EXPLANATORY NOTES TO NOTICE OF ANNUAL GENERAL MEETING

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting to be held at Holiday Inn Parramatta, 18-40 Anderson Street, Parramatta NSW 2150 at 11.00 am AEDT on Thursday, 16 November 2023.

This Explanatory Memorandum is to assist Shareholders in understanding the background to, and the legal and other implications of, the Notice and the reasons for the proposed resolutions. Both documents should be read in their entirety and in conjunction with each other.

Terms used but not defined in this Explanatory Memorandum have the meanings given to them in the Glossary.

1. FINANCIAL REPORT AND DIRECTORS' REPORT

The first item of the Notice of Meeting deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2023, together with the Directors' declaration and report in relation to that financial year and the auditor's report on those financial statements. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

Action Required

No resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and make comments on the financial reports and accounts and on the management of the Company.

The Chairman will also provide Shareholders a reasonable opportunity to ask the auditor or the auditor's representative questions relevant to:

- (a) the conduct of the audit;
- (b) the preparation and content of the independent audit report;
- (c) the accounting policies adopted by the Company in relation to the preparation of accounts; and
- (d) the independence of the auditor in relation to the conduct of the audit.

The Chairman will also allow a reasonable opportunity for the auditor or their representative to answer any written questions submitted to the auditor under section 250PA of the *Corporations Act* (which requires questions to be submitted no later than 5 business days prior to the Meeting).

The Company will not provide a hard copy of the financial report to Shareholders unless specifically required to do so. The Financial Report will be available at <http://www.innlanz.com>.

2. RESOLUTION 1 – REMUNERATION REPORT

Background

In accordance with section 250R (2) of the *Corporations Act*, the Company is required to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2023 annual financial report, be adopted. However, such a resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ended 30 June 2023.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting consequences

While the vote on Resolution 1 is advisory only and does not bind the Directors or the Company, under the *Corporations Act*, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the re-election of all of the Directors (other than the Managing Director) who were in office when the applicable Director's Report was approved at the second annual general meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting. All of the Directors (other than the Managing Director) who were in office when the Directors' Report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved by the Shareholders, will be the Directors of the Company. At the Company's previous annual general meeting the votes cast against the Remuneration Report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DR PETER FRENCH AS A DIRECTOR

Background

The Company's Constitution provides that an election of directors must be held at each annual general meeting. Dr French retires and being eligible, wishes to stand for re-election in accordance with the Company's Constitution. Dr French was appointed as a Director of the Company on 6 November 2019.

Dr French was appointed to the Board in November 2018 as a Director. (Qualifications: BSc (Sydney University, 1977); MSc (Sydney University, 1982), PhD Deakin University, 1986), MBA (Deakin University, 2001)). Dr. Peter French is an experienced senior executive and director in public and private companies primarily in the biotechnology and healthcare sector. His roles have included:

- Founder and non-executive director of Cryosite Limited (ASX:CTE) 2000-2006;
- Managing director of Probiomics Limited (ASX:PCC) 2003-2006;
- CEO and Managing director of Benitec Biopharma Limited (ASX:BLT) 2010-2015

Directors' recommendation

The Directors unanimously (excluding Dr French) recommend that the Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF GRANT OF PERFORMANCE RIGHTS TO MR YESH MUDALIAR

General

The Board intends to issue Mr Mudaliar and/or his nominee 2,500,000 Performance Rights to subscribe for 2,500,000 Shares in the Company on the terms and conditions set out in Annexure A to this Explanatory Memorandum (**Performance Rights**). The Performance Rights will be issued under the Company's Executive Incentive Plan (**Plan**).

The Board has considered Principle 8 of the ASX Governance Council's Corporate Governance Principles and Recommendations (4th Edition) which provides that an ASX-listed entity should pay director remuneration which is sufficient to attract and retain high quality directors and design its executive remuneration to attract, retain and motivate high quality senior executives and to align their interests with the creation of value for security holders.

The remuneration arrangements for Mr Mudaliar are intended to provide fair and appropriate rewards for his services as Managing Director of the Company and are comprised of fixed and 'at risk' elements, and are designed to attract, retain and motivate Mr Mudaliar in his role as Managing Director of the Company. The proposed grant of performance rights the subject of this Resolution 3 to Mr Mudaliar under the Plan comprises a substantial component of his 'at risk' remuneration.

