The Company advises that a poll will be conducted for each of the Resolutions and strongly encourages Shareholders to lodge a directed proxy form prior to the Meeting, particularly if you will not be attending.

YOUR VOTE IS IMPORTANT

The business of the Meeting affects your shareholding in the Company, and your vote is important. Please act by voting in person or by proxy.

VOTING ELIGIBILITY

Pursuant to Regulation 7.11.37 of the Corporations Regulations, the Directors have determined that the persons eligible to vote at the Meeting are those who are registered Shareholders at 4:00pm (WST) on Monday, 17 April 2023. Shareholders registered after that time will be disregarded in determining eligibility to attend and vote at the Meeting.

VOTING BY PROXY

To vote by proxy, please complete and sign the Proxy Form and return it to the Company in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints 2 proxies and the appointment does not specify the

proportion or number of the Shareholder's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies, which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of proxy may specify the way the proxy is to vote on a particular resolution, and if it does:

- the proxy need not vote on a show of hands but if the proxy does so, the proxy must vote that way (ie, as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the Chair at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (ie, as directed); and
- if the proxy is not the Chair, the proxy need not vote on the poll but if the proxy does so, the proxy must vote that way (ie, as directed).

Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the Chair; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - > the proxy is not recorded as attending the meeting; and
 - > the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

CORPORATE REPRESENTATIVES

Under section 250D of the Corporations Act, a corporate Shareholder may appoint an individual as a representative to attend the Meeting and vote in person. If a corporate representative attends the Meeting, a signed 'Appointment of Corporate Representative' form must be produced prior to admission. A copy of this form may be obtained from the Company's share registry online at <u>https://automic.com.au</u>.

- the Chair as proxy or attorney for a person who is entitled to vote on the Resolution, in accordance with a direction given to the Chair to vote on the Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Voting Prohibition: In accordance with section 224 of the Corporations Act, a vote on this Resolution must not be cast (in any capacity) by or on behalf of a related party of the Company to whom the Resolution would permit a financial benefit to be given or an Associate of such a related party (**Restricted Party**). However, this prohibition does not apply if the vote is cast by a person as a proxy appointed by writing that specifies how the proxy is to vote on the Resolution and it is not cast on behalf of a Restricted Party.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

The Explanatory Statement should be read in conjunction with the Notice of Meeting.

1. **RESOLUTION 1 – RATIFICATION OF TRANCHE ONE PLACEMENT**

1.1 General

On 25 November 2022 (**Issue Date**), the Company issued a total of 16,365,439 Shares at \$0.0635 each, together with one (1) free-attaching Option for every five (5) Shares issued, to raise \$1,039,205 pursuant to a placement to investors under sections 708(1) and 708(8) of the Corporations Act (**Tranche One Placement**).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Tranche One Placement does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12-month period following the Issue Date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 1 seeks shareholder approval for the Tranche One Placement under and for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the Tranche One Placement will be <u>excluded</u> in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

If Resolution 1 is not passed, the Tranche One Placement will be <u>included</u> in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the Issue Date.

1.2 Technical information required by Listing Rule 7.5

In accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 1:

- (a) the Shares and Options issued pursuant to the Tranche One Placement were issued to the persons specified in section 1.3, who are not related parties of the Company;
- (b) 16,365,439 Shares and 3,273,078 Options were issued;
- (c) the material terms of the Options issued pursuant to the Tranche One Placement are set out in Schedule 1;
- (d) the Shares and Options issued pursuant to the Tranche One Placement were issued on 25 November 2022;
- (e) the issue price of each Share was \$0.0635, raising a total of \$1,039,205 (before costs). The issue price of the Options was nil; and
- (f) funds raised pursuant to the Tranche One Placement were used to undertake engineering and processing finalisation studies ahead of progression to first phase production at the Company's Kanyika Niobium Project, and for general working capital.

2. RESOLUTION 2 – APPROVAL TO ISSUE SHARES TO RELATED PARTY – BO TAN

2.1 Background

On 11 March 2022, Mr Tan provided a short-term loan facility in the amount of A\$1 million, repayable in cash or by the issue of Shares at an issue price of \$0.0635 per Share (**First Loan Facility**). The First Loan Facility was repaid in full on 16 September 2022 by the issue of 16,397,666 Shares, at an issue price of \$0.0635 per Share, to Mr Tan's nominee as approved by Shareholders at the General Meeting held on 14 September 2022.

