EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.adveritas.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. ELECTON OF DIRECTORS – BOARD ENDORSED CANDIDATES

3.1 RESOLUTION 2 – ELECTION OF DIRECTOR – JOSUA LOWCOCK

3.1.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Joshua Lowcock, having been appointed by other Directors on 17 July 2023 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.1.2 Qualifications and other material directorships

Mr Lowcock, who resides in New York, currently serves as the Global Chief Media Officer of UM, part of Interpublic Group (NYSE: IPG) which is one of the largest media agencies in the world and trades with a market capitalisation of USD\$15 billion.

In that role, Mr Lowcock oversees all omnichannel media and marketing spend for a variety of Fortune 500 clients, as well as partner ad product, advertising technology, and marketing technology innovation. Mr Lowcock has held similar marketing, media, and technology roles in Australia and China. Mr Lowcock currently serves as a non-executive director of Accent Group Limited and is a non-executive director of Cashrewards Limited. He previously served as a non-executive director of Prime Media Group Limited.

3.1.3 Independence

Mr Lowcock has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Board considers Mr Lowcock will be an independent Director.

3.1.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Lowcock.

Mr Lowcock has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Chair of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Chair of the Company.

3.1.5 Board recommendation

The Board has reviewed Mr Lowcock's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Lowcock and recommends that Shareholders vote in favour of Resolution 2.

3.2 RESOLUTION 3 – RE-ELECTION OF DIRECTOR – RENAUD BESNARD

3.2.1 General

Listing Rule 14.4 and clause 14.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Renaud Besnard, who has served as a Director since 11 July 2017 and was last re-elected on 24 November 2020, retires by rotation and seeks re-election.

3.2.2 Qualifications and other material directorships

Mr Besnard is a senior growth and marketing executive, and founder of Almonte Advisory Inc based in San Francisco. Mr Besnard's roles have included Vice President, Growth lab at PayPal, Senior Director of Global Growth and Product Marketing at Twitter, and Director of Marketing for Asia-Pacific (excl. India) at Uber Technologies Inc. Prior to joining Uber, Mr Besnard was a long-standing Google executive, having spent over 10 years in senior positions in Europe and Asia, including Head of Ads Product Marketing.

Mr Besnard is very experienced at developing and executing marketing strategies and leading global growth operations and marketing campaigns across consumer and advertiser audiences.

Mr Besnard holds a Bachelor of Commerce degree from ESSCA Business School (France), a Masters in International Business from the University of Manchester (UK) and an MBA from the University of Oxford (UK).

3.2.3 Independence

If re-elected the Board considers Mr Besnard will be an independent Director.

3.2.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Besnard will be re-elected to the Board as an independent Director.

In the event that Resolution 3 is not passed, Mr Besnard will not join the Board as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional

consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.2.5 Board recommendation

The Board has reviewed Mr Besnard's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Besnard and recommends that Shareholders vote in favour of Resolution 3.

4. ELECTION OF DIRECTOR – NON-BOARD ENDORSED CANDIDATE

4.1 Resolution 4 – Election of Director – Danny Segman

4.1.1 Resolution NOT supported by the Board

By notice to the Company received on 28 September 2023, Mr Danny Segman, an external non-Board endorsed candidate, has nominated to stand for election as a non-executive Director of the Company in accordance with clause 14.3 of the Company's Constitution. A copy of the consent received from Mr Segman is attached to this Notice (refer Annexure A).

Mr Segman has provided biographical details for inclusion in this Notice of Meeting, a summary of which follows. Other than the biographical detail outlined below, the Company has little knowledge of Mr Segman, his bona fides, experiences or attributes he would bring to the Board. The Board has also not as at the date of this Notice received results of bankruptcy checks or police clearances from Mr Segman that are consistent with the expectations of modern corporate governance encapsulated in the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations* applicable to the Company since 1 July 2020.

As at 11 October 2023, to the best of the Company's knowledge, based on the information provided by Mr Segman, he holds 46,250,000 Shares in the Company and is considered a substantial holder. Mr Segman's current voting power based on the number of Shares held by his related entities (Adman Lanes Pty Ltd and Dulyne Pty Ltd) as at 11 October 2023 equates to 6.99%. The last substantial holder notice lodged by Mr Segman on ASX on 28 August 2023 stated Mr Segman owned 43,125,000 Shares equating to voting power of 6.51%.

4.1.2 Summary of information provided by Mr Segman

Danny Segman notes that he completed a bachelor's degree in 1998 and spent three years at the CBA rising to the position of senior relationship manager in the small business team and since leaving CBA has been involved in running his family office which controls several businesses including the building, financing and operation of a large Melbourne hotel, multiple property developments both large and small around Melbourne and numerous investments in a both listed and unlisted companies. In 2022, Mr Segman undertook a Graduate Certificate in Education Studies which has allowed him to gain a better insight into how education in Australia is delivered.

The Board has not sought to independently verify any of the information contained above.

Mr Segman also notes that he has had experience in the ASX space having been a director of the listed Ironbark Zinc Ltd (ASX : IBG) from May 2019 until April 2020 and was instrumental in appointing a new CEO and Chairman whilst in this role

and with this experience he believes he will be able to assist the Board in focusing its pathway to profitability which he considers as matter of urgency.

4.1.3 Independence

If elected the Board considers Mr Segman would not be an independent Director as he is considered a substantial Shareholder in the Company.

4.1.4 Why is the Board not in support of Resolution 4

For the reasons outlined below, the Board does not support the election of Mr Segman to the Board and unanimously recommends that Shareholders vote AGAINST this resolution.