The non-executive Directors of the Company's Remuneration Committee have concluded that the remuneration package for Mr Mudaliar (including the proposed grant of the performance rights the subject of this Resolution 3) is reasonable and appropriate having regard to the circumstances of the Company and Mr. Mudaliar's duties and responsibilities as executive Director and Managing Director of the Company.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 requires a listed company to obtain shareholder approval, by ordinary resolution, prior to the issue of securities (including the grant of performance rights) to a Director of the Company under an employee incentive scheme.

Accordingly, Shareholder approval for the issue of the Performance Rights to Mr Mudaliar is required pursuant to ASX Listing Rule 10.14. If Shareholder approval is given under ASX Listing

Rule 10.14, separate approval is not required under ASX Listing Rule 7.1. Shareholders should therefore note that if the issue of Performance Rights to Mr Mudaliar is approved under ASX Listing Rule 10.14, in accordance with Listing Rule 7.2 Exception 14 the issue will not be included in the Company’s 15% placement capacity for the purposes of ASX Listing Rule 7.1.

ASX Listing Rule 10.15 sets out a number of items which must be included in a notice of meeting proposing an approval under ASX Listing Rule 10.14. For the purposes of ASX Listing Rule 10.15, the following information is provided to Shareholders:

- (a) the Performance Rights will be offered and, if accepted, issued to Mr Mudaliar (or his nominee);
- (b) Mr Mudaliar falls within the category of Listing Rule 10.14.1 as he is a Director;
- (c) Total number of Performance Rights to be issued is 2,500,000. With a total of 2,500,000 shares to be issued if all performance rights vest and are exercised;
- (d) Mr Mudaliar ’s remuneration arrangements for FY23 is as follows:

Base Salary	\$110,000 per annum including non-monetary benefits of \$11,000 relating to superannuation.
Discretionary Cash Bonus	Mr Mudaliar may be paid a discretionary cash bonus annually depending on his performance. In FY 2022 and FY 2021 his cash bonus was \$nil.
Other Incentives	Performance rights were issued in February 2019, of which none were vested and exercised as a result of cancellation of the Long-Term Incentive Performance Rights for all employees due to the Pandemic. 2,500,000 performance rights will be issued if Resolution 3 is approved by shareholders.

- (e) The use of the performance rights is to align Director remuneration with creation of shareholder value as the performance rights to be granted to Mr Mudaliar (and therefore the potential issuance of Shares) is linked to the performance of the Company. In addition, in order for the Company to attract and retain quality Directors, the issuance of performance rights forms part of a desirable remuneration package;
- (f) The Company values the performance rights at \$0.02 being the 5-day VWAP up to and including 5 September 2023. As a result, the Company ascribes a total value of \$50,000 to be issued;
- (g) the issue of performance rights will occur as soon as practicable after the Meeting, but in any event no later than 3 years after the date of the AGM Meeting.
- (h) the performance rights will be issued for nil consideration and will vest subject to Mr Mudaliar meeting the vesting conditions over the vesting period with the vesting date being on 1 December 2023; details of the terms and conditions of the Performance

For personal use only

Rights to be issued to Mr Mudaliar are set out in Annexure A to this Explanatory Memorandum;

- (i) no loan will be provided in connection with the issue of the Performance Rights to Mr Mudaliar;
- (j) all executive Directors of the Company are entitled to participate in the Plan.
- (k) details of any securities issued under the Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under the Listing Rules 10.14;
- (l) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after the Resolution is approved and who were not named in the Notice will not participate until approval is obtained under that rule; and
- (m) a voting exclusion statement is included in the notice for Resolution 3.

From an economic and commercial point of view, the Directors do not consider that there are any material costs or detriments for the Company or benefits foregone by the Company in issuing the Performance Rights pursuant to Resolution 3.

The Performance Rights are being issued to Mr Mudaliar with the consent of the Company's Remuneration Committee and in accordance with the Company's remuneration policy and framework, namely that the remuneration is:

- (a) competitive and reasonable, enabling the Company to attract and retain key talent from both the domestic and international marketplaces;
- (b) aligned to the Company's strategic and business objectives and the creation of Shareholder value; and
- (c) acceptable and transparent to Shareholders' Resolution

If shareholder approval is not obtained for this resolution the Company will not issue the performance rights that Mr Mudaliar would have received on vesting as indicated in Annexure A had shareholder approval been obtained and so the Company will need to look to incentivise Mr Mudaliar in other ways.

