# WEST WITS MINING LIMITED ACN 124 894 060 ANNUAL GENERAL MEETING EXPLANATORY MEMORANDUM

This Memorandum has been prepared for the information of members of West Wits Mining Limited [ACN 124 894 060] (the "**Company**") in connection with the business to be conducted at the 2023 Annual General Meeting ("**Meeting**") of Shareholders of the Company to be held at the offices of William Buck, Level 20, 181 William Street, Melbourne VIC 3000 on 23 November 2023 at 3.00pm (Melbourne time).

Shareholders are strongly encouraged to lodge their directed proxy forms in accordance with the instructions set out therein to vote before the Meeting.

This Memorandum should be read in conjunction with, and forms part of, the accompanying Notice.

## BUSINESS

#### **2023** Annual Financial Statements

The Annual Financial Statements, comprising the Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2023 will be laid before the meeting. Shareholders will have the opportunity to ask questions about, or make comments on, the 2023 Annual Financial Statements and the management of the Company. A representative of the auditor will be invited to attend, to answer questions about the audit of the Company's 2023 Annual Financial Statements.

As permitted by the Corporations Act, a printed copy of the Company's 2023 Annual Report has been sent only to those shareholders who have elected to receive a printed copy. A copy of the 2023 Annual Report is available from the Company's website (www.westwitsmining.com) and the ASX announcements page of the Company (www2.asx.com.au, search code "WWI"). A copy of the 2023 Annual Report can also be obtained upon request to Simon Whyte, the CFO and joint Company Secretary, by email to swhyte@WestWitsMining.com.

There is no requirement for these reports to be formally approved by shareholders. No resolution is required to be moved in respect of this item.

#### **Resolution 1: Non-binding Resolution - Remuneration Report**

The Company is required pursuant to the Corporations Act 2001 (Cth) ("**the Corporations Act**"), to propose a non-binding resolution regarding the 2023 Remuneration Report, which forms part of the Director's Report in the 2023 Annual Financial Statements. The vote is advisory only and does not bind the Directors or the Company.

Shareholders attending the 2023 Annual General Meeting of the Company will have an opportunity to discuss and put questions in respect of the Remuneration Report.

The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies. Under the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings (AGM) (treating this AGM as the first such meeting), shareholders will be required to vote at the second of those AGM's on a resolution (a **spill resolution**) that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director and CEO) must be put up for re-election. The vote on the Remuneration Report contained in the Company's 2022 Annual Financial Statements was passed with the support of more than 75% of votes thus a spill resolution will not be required in the event 25% or more of votes that are cast are against the adoption of the 2023 Remuneration Report. However, in the event that 25% or more of votes that are cast are against the adoption of the 2023 Remuneration Report, shareholders should be aware that if there is a 'no' vote of 25% or more for the same resolution at the 2024 AGM the consequences are that it may result in the re-election of the Board.

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice. In particular, Directors and other members of the key management personnel details of whose remuneration are included in the Remuneration Report or a closely related party of those persons must not vote on Resolution 1 and must not cast a vote as proxy, unless the proxy appointment gives a direction on how to vote provided however that the Chair may vote undirected proxies on behalf of persons eligible to vote where expressly authorised to do so on the proxy form.

#### **Resolution 4: Approval of 10% placement facility**

ASX Listing Rule 7.1A enables eligible entities to issue equity securities (as that term is defined in the ASX Listing Rules) up to 10% of their issued share capital through placements over a 12-month period after an AGM (**10% Placement Facility**). The 10% Placement Facility is in addition to a company's 15% placement capacity under ASX Listing Rule 7.1. An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

The Company is, at the date of the Notice, an eligible entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability to issue equity securities under the 10% Placement Facility. The exact number of equity securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer below). The Company may use funds raised from any issue(s) under the 10% Placement Facility for development of its existing business and any acquired business, or funding new projects or business opportunities and/or general working capital.

