EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (“**Statement**”) accompanies and forms part of the Company’s Notice of Annual General Meeting (“**Notice**”) for the 2023 Annual General Meeting (“**Meeting**”) will be held at virtually at **2.00pm (AEDT) on Thursday, 16 November 2023**.

The Notice incorporates, and should be read together, with this Statement.

Receipt and Consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2023 which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the Auditors Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at +61 3 9692 7222, and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website: www.strategicenergy.com.au or via the Company's announcement platform on ASX under the ASX Code “SER”. Except as set out in Resolution 1, no Resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on, the 2023 Annual Report and the management of the Company. The auditor will be invited to attend, to answer questions about the audit of the Company’s 2023 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s 2023 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the remuneration report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company’s last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution, will not under any circumstances, be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 1.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolution 2: Re-election of Mr Stuart Rechner as a Director of the Company

Background

The Constitution of the Company requires that at every Annual General Meeting, one third of Directors (excluding the Managing Director) shall retire from office and provides that such Directors are eligible for re-election at the meeting. Mr Stuart Rechner being eligible, offers himself for re-election.

Mr Stuart Rechner BSc LLB MAIG MAusIMM GAICD is an experienced company director and geologist with a proven track record in project generation, acquisition, exploration, funding and development in Australia and overseas. Mr Rechner holds degrees in both geology and law. He is a member of the Australian Institute of Geoscientists, the Australasian Institute of Mining and Metallurgy and the Australian Institute of Company Directors. For over ten years Mr Rechner was an Australian diplomat with postings to Beijing and Jakarta.

Board Recommendation

The Board (with Mr Stuart Rechner abstaining) recommends that Shareholders vote in favour of the re-election of Mr Stuart Rechner.

The Chair of the Meeting intends to vote undirected proxies in favour of Mr Stuart Rechner's re-election.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolution 3: Ratification of prior issue of Options to an Employee (or his Nominee)

Background

The Company is seeking shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of 3,000,000 Options issued to Neil Chalmers (or his Nominee), an employee of the Company on 10 October 2023. The Options were issued with zero exercise price and for a term of three years from the date of grant and various vesting conditions.

The Options were issued without shareholder approval from the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2 applies. The issue of the Options was within the Company's available placement capacity under ASX Listing Rules 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and shareholders subsequently approve it. The issue of the Options was within the Company's ASX Listing Rules 7.1 placement capacity and the Company now seeks Shareholder ratification of the issue pursuant to ASX Listing Rule 7.4 so as to refresh its capacity to make further issues (if required) without shareholder approval under Listing Rules 7.1.

If this Resolution is approved, the prior issue of 3,000,000 Options may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 3,000,000 Options counting towards the 15% threshold for the purposes of ASX Listing Rules 7.1.

If this Resolution is not approved, the prior issue of 3,000,000 Options, will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1. The Company will therefore have the 3,000,000 Options as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will limit the Company's placement capacity under the Listing Rule 7.1.

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) The Options were issued to Mr Neil Chalmers, Exploration Manager of the Company;
- b) the number and class of securities issued was 3,000,000 Options in the Company;;
- c) The material terms of the Options are as summarised as follows:
 - i. Three-year term from the date of grant
 - ii. Exercise price of Nil being Zero Exercise Price Options;
 - iii. Subject to various vesting conditions both operational and retention;
- d) the Options were issued on 10 October 2023;
- e) Being Zero Exercise Price Options, the Company will receive no consideration at issue or conversion; and
- f) the purpose of the issue was to provide a reasonable incentive to key employee to align their interests with shareholders.

Board Recommendation

The Board recommends that shareholders vote in favour of Resolution 3.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolutions 4 and 5: Approval to Grant Performance Options to Mr Stuart Rechner and Mr David DeTata (or their Nominees)

Background

Resolutions 4 and 5 of this Notice provides for a grant of 10 million Performance Options to each of Mr Stuart Rechner and Dr David DeTata (or their nominees), on the terms described below as their FY2023 Short Term Incentive (STI), as well as approval for the issue of any Shares on vesting and exercise of the Performance Options.

Performance Options are proposed to be granted to Mr Stuart Rechner and Dr David DeTata to align executive incentives with shareholder value. The Performance Options have significant vesting hurdles based on share price appreciation and the achievement of operational objectives; to achieve a full award would require exceptional share price performance and operational results. The grant of the Performance Options (and any subsequent issue of Shares if certain vesting conditions are met) to Mr Stuart Rechner and Dr David DeTata is a cash retentive form of remuneration when compared to the payment of cash consideration. The Performance Options will be granted no later than one month after the date of the Meeting and will have a 3-year term from the grant date and a Nil exercise price.

