On 14 January 2023, BrainChip submitted a capital call notice to LDA Capital Limited and LDA Capital LLC ("LDA Capital") in accordance with the Put Option Agreement (POA) dated 13 August 2020 to subscribe for up to 30 million shares with an option for LDA Capital to subscribe up to an additional 10,000,000 shares subject to the approval of BrainChip. Directors' Report

REVIEW OF OPERATIONS

The financial results of the Group are presented in US dollars, unless otherwise referenced.

Operating Results

The Group made a net loss after income tax for the half-year ended 30 June 2023 of \$17,146,781 (30 June 2022: \$8,255,802).

Revenues for the half-year ended 30 June 2023 of \$115,606 decreased 98% from \$4,831,081 in the same period a year ago, reflecting the volatility of revenues in the early years of commercialisation and noting that several active customers elected to defer their evaluation of BrainChip's technology until after the expected release of Akida 2.0 in August 2023.

Total expenses for the half-year ended 30 June 2023 of \$16,851,241 increased 30% from \$12,989,990 incurred in the half-year ended 30 June 2022. This increase was attributable to:

- Research & development (R&D) expenses of \$3,938,157 for the current period decreased 8%, or \$343,251 from 30 June 2022. R&D costs in the prior period included \$927,590 in third party licenses and hardware related to the development of next-generation Akida engineering samples. This was offset by a lower allocation of R&D expenditure being allocated to cost of goods sold in line with sales and an increase in employee related expenditures.
- Sales & Marketing (S&M) expenses of \$2,281,086 for the current period increased 31%, or \$539,128 from the comparative period as a result of the increase in headcount for the sales and marketing team in both the USA and international locations, as well as increased travel expenses post pandemic and the continuing engagement with current and potential customers.
- General & Administrative (G&A) expenses of \$3,395,880 increased 3%, or \$84,838 from the same period a year ago which is a result of:
 - a) Increase in employee-related expenses; balanced by
 - reduced corporate costs associated with lower shareholder activity and cost saving processes adopted when registering new shareholders.
- Share based payment expense of \$7,236,118 for the current period increased 98%, or \$3,710,562 from the comparative period. The increase is attributable to the issue of equity to third parties totalling \$2,349,954, including the 8 million restricted stock units issued to Mr Manny Hernandez as approved at the 2023 AGM, as well as the issue of equity to senior executives and directors in accordance with the 2023 AGM resolutions and to employees in accordance with the BrainChip Long Term Incentive Plan (LTIP). Share based payments expense is non-cash and represents the value of options, restricted share units and performance rights issued to directors, employees and consultants that have been earned during the reporting period, offset by the effect of cancelled and forfeited equity instruments.

Balance Sheet and Cashflows

At the end of the half-year the Group had consolidated net assets of \$23,194,139 (31 December 2022: \$23,718,406), including cash and cash equivalents of \$21,824,785 (31 December 2022: \$23,165,288).

Cash from Financing Activities includes \$8,210,972 from the issue of shares to LDA Capital and \$957,121 from the exercise of options held by BrainChip LTIP participants.

On 14 January 2023, BrainChip submitted a capital call notice to LDA Capital Limited and LDA Capital LLC ("LDA Capital") in accordance with the Put Option Agreement (POA) dated 13 August 2020 to subscribe for up to 30 million shares with an option for LDA Capital to subscribe up to an additional 10,000,000 shares subject to the approval of BrainChip. The purpose of this capital call notice was to support the Akida technology development and working capital commitments, as well as to satisfy the Company's obligation under The Second Minimum Drawdown Amount requiring a minimum of A\$15 million to be drawn no later than 31 December 2023. On 30 March 2023, the capital call notice was settled resulting in the Company receiving US\$8,210,972 (A\$12,232,543) based on the purchase price per capital call share ranging from A\$0.5895 to A\$0.6842.

Recognition of a net loss from financial assets measured at fair value through profit and loss in the current year of \$380,523 has resulted due to the discount provided to LDA after consideration of the market price of the shares issued (refer Note 15(b)). A foreign currency gain of \$31,071 was recognised as a result of the timing of closure of the capital call notice on 30 March and receipt of the cash on 3 April 2023.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of BrainChip Holdings Limited

Report on the Condensed Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of BrainChip Holdings Limited ("the Company") and its controlled entities ("the Group"), which comprises the consolidated statement of financial position as at 30 June 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration, for the Group comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of BrainChip Holdings Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 30 June 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's responsibilities for the review of the financial report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 30 June 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
