 - (iii) the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2,

(10% Placement Period).

- (b) Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price.
- (c) The Company intends to use any funds raised towards continued exploration and expenditure on the Company's current assets, acquisition of new assets or investments (including expenses associated with such acquisitions) and/or general working capital.
- (d) There is a risk of economic and voting dilution to existing Shareholders in approving the 10% Placement Facility, including the risks that:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than when Shareholders approve the 10% Placement Facility; and

- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

If this Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table.

The table below shows the potential dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2 (Shares on issue)	Issue price per Share	Dilution		
		\$0.0525 (50% decrease)	\$0.105 (Current)	\$0.21 (100% increase)
57,623,565 (Current)	10% voting dilution	5,762,357	5,762,357	5,762,357
	Funds raised	\$302,524	\$605,047	\$1,210,095
86,435,348 (50% increase)	10% voting dilution	8,643,534	8,643,534	8,643,534
	Funds raised	\$453,786	\$907,571	\$1,815,142
115,247,130 (100% increase)	10% voting dilution	11,524,713	11,524,713	11,524,713
	Funds raised	\$605,047	\$1,210,095	\$2,420,190

Notes:

- (i) The table has been prepared on the following assumptions:
- (A) The Company issues, or agrees to issue, the maximum number of Equity Securities available under the 10% Placement Facility.
- (B) No convertible securities have been exercised before the date of the issue of the Equity Securities.
- (C) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (D) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (E) The issue price is the current market price \$0.105, being the closing price of the Shares on ASX on 23 October 2023, being the last day that the Company's Shares were traded on the ASX before this Notice was printed.
- (F) Variable A comprises of 57,623,565 existing Shares on issue as at the date of this Notice, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.

- For personal use only
- (ii) The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (e) The Company's policy for allocating Equity Securities issued under the 10% Placement Facility will be determined on a case-by-case basis depending upon the purpose, and prevailing market conditions at the time, of any issue and having regard to factors including but not limited to the following:
- (i) The fundraising methods available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate.
 - (ii) The effect of the issue of the Equity Securities on the control of the Company.
 - (iii) The financial situation and solvency of the Company.
 - (iv) Advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) The Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of this Notice.
- (g) At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A.2 and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holders to participate in any such issue. However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

Board recommendation

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommend that Shareholders vote in favour of Resolution 4.

6. Resolution 5: Ratification of Issue of Consideration Shares

General

S3 Consortium Pty Ltd (ACN 135 239 968) trading as Stocks Digital (**Stocks Digital**) provided marketing and content services to the Company (**Marketing Services**) pursuant to a client contract dated 9 July 2023 (**Client Contract**). On 14 July 2023, pursuant to the Client Contract, the Company issued 3,750,000 Shares under its available Listing Rule 7.1 placement capacity to Stocks Digital as partial consideration for the provision of the Marketing Services (**Consideration Shares**).

Resolution 5 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Consideration Shares.

Summary of material terms of Client Contract

Pursuant the Client Contract Stocks Digital agreed to provide the Marketing and Content provision Services to the Company over a 36 month period in consideration for \$425,000 in fees comprising:

- (a) the Consideration Shares; and
- (b) \$42,500 payable in cash (being the GST component).

The Client Contract otherwise contains terms and conditions considered standard for an agreement of this nature.

Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Shares does not fit within any of the exceptions to Listing Rules 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 29 November 2022.

The issue of the Shares does not fit within any of the exceptions to Listing Rules 7.1 and 7.1A and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1 and 10% placement capacity under Listing Rule 7.1A. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12 month period following the issue of the Placement Shares.

Listing Rule 7.4 provides an exception to Listing Rules 7.1 and 7.1A. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rules 7.1 and 7.1A (and provided that the previous issue did not breach Listing Rules 7.1 and 7.1A), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rules 7.1 and 7.1A.

The effect of Shareholders passing Resolution 5 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% annual placement capacity under Listing Rule 7.1 and the additional 10% annual placement capacity under Listing Rule 7.1A without the requirement to obtain prior Shareholder approval.

If Resolution 5 is passed, 3,750,000 Consideration Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 5 is not passed, 3,750,000 Consideration Shares will continue to be included in the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 3,750,000 Equity Securities for the 12 month period following the issue of the Consideration Shares.

Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Consideration Shares:

- (a) The Shares were issued to S3 Consortium Pty Ltd (ACN 135 239 968) trading as Stocks Digital.
- (b) A total of 3,750,000 Consideration Shares were issued using the Company's available placement capacity under Listing Rule 7.1.
- (c) The Consideration Shares are fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) The Consideration Shares were issued on 14 July 2023.
- (e) The Consideration Shares were issued for nil cash consideration.
- (f) The Consideration Shares were issued as partial consideration for the Marketing Services at a deemed issue price of approximately \$0.1133 per Consideration Share. There were no proceeds from the issue of the Consideration Shares.
- (g) A summary of the material terms of the Client Contract are set out above.
- (h) A voting exclusion statement is included in the Notice.

Additional information

Resolution 5 is an ordinary resolution.

