Important Information

This presentation is prepared by Sandon Capital Investments Limited (SNC) for general information purposes only. The information contained in this presentation is for information purposes only and has been prepared for use in conjunction with a verbal presentation and should be read in that context.

The presentation is not a recommendation, offer or invitation by any person or to any person to buy, sell or apply for securities or interests in any company. You should not construe the contents of this presentation as tax or investment advice. No financial product advice is provided in this presentation and nothing in it should be taken to construe a recommendation or statement of opinion that is intended to influence a person in making a financial product decision.

Neither SNC, its manager, Sandon Capital Pty Ltd (Sandon Capital), nor any related or associated companies guarantees the performance of SNC, the return of investor's capital or any specific rate of return.

Nothing in this presentation takes into account any person's investment objectives, financial situation or particular needs. You should seek advice before making any investment decision.

The projected results and any forward-looking statements contained in this presentation are not historical facts. They are based on current expectations, speak only as of the date of this presentation, as the case may be, and are susceptible to a number of risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from those expressed or implied by such projected results and statements. Assumptions relating to the foregoing involve judgments with respect to, among other things, future economic, competitive and

market conditions and future business decisions, all of which are difficult or impossible to predict accurately and many of which are beyond the control of SNC and Sandon Capital. Although we believe that the assumptions underlying any projected results and forward-looking statements are reasonable, any of the assumptions could be inaccurate and, therefore, there can be no assurance that the forward-looking statements included in this presentation will prove to be accurate.

In light of the significant uncertainties inherent in such forward-looking statements, the inclusion of such information should not be regarded as a representation to future results or that the objectives and plans expressed or implied by such forward-looking statements will be achieved. We will not undertake, and specifically decline any obligation to disclose the results of, any revisions that may be made to any forward-looking statements to reflect events or circumstances after the date of such statements or to reflect the occurrence of any events. In addition, it is our policy generally not to make any projections as to future results, and we do not endorse any projections regarding future performance that may be made by third parties.

Any quoted performance is post fees and expenses but before tax and assumes distributions were reinvested. Dollars are AUD, unless otherwise stated. We are not responsible for the statements made by or attributed to others in this presentation. Past performance is no guarantee, nor does it provide any indication, of future returns.

COG Financial Services Ltd (COG)

- COG operates across two business segments:
 - Financial Broking and Aggregation (FB&A)
 - Funds Management (FM)
- FB&A owns finance brokerages as well as an aggregator, which connects brokers with third party financial services providers.
- As FB&A grows so too does its “network effect” – the distribution footprint is almost impossible to replicate
- COG estimates it has a ~21% market share of SME brokered financing
- FM is growing a credit funds management platform. This provides access to additional non-bank funding sources to satisfy client requirements. COG earns both management fees on funds under management and brokerage on the products.
- COG is growing organically and by way of acquisitions
- The most recent acquisition, Paywise, offers salary packaging

A2B Australia Ltd (A2B)

- A2B operates taxi networks and provides taxi payment services
- Taxis were one of the most impacted sectors by COVID-19
- A new board was constituted in early 2022, including a new executive chairman
- The “*Better before bigger*” strategy was announced in July 2022, focusing on rebuilding taxi numbers, property sales and eliminating sub-scale fintech initiatives
- *Better before bigger* recognised the importance of taxi owners and drivers as stakeholders of A2B
- Property Sales:
 - December 2022 – Bourke Road sold for \$19m
 - March 2023 – O’Riordan Street sold for \$78m
 - July 2023 – Oakleigh, VIC property put up for sale
- A2B announced plan to pay 5 cps ordinary dividend plus 55 cps special dividend (subject to completion of O’Riordan St sale)
- These dividends will contribute meaningfully to SNC’s franking balance

Fleetwood Ltd (FWD)

- FWD has three business units:
 - Building Solutions – Australia's largest modular builder
 - Community Solutions – owns and manages accommodation facilities
 - RV Solutions – supplies parts, accessories and services to the recreational vehicle market
- FWD's history of poor performance and unforced errors precipitated a change of Board and management
 - Building Solutions' problems are behind it
 - We expect FY24 will deliver strong profit and dividend growth
- Community Solutions' Searipple facility will benefit from significant future projects planned in the oil and gas, fertiliser, and green energy sectors in Karratha
- Education, affordable housing, retirement lifestyle and defence sectors all provide opportunity for FWD

Coventry Group Ltd (CYG)

- CYG operates through two divisions:
 - Trade Distribution (TD)
 - Fluid Systems (FS)
- TD distributes fasteners and other industrial products through Konnect, Artia and Nubco brands
- FS specialises supply and installation of hydraulic, lubrication, fire suppression and other adjacent systems and products
- CYG's divisions are exposed to the mining & resources, infrastructure, building & construction and manufacturing sectors of the industrial economy
- CYG has materially improved its business. Earnings have grown consistently and the company is now translating those earnings into cash
- The industrial distribution industry remains fragmented, providing consolidation opportunities

Midway Ltd (MWY)

- MWY is one of Australia's largest processors and exporters of wood fibre. It has facilities in Geelong (Vic), Myamyn (Vic), Brisbane (Qld), Bell Bay (Tas) and Melville Island (NT). The company owns 19ha of land at the Geelong Port
- MWY has undergone significant change in recent years – exited loss-making businesses, sold non-core assets, and embarked upon a grain strategy
- Legacy currency hedging and a cyclical downturn in Chinese fibre markets have weighed on financial performance
- The grain strategy, which could monetise part of the Geelong land and defray a take-or-pay contract, remains unresolved
- MWY is establishing an asset management business, specialising in the management of forestry assets, including carbon credits
- The cornerstone of the asset management business is an agreement with one of the world's largest insurers, Munich Re, to manage its forest and carbon credits in Victoria
- Fundamentals for MWY remain in place, though not in plain sight
- Significant opportunities remain for capital management

Global Data Centres Group (GDC)

- GDC is now in value realisation mode (i.e. an orderly sale)
- GDC provides exposure to data centres through a variety of investments:
 - majority ownership stake in Etix Everywhere (Etix), which owns stakes in 10 “edge” data centres in regional France Belgium, Columbia and Thailand
 - a data centre in Perth, WA
 - ~1% stake in AirTrunk, which develops, owns and operates hyperscale data centres in the Asia Pacific region
- GDC continues to trade at a substantial discount to fair value NAV
- Publicly listed data centres are currently trading at significant premiums to the values implied in GDC’s fair value NAV
- When all assets are sold, we expect realisations to exceed fair value NAV
