PROFIT GUIDANCE ON THE UNAUDITED FINANCIAL RESULTS FOR THE FINANCIAL YEAR ENDED 2023

The Board of Directors (the “**Board**”) of GLG Corp Ltd (the “**Company**”), together with its subsidiaries, (the “**Group**”) wishes to provide profit guidance on its full year results ended 30 June 2023 (“**FY2023**”) further to the Company’s previous market guidance provided in February 2023 in its Appendix 4D.

A preliminary assessment by management of the Group’s unaudited accounts indicates a net loss between US\$1.3m and US\$1.6m after tax for FY2023. This anticipated loss is primarily driven by the persisting adversities stemming from the global COVID pandemic, which have led to significant delivery delays. Additionally, our customers heightened inventory levels throughout the year have compounded these financial challenges. These factors have collectively led to diminished revenue and exerted pressure on the profit margin for FY2023.

The Group is expected to release its full year FY2023 results in late August 2023.
