The mining tenements held at the end of the quarter and their location

The Beikeng Mine, a 0.771 km² iron ore tenement located in Datian County, Sanming City, Fujian Province in the People's Republic of China, under extraction licence number C3500002010122110086857 which expired on 4 February 2023. The Company is currently in the process of applying for an extension of the extraction licence. During this period, the Company is permitted to carry on its operations. Barring any unforeseen circumstances, the Company believes the extraction licence will be granted. The Company holds an 84% interest in the Beikeng Mine.

The Silverstone Project, a 4.83 km² tenement located in Datian County, Sanming City, Fujian Province in the People's Republic of China, under exploration licence number T35120110102043628 which expired on 30 October 2014. The Company has applied to the relevant authorities for an extension of time to apply for the renewal of this exploration permit. As the Company does not have any immediate plan to commence commercial operations at the Silverstone Project, the Company will only apply for the extension of the exploration permit (as a precursor for the Company to complete its application for an extraction licence) at such time when demand for and prices of iron ore make it feasible to commence commercial operations at the Silverstone Mine.