Directors' recommendation

The Board (with Mr Mudaliar abstaining) recommends that Shareholders vote in favour of Resolution 3 as it provides a low-cost alternative to remunerate Mr Mudaliar while aligning the Company's interests with those of Mr Mudaliar.

5. RESOLUTION 4: APPROVAL OF GRANT OF NED RIGHTS TO DR PETER FRENCH

General

The Board intends to issue Dr French and/or his nominee 2,206,830 NED Rights to subscribe for 2,206,830 Shares in the Company on the terms and conditions set out in Annexure B to this Explanatory Memorandum.

The NED Rights are proposed to be issued to Dr French as remuneration for his services as a

Director of the Company and in lieu of cash remuneration for Director's fees. The number of NED Rights to be granted is calculated based on 1.38 years of directors' fees at \$31,964 p.a. divided by \$0.02 (being the 5-day VWAP up to and including 5 September 2023).

The NED Rights are being granted to Dr French for the sole purpose of remunerating him for his services in lieu of additional cash for his responsibilities as the Non-Executive Director of the Company.

The Board believes that the grant of NED Rights to Dr French is reasonable as the value of the NED Rights will be moderated in accordance with the terms set out in Annexure B to this Explanatory Memorandum. The grant of NED Rights is similarly reasonable to the Company, as they allow for the preservation of cash reserves, and will not substantially dilute the remaining Shareholder's shareholdings.

The Directors have therefore formed the view that the proposed grant of NED Rights to Dr French, is reasonable and appropriate having regard to the circumstances of the Company and Dr French's duties and responsibilities.

Having carefully considered the circumstances of the proposed grant of NED Rights, the board is also of the view that Resolution 4 is not subject to Chapter 2E of the Corporations Act, as the NED Rights fall under the exception for remuneration which is reasonable in the circumstances of the Company and the Director concerned, under section 211(1) of the Corporations Act.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval, by ordinary resolution, prior to the issue of securities (including the grant of NED Rights) to a related party of the Company. Dr French is a related party of the Company by virtue of being a director.

Accordingly, Shareholder approval for the grant of the NED Rights to Dr French is required pursuant to ASX Listing Rule 10.11. If Shareholder approval is given under ASX Listing Rule 10.11, separate approval is not required under ASX Listing Rule 7.1. Shareholders should therefore note that if the issue of NED Rights to Dr French is approved for the purposes of ASX Listing Rule 10.11, the issue will not be included in the Company's 15% placement capacity for the purposes of ASX Listing Rule 7.1.

Specific Information Required by ASX Listing Rule 10.13

ASX Listing Rule 10.13 sets out a number of items which must be included in a notice of meeting proposing an approval under ASX Listing Rule 10.11. For the purposes of ASX Listing Rule 10.13, the following information is provided to Shareholders:

- (a) the NED Rights will be offered and, if accepted, granted to Dr French and/or his nominee;
- (b) the maximum number of NED Rights to be issued is 2,206,830;
- (c) the NED Rights will be issued on a date which will be no later than 1 month after the date of the AGM Meeting;
- (d) the NED Rights will be issued to Dr French in lieu of the payment of additional cash fees to him for the period of 1 July 2023 to 15 November 2024;

- (e) Dr French's current total remuneration package inclusive of 11% superannuation is \$67,444 p.a. This includes cash fees of \$31,964 p.a. and non-executive director NED Rights worth \$31,964 p.a. The total value of 1.38 years' worth of NED Rights the subject of this Resolution 4 is \$31,964 based on a share price of \$0.02 a share;
- (f) no funds will be raised by the issue of the NED Rights to Dr French; and
- (g) the terms and conditions of the NED Rights to be issued to Dr French are set out in Annexure B to this Explanatory Memorandum.

From an economic and commercial point of view, the Directors do not consider that there are any material costs or detriments for the Company or benefits foregone by the Company in issuing the NED Rights pursuant to this Resolution 4.