The Company obtained shareholder approval to make issues under ASX Listing Rule 7.1A at its 2022 AGM. This Shareholder approval will lapse on the date of this Meeting.

The Company seeks to refresh the shareholder approval so as to continue to be able to make issues under the 10% Placement Facility after the Meeting in accordance with ASX Listing Rule 7.1A.

If shareholders pass Resolution 4, the Company may be able to issue the number of equity securities under the 10% Placement Facility in accordance with the formula prescribed by ASX Listing Rule 7.1A.2 (as set out below). If shareholders do not pass Resolution 4, the Company will not be able to issue any equity securities under the 10% Placement Facility.

The Directors believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

# **DESCRIPTION OF LISTING RULE 7.1A**

D

*E* is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement has not been subsequently approved by the holders of ordinary securities under ASX Listing Rule 7.4.

#### ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue equity securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

As at the date of this Meeting, the Company has 2,321,300,739 ordinary shares on issue and will therefore (subject to the passage of the other resolutions at the Meeting) have capacity to issue:

- (i) 348,195,110 equity securities under Listing Rule 7.1 (15% capacity); and
- (ii) subject to shareholders approving this Resolution 4, 232,130,073 (provided such equity securities are in a class of quoted equity securities) under Listing Rule 7.1A.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer above).

#### Minimum Issue Price

The issue price of equity securities issued under ASX Listing Rule 7.1A must be not less than 75% of the volume weighted average price (**VWAP**) of equity securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the relevant equity securities are to be issued is agreed by the Company and the recipient of the relevant equity securities; or
- (ii) if the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.

#### 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained and expires (and ceases to be valid) on the earlier to occur of:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the time and date of the next AGM of the Company; or
- (iii) the date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

#### (10% Placement Period).

# ASX Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors of the Company to issue the equity securities under ASX Listing Rule 7.1A during the 10% Placement Period separate to the Company's 15% placement capacity under ASX Listing Rule 7.1. Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

# SPECIFIC INFORMATION REQUIRED BY ASX LISTING RULE 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- Any equity security issued will be issued at an issue price of not less than 75% of the VWAP for the Company's equity securities over the 15 trading days immediately before:
  - (i) The date on which the price at which the relevant equity securities are to be issued is agreed by the Company and the recipient of the relevant equity securities; or
  - (ii) If the equity securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the equity securities are issued.
  - If Resolution 4 is approved by the Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company would be diluted as shown in the below table. There is a risk that:
  - (i) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of the Meeting; and
  - (ii) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the quantum of funds raised by the issue of the equity securities.

The table below shows the dilution of existing shareholders on the basis of the current market price of the Company's ordinary shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of the Notice. The table also shows:

- Two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future shareholders' meeting.
- Two examples of where the price of ordinary shares has decreased by 50% and increased by 50% as against the current market price (being \$0.015 (1.5 cents), the closing price of the Company's ordinary shares at close of trading on 2 October 2023).

#### The table above has been prepared on the following assumptions:

- The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting.
- No options are exercised or performance rights converted into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A.
- The table does not demonstrate an example of dilution that may be caused to a particular Shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting.
- The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1.
- The deemed price in the table is indicative only and does not consider the maximum 25% discount to market that the securities may be placed at under ASX Listing Rule 7.1A.

The Company may seek to issue the equity securities under the 10% Placement Facility for cash consideration. In such circumstances, the Company intends to use the funds raised (if any) towards developing its existing business and any acquired business, or to fund new projects or business opportunities and/or for general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 upon issue of any equity securities under the 10% Placement Facility.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

Due to the forward looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company were to pursue an acquisition and were it to be successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new assets or investments (provided that the shares were issued for cash consideration).

