About GLG Corp Ltd

GLG Corp. Ltd is a global textile and apparel supply chain manager of casual lifestyle knitwear apparel, to major U.S. and European retailers. We supply approximately 56 million garments a year through our global marketing and manufacturing network. We offer a total solution package with an integrated one-stop service approach, from in-house product design and development, commercialization of orders, material management, production planning and control, to comprehensive post-manufacturing logistics solutions.
