The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

See notes 4 and 5 below for further instructions on how to complete this form.

¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

 $^{^2}$ Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes " \underline{OR} " at the end of the selection and you delete the other options, you can also, if you wish, delete the " \underline{OR} " at the end of the selection.

The Board (led by the Chairman) endeavours to objectively evaluate its own performance and the performance of individual Directors on an annual basis, or earlier when Board vacancies or other relevant events occur that bear on Board composition. The Nomination and Remuneration Committee Charter sets out the responsibility for recognising and analysing any gaps in the skills and experience of the current Board. The Board did not undertake a formal evaluation process during the Reporting Period. However, the Board considers that the comprehensive review undertaken through the process of implementing Board and Management changes in January 2023, which included the appointment of Matt Davey as Executive Chairman, and Committee composition changes in July 2022 satisfies this recommendation. In addition, the Board continuously monitored its performance and processes at its monthly Board meeting via a standing agenda item that addressed the process, content and conduct of each meeting. Please refer to the Company's Nomination and Remuneration Committee Charter available via the Company's website, https://betmakers.com/future-vision/corporate-governance/.

5	2.4	A majority of the board of a listed entity should be independent directors.	Yes	Four of the five Directors of the Company are considered to be independent. The Board comprises four independent non-executive directors (Mr Nick Chan, Mr Simon Dulhunty, Ms Rebekah Giles and Ms Anna Massion) and one executive Director (Mr Matt Davey, President and Executive Chair).
	2.5	The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	Partially	Mr Matt Davey, the Company's Chair, is not the same person as the CEO of the Company. However, Mr Matt Davey is not considered to be an independent Director due to his substantial shareholding in the Company and his role as an executive. It is noted that, during the Reporting Period, Nick Chan was the independent Chair until Matt Davey's appointment on 31 January 2023. The Board believes that the Company's circumstances are currently best served with Matt Davey serving as Executive Chair, notwithstanding the non-compliance Recommendation 2.5, and is satisfied that the four independent directors provide an appropriate level of independence and governance to the Board's composition at this stage.
	2.6	A listed entity should have a program for inducting new Directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as Directors effectively.