The NED Rights are being issued to Dr French with the consent of the Company's Remuneration Committee (other than Dr French, who abstained from the discussion and decision) and, in accordance with the Company's remuneration policy and framework, namely that the remuneration is:

- (a) competitive and reasonable, enabling the Company to attract and retain key talent from both the domestic and international market places;
- (b) aligned to the Company's strategic and business objectives and the creation of Shareholder value; and
- (c) acceptable and transparent to Shareholders.

If shareholder approval is not obtained for this resolution Dr French will receive additional directors' fees worth \$31,964 p.a. in cash instead of the NED Rights that he would have received on vesting of each of the tranches over the period indicated in Annexure B which includes a pro-rata amount of \$12,173 for the period between 1 July 2023 to 15 November 2023, had shareholder approval been obtained.

Directors' recommendation

The Directors (other than Dr French) recommend that Shareholders vote in favor of Resolution 4.

6. RESOLUTION 5: APPROVAL OF GRANT OF NED RIGHTS TO MR THEO RENARD

General

The Board intends to issue Mr Renard and/or his nominee 1,576,346 NED Rights to subscribe for 1,576,346 Shares in the Company on the terms and conditions set out in Annexure C to this Explanatory Memorandum.

The NED Rights are proposed to be issued to Mr Renard as remuneration for his services as a Director of the Company and in lieu of cash remuneration for Director's fees.

The number of NED Rights to be granted is calculated based on 1.38 years of directors' fees at \$22,832 p.a. divided by \$0.02 (being the 5-day VWAP up to and including 5 September 2023).

The NED Rights are being granted to Mr Renard for the sole purpose of remunerating him for his services in lieu of additional cash for his responsibilities as the Non-Executive Director of the Company.

The Board believes that the grant of NED Rights to Mr Renard is reasonable as the value of the NED Rights will be moderated in accordance with the terms set out in Annexure C to this Explanatory Memorandum.

The grant of NED Rights is similarly reasonable to the Company, as they allow for the preservation of cash reserves, and will not substantially dilute the remaining Shareholder's shareholdings.

The Directors have therefore formed the view that the proposed grant of NED Rights to Mr Renard, is reasonable and appropriate having regard to the circumstances of the Company and Mr Renard's duties and responsibilities.

Having carefully considered the circumstances of the proposed grant of NED Rights, the board is also of the view that Resolution 5 is not subject to Chapter 2E of the Corporations Act, as the NED Rights fall under the exception for remuneration which is reasonable in the circumstances of the Company and the Director concerned, under section 211(1) of the Corporations Act.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval, by ordinary resolution, prior to the issue of securities (including the grant of NED Rights) to a related party of the Company. Mr Renard is a related party of the Company by virtue of being a director.

Accordingly, Shareholder approval for the grant of the NED Rights to Mr Renard is required pursuant to ASX Listing Rule 10.11. If Shareholder approval is given under ASX Listing Rule 10.11, separate approval is not required under ASX Listing Rule 7.1. Shareholders should therefore note that if the issue of NED Rights to Mr Renard is approved for the purposes of ASX Listing Rule 10.11, the issue will not be included in the Company's 15% placement capacity for the purposes of ASX Listing Rule 7.1.

Specific Information Required by ASX Listing Rule 10.13

ASX Listing Rule 10.13 sets out a number of items which must be included in a notice of meeting proposing an approval under ASX Listing Rule 10.11. For the purposes of ASX Listing Rule 10.13, the following information is provided to Shareholders:

- (h) the NED Rights will be offered and, if accepted, granted to Mr Renard and/or his nominee;
- (i) the maximum number of NED Rights to be issued is 1,576,346;
- (j) the NED Rights will be issued on a date which will be no later than 1 month after the date of the AGM Meeting;
- (k) the NED Rights will be issued to Mr Renard in lieu of the payment of additional cash fees to him for the period of 1 July 2023 to 16 November 2024;
- (l) Mr Renard's current total remuneration package inclusive of 11% superannuation is \$48,176 p.a. This includes cash fees of \$22,832 p.a. and non-executive director NED Rights worth \$22,832 p.a. The total value of 1.38 years' worth of NED Rights the subject of this Resolution 5, is \$22,832 based on a share price of \$0.02 a share;
- (m) no funds will be raised by the issue of the NED Rights to Mr Renard; and

- (n) the terms and conditions of the NED Rights to be issued to Mr Renard are set out in Annexure C to this Explanatory Memorandum.