The Company has previously obtained shareholder approval under ASX Listing Rule 7.1A at its 2022 AGM. The Company issued 185,714,286 equity securities (ordinary shares) under the Company's 10% Placement Capacity under ASX Listing Rule 7.1A as approved by shareholders at its 2022 AGM, representing 8.39% of the total number of securities on issue 12 months prior to the date of the Meeting. Details as required by ASX Listing Rule 7.3A.6 for the issue are set out below:

# Corporations Act – Chapter 2E

Under Chapter 2E of the Corporations Act, a public company cannot give a "financial benefit" to a "related party" unless one of the exceptions to the section apply or shareholders have in a general meeting approved the giving of that financial benefit to the related party.

Michael Quinert, who is proposed to receive Performance Rights under Resolution 9, is a director and therefore a related party of the Company as defined under the Corporations Act.

Section 211 of the Corporations Act provides that one of the exceptions to the requirement to obtain shareholder approval for giving a financial benefit to a related party is where the benefit is given to the related party as an officer of the Company and to give the remuneration would be reasonable given:

- (a) the circumstances of the Company; and
- (b) the related party's circumstances (including the responsibilities involved in the office or employment).

The Company considers the proposed issue is reasonable remuneration and, as such, falls within the exception set out in section 211 of the Corporations Act.

In reaching this view, the Company has considered the position and responsibilities of Michael Quinert, the Company's reliance on a limited number of personnel, the need for the Company to effectively incentivise each of the Directors while aligning the incentive with increasing shareholder value and the success of the Company, the desirability of preserving cash resources within the Company, and the terms of the Performance Rights. The Company considers that the issue of the Performance Rights is an effective tool which preserves the cash reserves whilst providing valuable consideration.

# Corporations Act – Section 195(4)

Notwithstanding the above, and although no Director participated in the decision making process in respect of securities proposed to be issued to them, the Directors acknowledge that Resolutions 9 to 10D separately relate to each of them. Accordingly, Directors propose that Resolutions 9 to 10D each also be put to shareholders for the purposes of section 195(4) of the Corporations Act such that shareholders determine whether the named related parties will be issued the respective securities the subject of Resolutions 9 to 10D.

# Corporations Act – proxy voting prohibition

A proxy voting prohibition in accordance with Section 250BD of the Corporations Act applies to Resolution 9.

# Resolutions 10A to 10D: proposed issue of options to related parties – Directors

# *Corporations Act – Chapter 2E*

Under Chapter 2E of the Corporations Act, a public company cannot give a "financial benefit" to a "related party" unless one of the exceptions to the section apply or shareholders have in a general meeting approved the giving of that financial benefit to the related party.

Each of the proposed recipients of unlisted options under Resolutions 10A to 10D is a director and therefore a related party of the Company as defined under the Corporations Act.

Section 211 of the Corporations Act provides that one of the exceptions to the requirement to obtain shareholder approval for giving a financial benefit to a related party is where the benefit is given to the related party as an officer of the Company and to give the remuneration would be reasonable given:

- (a) the circumstances of the Company; and
- (b) the related party's circumstances (including the responsibilities involved in the office or employment).

The Company considers the proposed issue is reasonable remuneration and, as such, fall within the exception set out in section 211 of the Corporations Act.

In reaching this view, the Company has considered the respective positions and responsibilities of each of the proposed recipients, the Company's reliance on a limited number of personnel, the need for the Company to effectively incentivise each of the Directors while aligning the incentive with increasing shareholder value, the desirability of preserving cash resources within the Company, and the terms of the options. The Company considers that the issue of the options is an effective tool which preserves the cash reserves of the Company whilst providing valuable consideration.

# Corporations Act – Section 195(4)

Notwithstanding the above, and although no Director participated in the decision making process in respect of securities proposed to be issued to them, the Directors acknowledge that Resolutions 9 to 10D separately relate to each of them. Accordingly, Directors propose that Resolutions 9 to 10D each also be put to shareholders for the purposes of section 195(4) of the Corporations Act such that shareholders determine whether the named related parties will be issued the respective securities the subject of Resolutions 9 to 10D.

