IHR Board Responds to Humanforce 22 Cent Bid

intelliHR Limited ('intelliHR' or 'Company') (ASX: IHR/Company) refers to its announcement yesterday concerning entry into a Transaction Implementation Deed with Access Workspace Pty Ltd, a wholly owned subsidiary of the Access Group (TAG).

After releasing that announcement yesterday, Humanforce's broker for its on-market takeover offer released an announcement revising Humanforce's on-market takeover bid announced on 17 March 2023, from 19.5 cents per share to 22 cents per share (**Humanforce 22 Cent Bid**). In context of the Humanforce 22 Cent Bid being a cash offer that is immediately available to shareholders, the Independent Board Committee considers the Humanforce 22 Cent Bid to be a Superior Proposal (as defined in the Transaction Implementation Deed) to the TAG offer announced yesterday.

The Company's Transaction Implementation Deed with TAG contains a matching right procedure, which the Company is invoking.

While the Independent Board Committee considers that the Humanforce 22 Cent Bid is a Superior Proposal, until the Company receives a response from TAG pursuant to its matching right or the 5 business day matching right time period has elapsed without a response, the Company's Independent Board Committee recommends that shareholders **TAKE NO ACTION IN RELATION TO THE HUMANFORCE 22 CENT ON-MARKET TAKEOVER BID.**

Authorised for release by the Independent Board Committee