From an economic and commercial point of view, the Directors do not consider that there are any material costs or detriments for the Company or benefits foregone by the Company in issuing the NED Rights pursuant to this Resolution 5.

The NED Rights are being issued to Mr Renard with the consent of the Company's Remuneration Committee (other than Mr Renard, who abstained from the discussion and decision) and, in accordance with the Company's remuneration policy and framework, namely that the remuneration is:

- (d) competitive and reasonable, enabling the Company to attract and retain key talent from both the domestic and international market places;
- (e) aligned to the Company's strategic and business objectives and the creation of Shareholder value; and
- (f) acceptable and transparent to Shareholders.

If shareholder approval is not obtained for this resolution Mr Renard will receive additional directors' fees worth \$22,832 p.a. in cash instead of the NED Rights that he would have received on vesting of each of the tranches over the period indicated in Annexure C which includes a pro-rata amount of \$8,695 for the period between 1 July 2023 to 16 November 2023, had shareholder approval been obtained.

Directors' recommendation

The Directors (other than Mr Renard) recommend that Shareholders vote in favor of Resolution 5.

7. RESOLUTION 6: APPROVAL OF GRANT OF NED RIGHTS TO MR LEO CUI

General

The Board intends to issue Mr Cui and/or his nominee 945,725 NED Rights to subscribe for 945,725 Shares in the Company on the terms and conditions set out in Annexure D to this Explanatory Memorandum.

The NED Rights are proposed to be issued to Mr Cui as remuneration for his services as a Director of the Company and in lieu of cash remuneration for Director's fees. The number of NED Rights to be granted is calculated based on 1.38 years of directors' fees at \$13,698 p.a. divided by \$0.02 (being the 5-day VWAP up to and including 5 September 2023).

The NED Rights are being granted to Mr Cui for the sole purpose of remunerating him for his services in lieu of additional cash for his responsibilities as the Non-Executive Director of the Company.

The Board believes that the grant of NED Rights to Mr Cui is reasonable as the value of the NED Rights will be moderated in accordance with the terms set out in Annexure D to this Explanatory Memorandum. The grant of NED Rights is similarly reasonable to the Company, as they allow for the preservation of cash reserves, and will not substantially dilute the remaining Shareholder's

shareholdings.

The Directors have therefore formed the view that the proposed grant of NED Rights to Mr Cui, is reasonable and appropriate having regard to the circumstances of the Company and Mr Cui's duties and responsibilities.

Having carefully considered the circumstances of the proposed grant of NED Rights, the board is also of the view that Resolution 6 is not subject to Chapter 2E of the Corporations Act, as the NED Rights fall under the exception for remuneration which is reasonable in the circumstances of the Company and the Director concerned, under section 211(1) of the Corporations Act.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires a listed company to obtain shareholder approval, by ordinary resolution, prior to the issue of securities (including the grant of NED Rights) to a related party of the Company. Mr Cui is a related party of the Company by virtue of being a director.

Accordingly, Shareholder approval for the grant of the NED Rights to Mr Cui is required pursuant to ASX Listing Rule 10.11. If Shareholder approval is given under ASX Listing Rule 10.11, separate approval is not required under ASX Listing Rule 7.1. Shareholders should therefore note that if the issue of NED Rights to Mr Cui is approved for the purposes of ASX Listing Rule 10.11, the issue will not be included in the Company's 15% placement capacity for the purposes of ASX Listing Rule 7.1.

