TRADING HALT

In accordance with Listing Rule 17.1 American West Metals Limited ("American West" or "Company") requests that the Australian Securities Exchange ("ASX") grant a trading halt on the Company's securities with immediate effect.

For the purpose of Listing Rule 17.1, American West provides the following information:

- (a) American West is seeking a trading halt for the purpose releasing a response to the Price Query Letter from ASX dated 18 May 2023 and an announcement of exploration results.
- (b) American West requests that the trading halt last until the earlier of the Company responding to the Price Query Letter and making the exploration results announcement to the market and the commencement of normal trading on Tuesday, 23 May 2023.
- (c) American West is not aware of any reason why the trading halt should not be granted, nor of any other information available at this stage that is relevant to the trading halt.

Yours sincerely

Sarah Shipway
Company Secretary
American West Metals Limited

ABOUT AMERICAN WEST METALS

AMERICAN WEST METALS LIMITED (ASX: AW1) is a new Australian company focussed on growth through the discovery and development of major base metal mineral deposits in Tier 1 jurisdictions of North America. We are a progressive mining company focused on developing mines that have a low-footprint and support the global energy transformation.

Our portfolio of copper and zinc projects include significant existing resource inventories and high-grade mineralisation that can generate robust mining proposals. Core to our approach is our commitment to the ethical extraction and processing of minerals and making a meaningful contribution to the communities where our projects are located.

Led by a highly experienced leadership team, our strategic initiatives lay the foundation for a sustainable business which can deliver high-multiplier returns on shareholder investment and economic benefits to all stakeholders.