# Corporations Act – proxy voting prohibition

A proxy voting prohibition in accordance with Section 250BD of the Corporations Act applies to Resolutions 10A to 10D.

#### Resolution 11: adoption of employee incentive scheme

#### Background

Resolution 11 seeks shareholder approval for the adoption of an employee incentive scheme, being the Employee Security Ownership Plan (**Plan**). A summary of the Plan is set out in Annexure E and a copy of the Plan can be provided on request.

#### ASX Listing Rules

ASX Listing Rule 7.1 requires that shareholder approval is required for an issue of securities if the securities will, when aggregated with the securities issued by the entity during the previous 12 months, exceed 15% of the number of securities

on issue at the commencement of that 12-month period.

ASX Listing Rule 7.2 Exception 13 provides an exception to ASX Listing Rule 7.1 for securities issued under an employee incentive scheme within 3 years of shareholder approval of the scheme. The Company therefore seeks approval of the Plan for the purposes of ASX Listing Rule 7.2 Exception 13 so that issues of securities under the Plan do not impede the capacity of the Company to issue up to a further 15% of its capital without shareholder approval.

The following information is provided in accordance with Listing Rule 7.2 Exception 13(b):

- A Summary of the material terms of the Plan is set out in Annexure E to this Memorandum.
- The Company proposes issuing 10,000,000 Performance Rights and 24,000,000 unlisted options under the Plan, subject to shareholder approval which is sought under Resolutions 9 to 10D.
- The maximum aggregate number of securities that may be issued under the Plan is 230,000,000, which represents approximately 10% of the issued share capital of the Company at the date of the Notice. The maximum aggregate number of securities excludes the proposed issues under Resolutions 9 to 10D.
- A voting exclusion statement and proxy voting prohibition set out in the Notice applies to Resolution 11.

#### **Corporations Act**

The Plan constitutes an 'employee share scheme' for the purposes of the Corporations Act as it provides for the acquisition (subject to vesting conditions) of securities in the Company. If such a scheme has been approved by Shareholders then any financial assistance that the Company might give to acquire its own shares (eg providing an interest-free loan) is exempted from the prohibition in section 260A of the Corporations Act. Section 260A requires financial assistance that might be considered to materially prejudice the interests of the Company or its shareholders or the Company's ability to pay its creditors to be approved by Shareholders under section 260B and advance notice to be provided to ASIC. The provision of a loan to participants may be considered financial assistance for the purposes of the Corporations Act. Accordingly, the Board considers it desirable and appropriate to seek Shareholder approval for the Plan for the purposes of section 260C(4).

Section 257B(1) of the Corporations Act sets out the procedure for various forms of share buy-back, including an "employee share scheme buy-back". In order for the Company to undertake a buy-back of Shares under the Plan (in circumstances where Shares are forfeited by participants in accordance with their terms of issue) using the employee share scheme buy-back procedure under the Corporations Act, the Plan must be approved by shareholders. Accordingly, shareholders are asked to approve the Plan in order for the Company to undertake a buy-back of Shares under the Plan using the employee share scheme buy-back procedure.

Approval of the Plan for the purposes of section 259B(2) of the Corporations Act will allow the Company to take security over its own shares issued on exercise of Options granted under the Plan. The rules of the Plan provide the option for the Company to obtain security over its own shares and it is envisaged that issued Shares may be subject to restrictions on disposal. Approval of the Plan for the purposes of s259B(2) of the Corporations Act removes any doubt about the efficacy of such restrictions on the basis they may constitute a 'security' over the shares.

#### General

An electronic copy of the Plan will be made available to shareholders upon request to the Company.

A voting exclusion statement as set out in the Notice applies to this Resolution 11.

- f) Not transferable: the Performance Rights are not transferable.