It is proposed that the Mr Rechner and Dr DeTata (or their nominees) be granted a total of 20,000,000 Performance Options (details below). The FY24 STI has been determined by the Share price quoted for the issue of Placement shares undertaken in June 2023 being \$0.014 (1.4 cents per security).

The following details are provided in respect of each proposed issue of Performance Options:

Resolution	Name of the Allotee (Director or their appointed nominee)	Number of Performance Options (in separate tranches with vesting conditions)	Remuneration Package
4	Mr Stuart Rechner	10,000,000	<p>\$75,000 plus statutory superannuation for Chair responsibilities.</p> <p>Plus \$1,500 per day as a technical consultant expected to be 4 days per month (may be increased upon mutual consent).</p> <p>He is eligible to participate in the Company's long-term incentive arrangements on terms decided by the Board, subject to necessary shareholder approvals.</p>
5	Dr David DeTata	10,000,000	<p>\$300,000 plus statutory superannuation and he is eligible to participate in the Company's long-term incentive arrangements on terms decided by the Board, subject to necessary shareholder approvals.</p>
Total		20,000,000	

The vested Performance Options will be exercised upon the Company's receipt of a valid exercise notice. The vested Performance Options will be exercisable from the vesting date until three years after the grant date, subject to the Company's Securities Trading Policy. Each Performance Option entitles the holding Director to one ordinary fully paid Share in the Company. Prior to vesting and exercise, Performance Options do not entitle holding Director to any dividends or voting rights.

Terms of the Performance Options

The Performance Options will be granted, subject to the Shareholder approval. The following additional terms and conditions are attached to the Performance Options:

- a) **Grant Date:** Following shareholder approval for the issue of the Options. The Options will be granted no later than one month after the date of the meeting;
- b) **Unvested Options:** Options that remain unvested on 31 July 2024 will lapse immediately;

Section 228 of the Corporations Act defines a "related party" for the purposes of Chapter 2E to include a Director of the public company. A "financial benefit" is defined in section 229 of the Corporations Act and includes granting a Performance Options to a related party. Mr Stuart Rechner and Dr David DeTata are Directors of the Company and thus are related parties for the purposes of Chapter 2E of the Corporations Act.

The Board has formed the view that the grant of Performance Options to Mr Stuart Rechner and Dr David DeTata above, does not require Shareholder approval under section 208 of the Corporations Act as the grant constitute "reasonable remuneration" in accordance with section 211 of the Corporations Act. Accordingly, the Board is not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.11.

In reaching this view, and consistent with the desire to minimise cash expenditures, the Board believes that having regard to the current market practices the Board considers that the proposed grant of Performance Options aligns the interests of Mr Rechner and Dr DeTata with the interests of Shareholders. The grant of Performance Options to Mr Rechner and Mr DeTata is a cost-effective form of remuneration when compared to the payment of cash consideration.

The Company believes it is appropriate to grant the Performance Options to Mr Rechner and Dr DeTata. Smaller entities with limited cash resources often elect to use equity instruments to remunerate directors to attract and retain high calibre individuals while minimising the cash cost of engaging those people.

Consistent with the desire to minimise cash expenditures, the Board believes that having regard to the current market practices, the Performance Options provide an appropriate and meaningful remuneration component to Mr Rechner and Dr DeTata that is aligned with Shareholder interests.

ASX Listing Rule 10.11

Listing Rule 10.11 requires a listed Company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party of the Company. Approval pursuant to Listing Rule 7.1 is not required in order to issue the securities to the Directors as approval is being obtained under Listing Rule 10.11.

If Resolutions 4 and 5 are passed, the Company will be able to proceed with the issue of a total of 20,000,000 Performance Options (being 10,000,000 Performance Options respectively to each of Mr Rechner and Dr DeTata).

If Resolutions 4 and 5 are not passed, the Company will not proceed with the issue of a total of 20,000,000 Performance Options (being 10,000,000 Performance Options respectively to each of Mr Rechner and Dr DeTata).

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolutions 4 and 5:

SPECIAL BUSINESS

Resolution 7: Renewal of Takeover provision

Background

Clause 7 of the Company's Constitution currently contains provisions dealing with proportional takeover bid for the Company's securities in accordance with the Corporations Act (**Proportional Takeover Provisions**). A copy of the Constitution is available on the Company's website at <https://strategicenergy.com.au/>.

A "proportional takeover bid" means an off-market bid for a specified proportion of the Company's securities in a class of securities for which a takeover bid has been made. It is not a bid for all securities held by all members of that class, only proportion of the securities each holds. Accordingly, if a Shareholder accepts the offer in full under a proportional takeover bid, the Shareholder will dispose of the specified portion of their Shares in the Company and retain the balance of their Shares.