On 5 August 2022, the Company announced that Mr Tan had provided a new loan facility for A\$500,000, by way of a second tranche, on substantially identical terms as the First Loan Facility (**Second Loan Facility**). The Second Loan Facility was repaid in full on 6 December 2022 by the issue of 8,083,217 Shares, at an issue price of \$0.0635 per share, to Mr Tan's nominee as approved by Shareholders at the Annual General Meeting held on 30 November 2022.

On 27 September 2022, the Company announced that Mr Tan had provided an additional loan facility of up to A\$500,000 on an unsecured basis to further assist the Company with its short-term working capital requirements (**Third Loan Facility**).

2.2 Key terms of the Third Loan Facility

Pursuant to the Third Loan Facility, Mr Tan agreed to provide further funding of up to A\$500,000 via drawdowns of \$100,000 at a time, which would only be drawn down if required, to allow the Company to continue to focus its efforts on finalising

its phase one study and economics for release to the market and executing the mine development agreement for the Kanyika Niobium Project.

As at the date of this Notice of Meeting, a total of A\$400,000 has been drawn down under the Third Loan Facility, with interest accruing thereon at 8% per annum capitalised monthly and calculated daily on the basis of a 365-day year.

Subject to the approval of Shareholders, the Company may elect to convert some or all of the amount owing under the Third Loan Facility (ie, the principal amount plus interest) into Shares, by the issue of Shares to Mr Tan at a deemed issue price of \$0.0635 per Share.

The Company has agreed to repay the amount owing under the Third Loan Facility to Mr Tan on 21 April 2023, unless conversion of that amount into Shares has already occurred. If the amount owing under the Third Loan Facility is not repaid in full (or converted into Shares) by 21 April 2023, interest thereon will default to 20% per annum.

2.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

For the purposes of Chapter 2E of the Corporations Act, the issue of the Shares on conversion of the amount owing under the Third Loan Facility constitutes the giving of a financial benefit to Mr Tan, who is a related party of the Company by virtue of him being a Director.

It is the view of the Directors (other than Mr Tan) that the exceptions set out in sections 210 to 216 of the Corporations Act do not apply to the conversion of the amount owing under the Third Loan Facility. Accordingly, Shareholder approval is sought for the issue of Shares to Mr Tan for the purposes of section 208 of the Corporations Act.

2.4 Listing Rule 10.11

Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in Listing Rule 10.12 applies.

It is the view of the Directors (other than Mr Tan) that the exceptions set out in Listing Rule 10.12 do not apply in the current circumstances. Accordingly, Shareholder approval is sought for the issue of Shares to Mr Tan for the purposes of Listing Rule 10.11.

2.5 Specific information required by section 219 of the Corporations Act and Listing Rule 10.13

In accordance with the requirements of section 219 of the Corporations Act and Listing Rule 10.13, the following information is provided in relation to the proposed issue of Shares to Mr Tan:

- (a) the related party is Bo Tan by virtue of him being a Director;
- (b) the maximum number of Shares to be issued to Mr Tan (being the nature of the financial benefit being provided) will be calculated by dividing the amount outstanding under the Third Loan Facility by the deemed issue price of \$0.0635 per Share. As at the date of this Notice of Meeting, the amount outstanding under the Third Loan Facility is \$411,170.71, which equates to 6,475,129 Shares;
- (c) the Shares will be fully paid ordinary shares in the capital of the Company and will be issued on the same terms and conditions as the Company's existing Shares;
- (d) the Shares will be issued to Mr Tan no later than one month after the date of the Meeting (or such later date as is permitted by any ASX waiver or modification of the Listing Rules), and it is anticipated that all Shares will be issued on the same date;
- (e) the Shares will be issued for the conversion of the amount owing under the Third Loan Facility, at a deemed issue price of \$0.0635 per Share. The deemed issue price is the same price per Share issued upon conversion of the First Loan Facility and the Second Loan Facility;
- (f) the Company will not receive any funds upon the issue of the Shares as they are issued in consideration for the conversion of the amount owing under the Third Loan Facility (converting a debt owed by the Company into equity, thereby reducing the Company's debt);
- (g) the funds advanced by Mr Tan pursuant to the Third Loan Facility are being used by the Company to provide working capital flexibility, and to support the advancement of the Company's Kanyika Niobium Project;
- (h) the Shares are not intended to remunerate or incentivise Mr Tan;
- (i) as at the date of this Notice of Meeting, Mr Tan has a relevant interest in 24,480,883 Shares and 1,250,000 Director Options;
- (j) the remuneration and emoluments from the Company to Mr Tan for the prior financial year and the proposed remuneration for the current financial year are set out below:

Related party		Prior Financial Year (ended 30 June 2022)
Bo Tan	\$58,000	\$58,000

(k) if the amount outstanding under the Third Loan Facility is converted into Shares at a conversion price that is less than the price of the Shares that are

currently trading on ASX, there may be a perceived cost to the Company. The Board resolved to issue the Shares, subject to Shareholder approval, on the terms and conditions set out in this Notice of Meeting at a time when the Shares were trading on ASX at approximately a 10% premium to the conversion price under the Third Loan Facility. The Board resolved to issue the Shares to Mr Tan when the previous closing price of the Shares on ASX was \$0.07;

(I) the trading history of the Shares on ASX in the 12 months before the date of this Notice of Meeting is set out below:

Trading	Share Price	Date
Highest	\$0.100	25 January 2023
Lowest	\$0.060	28 December 2022
Last	\$0.063	6 March 2023

- (m) the primary purpose of the issue of the Shares to Mr Tan is to convert the outstanding loan amount provided under the Third Loan Facility, which is a debt owing by the Company, to equity, thereby reducing the Company's debt. The Third Loan Facility was provided at a time when the Company needed to secure such funds for the purpose of providing it with the working capital flexibility in accordance with its stated objectives;
- (n) if Resolution 2 is passed, the Company will be able to proceed with the issue of Shares to Mr Tan, calculated as 6,475,129 Shares as at the date of this Notice of Meeting, which has the potential to increase the number of Shares on issue from 506,768,695 to 513,243,824 (assuming no other Shares are issued), with the effect that the shareholdings of existing Shareholders will be diluted by approximately 1.26%. Mr Tan declines to make a recommendation to Shareholders in relation to Resolution 2 due to his material personal interest in the outcome of the Resolution on the basis that he (or his nominee) will be issued the Shares should Resolution 2 be passed. Further, Mr Tan did not vote on the proposal for the Company to enter into the Third Loan Facility at the relevant Board meeting;
- (o) the Directors, other than Mr Tan, recommend that Shareholders vote in favour of Resolution 2 for the reasons set out below:
 - (i) the issue of the Shares to Mr Tan will align the interests of Mr Tan with those of Shareholders;
 - the issue of the Shares will also extinguish the liability of the Company to repay the amounts owing under the Third Loan Facility upon issue of the Shares;
 - (iii) the issue of the Shares is a reasonable and appropriate method to provide cost effective consideration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of consideration were used to service the loan; and
 - (iv) the Board does not consider that there are any significant opportunity costs to the Company, or benefits foregone by the Company, in issuing the Shares to Mr Tan on the terms proposed;

- (p) except for Mr Tan, no other Director has a personal interest in the outcome of Resolution 2;
- (q) in forming their recommendations, each Director also considered the current market price of the Shares, the current market practices when determining the number of Shares to be issued, as well as the conversion price under the Third Loan Facility;
- (r) section 2.2 of this Explanatory Statement contains a summary of the material terms of the Third Loan Facility under which the Shares are proposed to be issued;
- (s) a voting exclusion statement is included in the Notice of Meeting; and
- (t) the Directors are not aware of any other information that would reasonably be required by Shareholders to allow them to decide whether it is in the best interests of the Shareholders to pass Resolution 2.

2.6 Specific information required by Listing Rule 14.1A

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Shares within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and the amount outstanding under the Third Loan Facility will be reduced to nil. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Shares (because approval is being sought under Listing Rule 10.11), the issue of the Shares will not use up any of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Shares to Mr Tan and the full amount outstanding under the Third Loan Facility will become due and payable by the Company on 21 April 2023.