- g) **Shares:** Shares are issued upon exercise of Performance Rights shall, subject to any Sale Restrictions (refer paragraph (h)), rank equally in all respects with all other Shares on issue.
- h) Sale Restrictions: Shares issued to employees (or their eligible nominee) of the Group on exercise of Performance Rights may not be sold for a period of four (4) months following the issue of the Shares (Restricted Period). The Board may, in its sole discretion, having regard to the circumstances at the time, waive the Restriction Period.

**No Participation Rights:** There are no participating rights and entitlements inherent in the new Performance Rights and Performance Right-holders will not be entitled to participate in new issues of capital offered to shareholders of the Company during the currency of the Performance Rights without exercising their Performance Rights. However, the Company will ensure the Performance Right-holders will be allowed twenty business days' notice to convert any vested and unexpired Performance Rights to Shares in order to participate in an entitlement issue on the same basis as shareholders of the Company.

**Change of Control:** All Vesting Conditions are deemed to be automatically waived upon a Change of Control occurring.

Change of Control means:

- a. a bona fide Takeover Bid is declared unconditional and the bidder has acquired a Relevant Interest in at least 50.1% of the Company's issued Shares;
- b. a court approves under Section 411(4)(b) of the Corporations Act, a proposed compromise or arrangement for the purpose of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or
- c. in any other case, a person obtains Voting Power in the Company that the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that Voting Power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board;
- d. but does not include a corporate transaction with an entity listed on an overseas stock exchange (**Overseas Entity**) where the sole purpose of the transaction is to facilitate the listing of the Company's shares on that stock exchange and where the Overseas Entity offers to grant Performance Rights in the capital of the Overseas Entity to the Performance Right-holder in consideration for the cancellation or acquisition of the Performance Rights.
- **Takeovers:** if any takeover bid (including by way of scheme of arrangement or otherwise) is publicly announced in respect of the Company, then the following provisions apply:
  - a. the Company must promptly give written notice of the takeover bid (**Notice**) to the Performance Rightholder, whereupon all Performance Rights (vested or which have and not lapsed or expired) may be exercised at or before the end of the Takeover Exercise Period or, if applicable, the end of the further seven day period referred to in paragraph (k)(c) below.

For the purposes of this paragraph (k), the Takeover Exercise Period is the period ending on the later of:

- A. 60 days after receiving Notice; and
- B. The date that a takeover bid (which is recommended for acceptance by the Board) becomes unconditional.
- b. If, during the Takeover Exercise Period, the person making the takeover bid (**Bidder**) offers to grant Performance Rights in the capital of the Bidder (**Replacement Performance Rights**) to the Performance Right-holder (and, for the avoidance of doubt, this does not obligate the Company in any way to procure such an offer from the Bidder) in consideration of the cancellation or acquisition of the Performance Rights, the Performance Right-holder may, in their discretion, accept such Replacement Performance Rights instead of exercising their Performance Rights.
- c. If no offer of Replacement Performance Rights is made during the Takeover Exercise Period and accepted, the Performance Right-holder has (other than in the case of a scheme of arrangement) a further seven days' grace after the end of the Takeover Exercise Period within which to exercise their Performance Rights (Grace Period).
- d. Any Performance Rights which have not been exercised on or before the end of the Takeover Exercise Period or the Grace Period (whichever applies) will automatically lapse.

- e. For the avoidance of doubt, where the Expiry Date occurs before the end of the Takeover Exercise Period or the Grace Period (whichever applies), the Performance Rights will automatically lapse if they are not exercised on or before the Expiry Date.
- f. If the takeover bid lapses or is withdrawn or closes without being recommended for acceptance by the Board, whether the bid is conditional or unconditional, then the provisions of all the paragraphs hereof will revive in respect of any unexercised Performance Rights which Performance Rights will remain on foot.

**Reorganisation**: In the event of any reconstruction (including consolidation, sub-division, reduction, or return) of the issued capital of the Company prior to the Expiry Date of the New Performance Rights, the number of Performance Rights shall be reconstructed in accordance with the Listing Rules.