The provisions in Clause 7 are designed to assist Shareholder to receive proper value for their shares if a proportional takeover bid is made for the Company.

Part 6.5 Subdivision 5C of the Corporations Act provides that these Proportional Takeover Provisions cease to apply at the end of 3 years from their adoption (or last renewal), but that they may be renewed by special resolution of the Company's shareholders. The Proportional Takeover Provisions were last renewed at the Company's Annual General Meeting of 18 November 2020. The Board believes it is appropriate that the Proportional Takeover Provisions of the Company's Constitution (Rule 7) be renewed, in accordance with the provisions of the Corporations Act, such that they will continue to be operative.

Section 648G of the Corporations Act states that a company may renew its proportional takeover approval provisions in the same manner in which the company could alter its constitution to insert such provisions. In order to alter its Constitution to include such provisions, the Company relies on section 136(2) of the Corporations which states that a company may modify, or repeal its constitution, or a provision of its constitution, by special resolution. Accordingly, this Resolution is proposed as a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Resolution to renew the Proportional Bid Provisions is proposed as a special resolution. Accordingly, to be passed at least 75% of the votes validly cast on the Resolution by shareholders eligible to vote on the Resolution by number of shares must be in favour of the Resolution

In seeking approval for the renewal of the Proportional Takeover Provisions, section 648G of the Corporations Act requires the Company to provide the below information to its Shareholders.

Effect of provisions proposed to be renewed

Clause 7 of the Constitution provides that the Company is prohibited from registering any transfer of shares giving effect to a contract of sale pursuant to a proportional takeover bid unless and until after the proposed transfer has been approved by the members at a general meeting of the Company (Approving Resolution). The person making the offer for the securities (Offeror) (and their associates) cannot vote on the Approving Resolution and the Approving Resolution requires the approval of more than 50% of members who are entitled to vote at that meeting.

The **Resolution Deadline** is the 14th day before the last day of the bid period.

Where, as at the end of the day before the resolution deadline, no Approving Resolution to approve the Proportional Bid has been voted on, an Approval Resolution to approve the Proportional Bid is deemed to have been passed.

If an Approving Resolution is voted on and rejected:

(a) despite section 652A of the Corporations Act:

- a. all offers under the proportional off-market bid that have not been accepted as at the end of the resolution deadline; and
- b. all offers under the proportional off-market bid that have been accepted and from whose acceptance binding contracts have not resulted as at the end of the resolution deadline,

are deemed to be withdrawn at the end of the resolution deadline;

(b) as soon as practicable after the Relevant Day, the bidder must return to each person who has accepted any of the offers any documents that were sent by the person to the bidder with the acceptance of the offer;

(c) the bidder:

- a. is entitled to rescind; and
- b. must rescind as soon as practicable after the resolution deadline,

each binding takeover contract resulting from the acceptance of an offer made under the proportional off-market bid; and

(d) a person who has accepted an offer made under the proportional off-market bid is entitled to rescind the takeover contract (if any) resulting from the acceptance

Reason for the resolution

Clause 7 of the Constitution is required to be renewed as more than 3 years have passed since the last renewal of the Constitution. Section 648(G)(1) of the Corporations Act provides that Proportional Bid Provisions such as provided in Clause 36 cease to apply at the end of 3 years from their adoption (or their last renewal). Section 648(G)(4) enables shareholders to approve a renewal of Proportional Takeover Approval Provisions.

The Board believes that shareholders should continue to have the choice of considering whether to accept a bid for what might become control of the Company without the shareholders having the opportunity to dispose of all of their securities (rather than just some of their securities, as would be the case under a Proportional Bid). To preserve this choice, Clause 36 needs to be renewed. If Clause 36 is renewed and any Proportional Bid (if any) is subsequently approved by shareholders, each shareholder will still have the right to make a separate decision whether that shareholder wishes to accept the Proportional Bid for their own securities.

Awareness of current acquisition proposals

As at the date of this Explanatory Statement, none of the Directors are aware of any proposal for any person to acquire (or increase the extent of) a substantial interest in the Company from its current level.

Advantages and disadvantages of the Proportional Takeover Approval Provisions since last renewed

As there have been no takeover bids made for any of the shares in the Company since the last renewal of the Proportional Takeover Approval Provisions, there has been no application of Clause 36. It may be argued that the potential advantages and disadvantages described below have also applied for the period since adoption of Clause 36.

Potential advantages and disadvantages of the proposed resolution for both directors and shareholders

The renewal of the Proportional Takeover Approval Provisions will enable the Directors to formally ascertain the views of Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that the renewal of the Proportional Takeover Approval Provisions has no potential advantages or potential disadvantages for them as they remain free to make a recommendation on whether a proportional takeover offer should be approved.

