- At the conclusion of the quarter, the company reiterated it would focus on operational efficiencies and getting the business into a position of positive operating cash-flow as soon as possible.

Q3 Jan - March 2023

- Announced management and board restructure.
- Operating costs of the business are **down** 13% on previous quarter.
- Cash receipts from customers **up** 9% compared to Q3 FY22.
- Negative \$4.9m in net cash from operations (17% **decrease** in cash burn).
- Clear path identified to cash flow generation from operations.

Management Focus

Reduce and normalise the cost base

Focus on capital management and positive free cash flow, addressing our operational cost base to match the current revenues and being more disciplined with capital allocation.

Simplify the global operating model

Focus on restructuring management, operating teams and product suite to simplify service delivery and maximise shareholder value.

Deliver on the current opportunities

Deliver revenue growth by realising the revenues from the products already built and the customers already contracted (i.e. New Jersey fixed odds, Caymanas, Caesars, Rikstoto, Penn content).

Drive operating scale through technology

Consolidating legacy technology and upgrading platforms to BetMakers NextGen technology will deliver superior product for customers and more operating margin to the business.

Quarterly Cash Receipts from Customers

Q3 FY23 cash receipts of \$23.6m (+9% vs Q3 FY22)

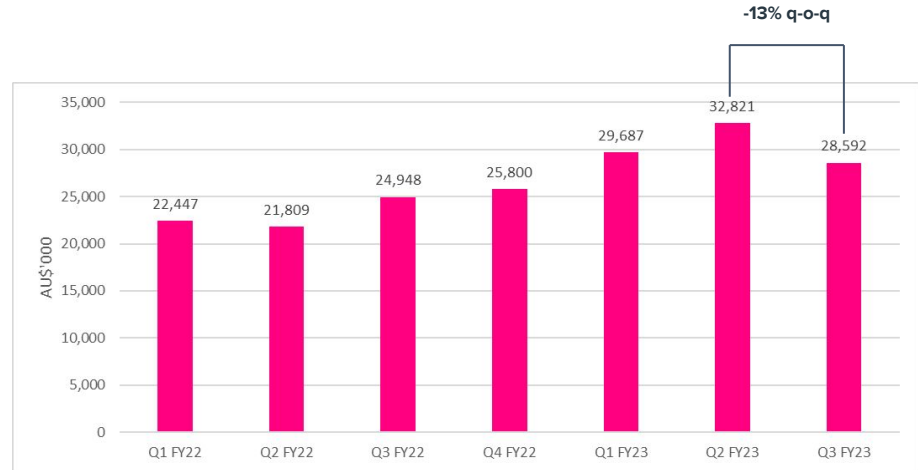

- Seasonally quiet revenue quarter with a reduction in racing in the Northern Hemisphere, and limited feature racing domestically.
- Revenue focus remains on:
 - Supporting existing clients to drive profitability and scale;
 - Bringing contracted clients to market as efficiently and quickly as possible to generate positive inflows on the investment made;
 - Expanding existing relationships and assets to ensure full value potential is unlocked.

Quarterly operating cash outflows

Focus on the reduction and normalisation of operating costs

- Company cost base expanded significantly in Q1 and Q2 FY23 due to the investment made to deliver on new contracts, technology and growth opportunities.
- During Q3 FY23 the Company was focused on operational change to reduce and normalise the operating cost base.
- Progress was made during Q3 FY23 as evidence by the decline in operating cost outflows, although the Company is continuing to review its cost base to extract operational inefficiencies.
- Management remains focused on reducing the Company cost base to deliver sustainable positive cash flows, providing a secure base from which to continue growth.
