subject to the commentary in note 2 (a) of the financial statements, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

On behalf of the Board

Adrian Floate Chief Executive Officer and Managing Director

Date: 28 February 2023

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Spenda Limited

Report on the Condensed Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Spenda Limited ("the company") which comprises the consolidated statement of financial position as at 31 December 2022, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration, for the Group comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Spenda Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's responsibilities for the review of the financial report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material uncertainty related to going concern

We draw attention to Note 2 in the financial report, which indicates that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

HLB Mann Judd (WA Partnership) is a member of HLB International, the global advisory and accounting network

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