Specific Information Required by ASX Listing Rule 10.13

ASX Listing Rule 10.13 sets out a number of items which must be included in a notice of meeting proposing an approval under ASX Listing Rule 10.11. For the purposes of ASX Listing Rule 10.13, the following information is provided to Shareholders:

- (o) the NED Rights will be offered and, if accepted, granted to Mr Cui and/or his nominee;
- (p) the maximum number of NED Rights to be issued is 945,725;
- (q) the NED Rights will be issued on a date which will be no later than 1 month after the date of the AGM Meeting;
- (r) the NED Rights will be issued to Mr Cui in lieu of the payment of additional cash fees to him for the period of 1 July 2023 to 15 November 2024;
- (s) Mr Cui current total remuneration package inclusive of 11% superannuation is \$28,903 p.a. This includes cash fees of \$13,698 p.a. and non-executive director NED Rights worth \$13,698 p.a. The total value of 1.38 years' worth of NED Rights the subject of this Resolution 6 is \$13,698 based on a share price of \$0.02 a share;
- (t) no funds will be raised by the issue of the NED Rights to Mr Cui; and
- (u) the terms and conditions of the NED Rights to be issued to Mr Cui are set out in Annexure D to this Explanatory Memorandum.

From an economic and commercial point of view, the Directors do not consider that there are any material costs or detriments for the Company or benefits foregone by the Company in issuing the NED Rights pursuant to this Resolution 6.

The NED Rights are being issued to Mr Cui with the consent of the Company's Remuneration Committee (other than Mr Cui, who abstained from the discussion and decision) and, in

accordance with the Company's remuneration policy and framework, namely that the remuneration is:

- (a) competitive and reasonable, enabling the Company to attract and retain key talent from both the domestic and international market places;
- (b) aligned to the Company's strategic and business objectives and the creation of Shareholder value; and
- (c) acceptable and transparent to Shareholders.

If shareholder approval is not obtained for this resolution Mr Cui will receive additional directors' fees worth \$13,698 p.a. in cash instead of the NED Rights that he would have received on vesting of each of the tranches over the period indicated in Annexure D which includes a pro-rata amount of \$5,217 for the period between 1 July 2023 to 15 November 2023, had shareholder approval been obtained.

Directors' recommendation

The Directors (other than Mr Cui) recommend that Shareholders vote in favor of Resolution 6.

8. RESOLUTION 7: APPROVAL OF ADDITIONAL 10% PLACEMENT CAPACITY

General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less.

The Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If the Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If the Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

The Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by direct vote, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Eligibility

An eligible entity under ASX Listing Rule 7.1A is one which, at the date of the resolution, has a market capitalisation of \$300 million or less and is not included in the S&P / ASX 300 Index. At the time of this Notice, the Company has a market capitalisation below \$300 million.

The exact number of equity securities that may be issued pursuant to the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 which provides those eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of equity securities calculated as follows:

$$(A \times D) - E$$

Where:

A is the number of fully paid ordinary securities on issue 12 months before the date of issue or agreement to issue (the **relevant period**):

- plus the number of fully paid ordinary securities issued in the 12 months under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities under rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the relevant period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- less the number of fully paid ordinary securities cancelled in the 12 months;

For personal use only

Note that A has the same meaning in the ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of ordinary securities under ASX Listing Rules 7.1 or 7.4.

Any equity securities issued under the 10% Placement Capacity must be in an existing quoted class of the Company's equity securities. The Company presently has one class of quoted securities, being Shares (ASX Code: INL).

Specific information required by Listing Rule 7.3A

The following information is provided to Shareholders to allow them to assess the Resolution, including for the purposes of ASX Listing Rule 7.3A.

As at the date of this Notice, the Company has the following securities on issue:

- 313,263,608 Shares;
- 46,989,541 Equity Securities under Listing Rule 7.1; and
- Nil Equity Securities under Listing Rule 7.1A.

Minimum price

As required by ASX Listing Rule 7.1A.3, any equity securities issued by the Company under ASX Listing Rule 7.1A can only be issued at a price that is no less than 75% of the volume weighted average market price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the securities are issued.

Duration of 10% Placement Period

Shareholder approval under ASX Listing Rule 7.1A is valid from the date of the Annual General Meeting at which approval is obtained until the earlier of:

- (a) the date which is 12 months after the date of the Annual General Meeting at which the approval was obtained;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the date of approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).

Purpose of additional 10% Placement Capacity

While the Company does not have any immediate plans to issue Shares under the 10% Placement Capacity, the Company may seek to issue securities under the 10% Placement Capacity for working capital, investing activities (including possible complementary business acquisitions if any are identified and approved by the Board), to meet financing commitments or for capital management activities deemed by the Board to be in the best interests of the Company.

The Company will comply with any disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.3 upon the issue of any securities under ASX Listing Rule 7.1A.