The Board has met and considered this nomination to the Board. Following this meeting and after due consideration, the Board does not consider, based on the limited information that Mr Segman has provided to the Company, him to have skills or experience that are not otherwise provided by existing members of the Board or that could add value to the Board for the benefit of all Shareholders.

As noted above, if elected to the Board, Mr Segman would not be considered an independent Director as he is a substantial holder in the Company. The Board currently consists of five Directors, three of which are considered to be independent, including the Chair Mr Joshua Lowcock. If Mr Segman was elected to the Board, the Board would no longer have an independent majority. Recommendation 2.4 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations* recommends that a majority of the board of a listed entity should be independent directors. The Company would no long meet this Recommendation 2.4 if Mr Segman is appointed as a Director.

Furthermore, as at the date of this Notice, the Board members represent approximately 19.5% of the issued share capital of the Company and as such the Board does not feel additional shareholder representation is necessary, when also considered alongside the other factors listed in this section.

The Board has a well-defined nomination process to identify and nominate Directors in a professional and structured manner. The Board, at least annually, updates its Board Skills Matrix which assesses its collective skills and experience and identifies skills and characteristics that would be desirable for any new Board candidates. The nomination process is managed by the Board acting under the Nomination Committee Charter with assistance from external advisors, where appropriate. Prospective Director candidates with requisite skills, experience and independence are reviewed and references sought. The process the Board undertakes balances the introduction of new skills to the Board while maintaining sufficient continuity and aims to ensure that Shareholders are given the opportunity to elect the most appropriately qualified and experienced candidates to the Board. By way of example, the appointment of Mr Lowcock in July 2023 following an extensive search process, complements one of the Company's key focuses, being the scaling of the TrafficGuard technology around the world. The knowledge and expertise that Mr Lowcock has in working with verification partners that have partnerships with the world's biggest advertisers, combined with the understanding of the digital ad tech industry is critical at this stage of the Company's journey.

4.1.5 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, Mr Segman will be elected to the Board as a non-independent Director.

In the event that Resolution 4 is not passed, Mr Segman will not join the Board as a non-independent Director.

4.1.6 Board recommendation

The Board does NOT support the election of Mr Segman and recommends that Shareholders vote AGAINST Resolution 4.

5 RESOLUTION 5 – APPROVAL OF 7.1A MANDATE

5.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$31.78 million (based on the number of Shares on issue and the closing price of Shares on the ASX on 10 October 2023).

Resolution 5 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 5.

5.2.1 Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (a) the date that is 12 months after the date of this Meeting;

- (b) the time and date of the Company's next annual general meeting; and
- (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

5.2.2 Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- 5.2.2.1 the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- 5.2.2.2 if the Equity Securities are not issued within 10 trading days of the date in Section 5.2.2.1, the date on which the Equity Securities are issued.

5.2.3 Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for to further streamline onboarding the Company's significant pipeline of enterprise customers, key enhancements to the Company's suite of TrafficGuard products, development of new product features and capabilities, sales and marketing initiatives to further grow the Company's customer base, including self-serve customers and for general working capital.

5.2.4 Risk of Economic and Voting Dilution

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 10 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.024	\$0.048	\$0.072
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	662,014,119 Shares	66,201,412 Shares	\$1,588,834	\$3,177,668	\$4,766,502
50% increase	993,021,178 Shares	99,302,118 Shares	\$2,383,251	\$4,766,502	\$7,149,752
100% increase	1,324,028,238 Shares	132,402,824 Shares	\$3,177,668	\$6,355,336	\$9,533,003

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 662,014,119 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 10 October 2023 (being \$0.048).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options, Performance Rights or convertible notes are exercised or converted into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

5.2.5 Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (a) the purpose of the issue;
- (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (c) the effect of the issue of the Equity Securities on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (e) prevailing market conditions; and
- (f) advice from corporate, financial and broking advisers (if applicable).

5.2.6 Previous approval under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 18 November 2022 (**Previous Approval**).

The Company has not issued any Equity Securities under Listing Rule 7.1A in the 12 months prior to the date of the Meeting.

5.2.7 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

6 RESOLUTION 6 – ADOPTION OF EMPLOYEE INCENTIVE PLAN

6.1 General

Resolution 6 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) and for the issue of up to a maximum of 33,100,706 Securities (being 5% of the Company's current Shares on issue), excluding issues approved by Shareholders under Listing Rule 10.14 or Listing Rule 10.11, under the Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The Company's previous employee incentive plan was last approved in 2020, and the Company has chosen to adopt the new Plan to replace that older plan given changes to legislation around employee incentive plans that have occurred since 2020.

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

6.2 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 6 is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any Securities to eligible participants under the Plan (up to the maximum number of securities stated in Section 6.3(d) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 6 is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

6.3 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 6:

- (a) a summary of the key terms and conditions of the Plan is set out in Schedule 1;
- (b) the Company has not issued any Securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Incentive Plan;
- (c) The Company is seeking Shareholder approval to adopt the Plan to:

- 6.3.1.1 allow the Company to have the option to issue Shares, Options or Performance Rights; and
 - 6.3.1.2 include the new terms and conditions required by Division 1A of Part 7.12 of the Corporations Act, which replaced the previous relief provided by ASIC Class Order 14/1000 (Employee Incentive Scheme); and
- (d) the maximum number of securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exception 13(b)), is 33,100,706 securities being 5% of the current Shares on issue at the date of this Notice. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.
