Mining Sector Managed Services Win – Ravenswood Gold

Field Solutions Holdings (ASX: FSG), Australia's leading rural, regional and remote telecommunications carrier and full-service ICT provider, is pleased to announce it has been awarded an enterprise managed services contract by Ravenswood Gold.

Highlights

- Managed Network and Managed Services - circa \$3M TCV
- Additional IT and Procurement Services (Project Based) - circa \$2M
- 3 Year initial contract with 3 year extension term
- Leverages FSG Regional Australia Network telecommunications infrastructure
- Second major mining business sector win in 12 months
- Delivers additional scale into FSG's mining business unit

"This deal represents our second enterprise managed services win in the mining vertical in the past 12 months, reinforcing FSG's focus in delivering integrated IT Managed Services leveraging FSG's 100% owned telecommunications infrastructure the Regional Australia Network", outlines Andrew Roberts CEO FSG.

Ravenswood Gold is a privately owned Australian gold mining, development and exploration company based in Queensland, Australia which operates the Ravenswood Gold Mine, located approximately 120 kilometres south of Townsville.

"FSG offered a comprehensive set of products and services, allowing us to select a single vendor for our IT and Managed service's needs" says Kelli Guldbrandsen, Senior IT Co-ordinator, Ravenswood Gold. FSG are to supply connectivity, manages services, security services and cloud services together with on-site resourcing supporting the mining operation.

FSG expect the transition to commence in July 2023. Additional IT and procurement services will be sourced on an as-needs-basis over the course of the 3-year term.

This announcement has been authorised for release by the Board of FSG.
