Bricks & Mortar highlights: Growth with Canada's leading pharmacy chain

- Shoppers Drug Mart is Canada's number one pharmacy chain
- YTD sales grew 135% with the group on the prior quarter
- March 2023 saw peak summer sales matched in the middle of Canadian winter
- Additional commitment to stock another 13 products on shelf with the retailer secured in March 2023

Leading shelf positioning for HPC products in Shoppers Drug Mart

International expansion opportunities and UK sales upside

Wholefoods London

Amazon UK sales growth

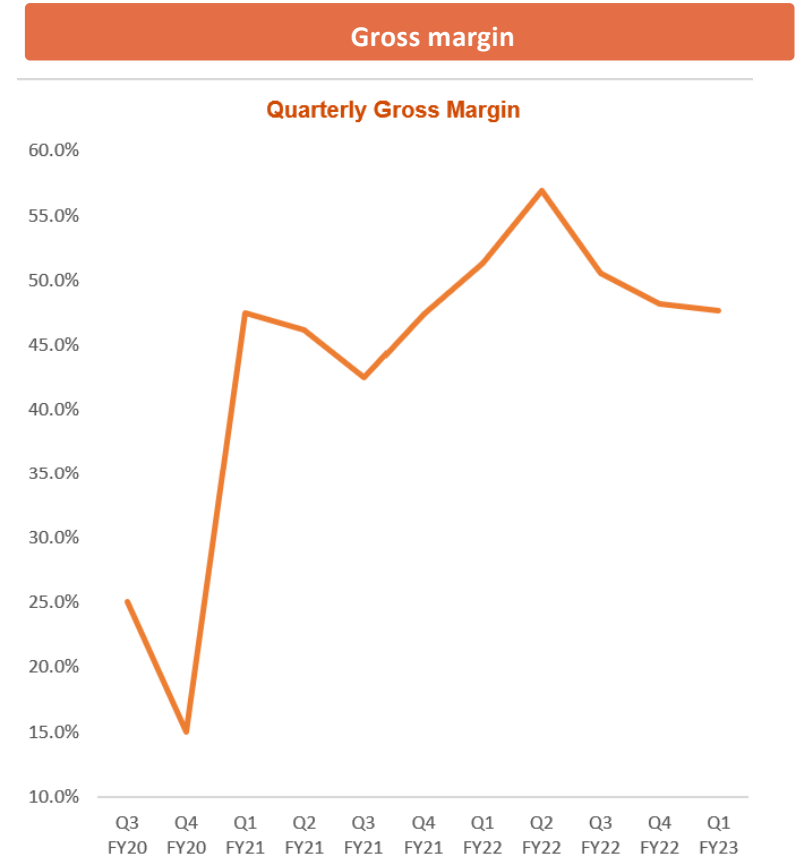

- Sales opportunities outside North America being pursued
- Products now being sold in leading retailers Wholefoods and Chemist Warehouse across expanding USA stores
- Amazon UK showing extreme growth in initial phases – sales of ~£20k per month being realized

Prime positioning in Wholefoods Stores (London, UK)

Gross margin remains strong

- Gross margin of 48% in Q1 FY2023
- Slightly decreased on last quarter (Q4 FY2022: 49%) due to air freight costs and increased inventory reserves prior to peak sales period in North American summer
- Product profile strategically modified in Q1 FY2023 – lowest performing products to be eliminated
- Lower performing products being sold through discount channels to focus on stronger selling inventory
- Ongoing manufacturing optimisation processes to assist with margin improvement

Partnership with brand ambassador and co-owner, Shay Mitchell

- Ms Mitchell is a Canadian Actress and entrepreneur with ~35.4m Instagram followers
- Co-branded product launched in December 2022 through HPC ecommerce channels and Amazon USA – with Canadian launch pending
- For launch, 16 of North America’s top influencers were invited for a two-day marketing activation in Miami to promote the partnership. Around **\$1m** in advertising value.
- Event delivered significant social media exposure across HPC’s target market – second product being developed for launch in June