Risk of economic and voting dilution to existing Shareholders

If the Resolution is approved by Shareholders and the Company issues securities under the 10% Placement Capacity, the additional economic and voting interests in the Company will be diluted. There is a risk that the market price of the Company's securities may be significantly lower on the issue date than on the date of the Annual General Meeting and the securities may be issued at a price that is at a discount to the market price on the issue date.

The table below shows a number of potential dilution scenarios for a capital raising which may be conducted under ASX Listing Rule 7.1A as required by ASX Listing Rule 7.3A.4 where the number of the Company's Shares on issue (Variable "A" in the formula in ASX Listing Rule 7.1A.2) has remained current or increased by either 50% or 100% and the Share price has decreased by 50%, remained current or increased by 100% based on the closing Share price on ASX at 28 September 2023.

Variable A in ASX Listing Rule 7.1A.2		Dilution		
		\$0.012 50% decrease in Current Market Price	\$0.024 Current Market Price at 28 September 2023	\$0.048 100% increase in Current Market Price
Current Variable A 313,263,608 Shares on issue at 28 September 2023	10% Voting Dilution	31,326,631	31,326,631	31,326,631
	Funds Raised	\$375,916	\$751,833	\$1,503,665
50% increase in current Variable A 469,895,412 Shares	10% Voting Dilution	46,989,541	46,989,541	46,989,541
	Funds Raised	\$563,874	\$1,127,749	\$2,255,498
100% increase in current Variable A 626,527,216 Shares	10% Voting Dilution	62,652,722	62,652,722	62,652,722
	Funds Raised	\$751,833	\$1,503,665	\$3,007,331

For personal use only

The above dilution table uses the following assumptions which the Company does not represent will necessarily occur:

- (a) the “issue price at current market price” is the closing price of the Shares on ASX on 28 September 2023.
- (b) Variable “A” is 313,263,608 which equates to the number of current Shares on issue on 28 September 2023. The number of Shares on issue may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro-rata issue) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders meeting;
- (c) the Company issues the maximum number of securities available under the additional 10% ASX Listing Rule 7.1A approval;
- (d) the table shows only the effect of issues of securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
- (e) no options, warrants, NED Rights or convertible notes (including any options issued under the 10% Placement Capacity) are exercised or converted into Shares before the date of issue of equity securities;
- (f) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
- (g) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of the placements under ASX Listing Rule 7.1A, based on that Shareholder's holding at the date of the Annual General Meeting;
- (h) the issue of Shares under ASX Listing Rule 7.1A consists only of fully paid ordinary shares in the Company; and
- (i) “Funds Raised” are before any capital raising costs which may be incurred.

Allocation policy

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of allottees of equity securities will be determined on a case by case basis having regard to factors including but not limited to the following:

- (a) the methods of raising funds that are then available to the Company;
- (b) the effect of the issue of the equity securities on the control of the Company;
- (c) the financial situation and solvency of the Company; and
- (d) advice from professional and corporate advisers (if applicable).

Allottees under any capital raising which may be conducted under the 10% Placement Capacity pursuant to ASX Listing Rule 7.1A have not been determined as at the date of this Notice of Meeting and may include existing and/or new Shareholders but cannot include any related parties or associates of a related party of the Company.

Previous Issue of Securities under ASX Listing Rule 7.1A

This is the second occasion on which Shareholder approval has been sought under ASX Listing Rule 7.1A, with the Company having received Shareholder approval at the previous AGM held in 2021.

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 30 November 2021. During the 12-month period preceding the date of the Meeting no Equity Securities have been issued.

Compliance with ASX Listing Rules 7.1A.4 and 3.10.3

When the Company issues equity securities pursuant to the 10% Placement Capacity, it will give ASX:

- (a) a list of the names of the persons to whom the Company issues the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with ASX Listing Rule 7.1A.4; and
- (b) the information required by ASX Listing Rule 3.10.3 for release to the market.

At the date of the Notice of Meeting the Company has not invited and has not determined to invite any particular existing Shareholder or an identifiable class of existing Shareholder to participate in an offer under ASX Listing Rule 7.1A. Accordingly, no existing Shareholder will be excluded from voting on this Resolution.

If Resolution 7 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, Innlanz Limited will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7.