The potential advantages of the Proportional Takeover Approval Provisions for Shareholders of the Company are:

- all Shareholders are given the opportunity to consider and vote upon a Proportional Bid;
- Shareholders have the right to determine by majority vote whether a Proportional Bid should proceed;
- the provisions may assist Shareholders to avoid being locked in as a minority;
- increase in Shareholders' bargaining power which may assist in ensuring that any Proportional Bid is adequately priced;
- Shareholders, as a group, may more effectively advise, contribute to or guide the Directors' response to a partial bid;
- the Proportional Bid Provisions may increase the likelihood that any takeover offer will be a full bid for the whole shareholding of each member, so that member will have the opportunity to dispose of all of their shares rather than only a portion; and
- knowing the view of the majority of Shareholders assists each individual Shareholder in assessing the likely outcome of the Proportional Bid and whether to accept or reject an offer under the bid.

The potential disadvantages of the Proportional Takeover Approval Provisions for Shareholders include:

- the likelihood of a Proportional Bid being successful may be reduced and the provisions may discourage the making of Proportional Bids in respect of the Company;
- the provisions may reduce the opportunities which Shareholders may have to sell all or some of their Shares at a premium to persons seeking control of the Company and may reduce any takeover speculation element in the Company's share price;
- the provisions may be considered an additional restriction on the ability of individual Shareholders to deal freely in their Shares;
- an individual member that wishes to accept the partial offer will be unable to sell to the offeror unless a majority of members vote in favour of the partial takeover bid; and
- if a partial takeover bid is made, the Company will incur the costs of calling a shareholders meeting.

Board Recommendation

Balancing the above advantages and disadvantages, the Board is of the view that the advantages of renewing the Proportional Takeover Provisions outweigh any disadvantages and unanimously recommend the renewal. Accordingly, Shareholder approval is sought pursuant to this Resolution.

The Chair of the meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 8: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

This Resolution seeks Shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this Resolution will be to allow the Company to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without any further Shareholder approval, in addition to the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve this Resolution, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities being Fully Paid Ordinary Shares.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D)–E

- A** is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12 month period immediately preceding the date of the issue or agreement):
- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
 - (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - (D) plus the number of fully paid shares issued in the relevant period with approval under Listing Rules 7.1 or 7.4;
 - (E) plus the number of partly paid shares that became fully paid in the relevant period;
 - (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer above).

(e) Nature of consideration for issue and Minimum Issue Price

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; and

- (iii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) If this Resolution is approved by Shareholders, the period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 16 November 2023, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained, being 16 November 2024;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) The purposes for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
 - (i) consideration for the acquisition(s) of new assets and investments, including the expenses associated with such acquisition(s); and
 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 9 October 2023 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Dilution Table

Variable 'A' in Listing Rule 7.1A.2	Dilution Scenario	Assumed Issue Prices, based on:		
		50% decrease in Current Share Price \$0.0075	Current Share Price \$0.015	100% increase in Current Share Price \$0.030
Current Variable A 485,815,140 Shares	10% Voting Dilution	48,581,514 Shares		
	Funds raised	\$364,361	\$728,723	\$1,457,445
50% increase in current Variable A 728,722,710 Shares	10% Voting Dilution	72,872,271 Shares		
	Funds raised	\$546,542	\$1,093,084	\$2,186,168
100% increase in current Variable A 971,630,280 Shares	10% Voting Dilution	97,163,028 Shares		
	Funds raised	\$728,723	\$1,457,445	\$2,914,891

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Quoted Options, it is assumed that those Quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The Current Share Price is \$0.015 (1.5 cents), being the closing price of the Shares on ASX 9 October 2023.

- (e) The Company will comply with the disclosure obligations under Listing Rule 7.1A(4) upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (e) Previous issues over the Last 12 Months – Listing Rule 7.3A.6

The table below shows the total number of equity securities issued in the past 12 months preceding the date of the Annual General Meeting under Listing Rule 7.1A.2, and the percentages those issues represent of the total number of equity securities on issue at the commencement of the 12-month period.

Number of equity securities on issue at commencement of 12-month period	296,743,712
Equity securities issued in the prior 12-month period under Listing Rule 7.1A.2*	29,674,371
Percentage of equity securities represent of total number of equity securities on issue at commencement of 12-month period	10%

**For full details of issues of equity securities made by the Company under listing rule 7.1A.2 since the date of the last Annual General Meeting, see Annexure A.*

Special Resolution

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by Shareholders present or represented, and eligible to vote.

Board Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.