Adjustment for bonus issues: If the Company makes a bonus issue of Shares or other securities to existing shareholders of the Company (other than an issue in lieu of, or in satisfaction of, dividends or by way of dividend reinvestment):

- a. the number of Shares which must be issued on the exercise of the Performance Rights will be increased by the number of shares which the Performance Right-holder would have received if the Performance Rights-holder had exercised the Performance Rights before the record date for the bonus issue; and
- b. no change will be made to the other terms and conditions of the Performance Rights.

# ANNEXURE D TERMS OF OPTIONS – RESOLUTIONS 10A TO 10D

Options have exercise prices, vesting dates and expiry dates as set out in the tables for Resolutions 10A to 10D of the Memorandum to which these terms are annexed and otherwise have terms set out below:

- Subject to vesting or as otherwise set out in these terms, each option (**Option**) entitles the holder to acquire one ordinary fully paid share (**Share**) in the capital of the Company.
- The exercise price is a price to exercise each Option as set out in the Memorandum.
  - The vesting conditions applicable to the Options are set out in the Memorandum. Subject to the other terms of the Options as set out herein, any unvested Options will lapse if, prior to vesting, the Holder (or in the case of a nominee Holder the individual who nominated the Holder) ceases to be an employee, consultant, director or officer of the Company (**eligible person**) (other than retirement as a director by rotation in accordance with the ASX Listing Rules and Corporations Act 2001 (Cth)).
    - The Options expire at 5pm (Melbourne time) on the date set out in the Memorandum.
- The Options, once vested, can be exercised by completing an option exercise form and delivering it together with the payment for the number of Shares in respect of which the options are exercised to the Company's share registry.
- Unvested Option that are held by a holder of Options who ceases to be an eligible person that have an exercise price lower than the closing share price of the shares of the Company on ASX on the date the holder ceases to be an eligible person may be exercised at any time within 60 days after the holder ceases to be an eligible person.
- Any Option that has not been exercised prior to the expiry date automatically lapses.
- Holders shall not be entitled to exercise their Options (and the Company will not be required to issue shares upon such exercise) if it would be unlawful to do so.
- Subject to any other provision in these terms, the exercise price is payable in full on exercise.
  - In lieu of paying the cash exercise price and receiving the number of Shares underlying the Options which have been exercised, an Option holder may elect to receive, without payment of the cash exercise price, the number of Shares determined in accordance with the following formula:

Where:

- A = the number of Shares to be issued to the Option holder on cashless exercise;
- B = the number of Shares otherwise issuable upon the Options being exercised;
- C = the Market Value of one Share; and
- D = the exercise price of the relevant Option.

Market Value = the closing price of the Shares on the ASX on the trading day prior to the date that the Option holder requests cashless exercise of Options.

The cashless exercise of Options is subject to and conditional upon compliance with all applicable laws.

- Where an Option holder determines to exercise some, but not all, of their held Options, the total aggregate amount payable to exercise the Options must be a minimum of \$1,000.
- All Shares issued upon exercise of Options will rank pari passu in all respect with, and have the same terms as, the Company's then issued fully paid ordinary shares. The Company will apply for official quotation by ASX of all Shares issued upon exercise of Options, subject to any restriction obligations imposed by ASX and the Company being

listed on ASX at the relevant time. The Options will not give any right to participate in dividends until shares are issued pursuant to the terms of the relevant Options.

- There are no participation rights or entitlements inherent in the Options. Option holders are not entitled to participate in new issues of securities offers to shareholders without first exercising the Option. Prior to the Expiry Date and if required by the ASX Listing Rules, the Company will send notices to option holders in accordance with the time limits required by the ASX Listing Rules in respect of offers of securities made to shareholders.
  - In the event of any reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the Expiry Date, the number of Options or the exercise price of the Options or both shall be reconstructed in accordance with the ASX Listing Rules applying to a reorganisation of capital at the time of the reconstruction.
  - Options will otherwise have the terms as required by ASX and the ASX Listing Rules.