The Board recommend that Shareholders vote in favour of Resolution 5.

7. Resolution 6: Approval of issue of Director Options

General

The Company is proposing, subject to obtaining Shareholder approval, to issue up to 4,500,000 unquoted Options (**Director Options**) to the Directors (or their respective nominees) as follows:

Tranche	Exercise Price	Milestone	Expiry Date	Number of Director Options		
				Adam Schofield	Gregory Jones	Aaron Williams

		capital of greater than 2.5 at the Port Gregory Project.

Tranche D	33% of the VWAP of the Company's Shares over 5 consecutive trading days, on which Shares were actually traded, immediately prior to the date of issue	Upon the Company announcing a JORC Code 2012 compliant Mineral Resource at the Company's Red Hill Garnet Project of at least an inferred classification of >3mt contained garnet at a minimum grade of not less than 4% total heavy mineral.	3 years from the date of issue	500,000	500,000	500,000
Director Options Total				1,500,000	1,500,000	1,500,000

The Company is in an important stage of development with significant opportunities and challenges in both the near and long-term, and the proposed issue seeks to align the efforts of the Directors in seeking to achieve growth of the Company's projects and in the creation of Shareholder value. .

The Board has taken into account the Strike at the Company's 2022 annual general meeting and has completed a comprehensive review of the executive remuneration framework (as discussed in the explanatory notes in Resolution 1), and as a result, the Board believes that the issue of these Director Options will align the interests of the Directors with those of the Company and its Shareholders. In addition, the Board also believes that incentivising with Options is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Options to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Director Options are to be issued under the Plan (a summary of the material terms of the Plan is in Schedule 3) and are subject to the terms and conditions in Schedule 1.

Resolution 6(a), (b) and (c) seeks Shareholder approval pursuant to Listing Rule 10.14 and section 208 of the Corporations Act for the issue of up to 4,500,000 Director Options to the Directors (or their respective nominees) under the Plan.

Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme, unless Shareholder approval is provided:

- (i) a director of the company (Listing Rule 10.14.1);

- (j) an associate of a director the company (Listing Rule 10.14.2); or
- (k) a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3).

The proposed issue of the Director Options falls within Listing Rule 10.14.1 (or Listing Rule 10.14.2 if a Director elects for the Director Options to be issued to their respective nominees) and therefore requires the approval of Shareholders under Listing Rule 10.14.

As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 or 10.11 is not required.

If Resolution 6(a), (b) and (c) are passed, the Company will be able to proceed with the issue of the Director Options.

If Resolution 6(a), (b) and (c) are not passed, the Company will not be able to proceed with the issue of the Director Options to the Directors (or their respective nominees) and the Company will proceed with other forms of performance-based remuneration, which may include incentives in the form of cash bonuses.

Specific information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Director Options:

- (a) The Director Options will be issued under the Plan to Directors Adam Schofield, Gregory Jones and Aaron Williams (or their respective nominees).
- (b) The Directors are related parties of the Company by virtue of each being a Director of the Company and fall into the category stipulated by Listing Rule 10.14.1. In the event the Director Options are issued to a respective nominee of the Directors, that person will fall into the category stipulated by Listing Rule 10.14.2.
- (c) A maximum of 4,500,000 Director Options will be issued to Messrs Schofield, Jones and Williams (or their respective nominees) in the proportions set out on pages 19-20 above.
- (d) The Directors current total annual remuneration package as at the date of this Notice is set out below:

Director	Salary and fees (inclusive of superannuation)
Adam Schofield	\$57,000
Gregory Jones	\$113,000
Aaron Williams	\$53,000

- (e) No Securities have been issued to the Directors (or their respective nominees) since the Plan was first adopted by Shareholders on 29 November 2022.
- (f) The Director Options will be issued on the terms and conditions in Schedule 1.

For personal use only

- For personal use only
- (g) The Board considers that the Director Options are an appropriate form of incentive because they reward the Directors for their ongoing support to the Company. Additionally, the issue of Options instead of cash is a prudent means of conserving the Company's available cash reserves.
 - (h) A valuation of the Director Options is in Schedule 2.
 - (i) The Director Options are intended to be issued to the Directors (or their respective nominees) as soon as practicable following the receipt of approval at the Meeting and in any event, will be issued no later than three years after the date of the Meeting if the required approval is received.
 - (j) The Director Options will have an issue price of nil as they will be issued as part of the Directors respective remuneration packages. No funds will be raised via the issue of the Director Options, however, upon exercise of the of the Director Options, the Company will raise up to \$937,500 (before costs) assuming the Tranche D Director Options exercise price is \$0.10 each (being the Share price as at 20 October 2023).
 - (k) A summary of the material terms of the Plan is in Schedule 3.
 - (l) No loan will be provided in relation to the issue of the Director Options.
 - (m) Details of any Securities issued under the Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
 - (n) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of Securities under the Plan after Resolution 6(a), (b) and (c) are approved and who were not named in the Notice will not participate until approval is obtained under that rule.
 - (o) A voting exclusion statement is included in the Notice.

Section 195 of the Corporations Act

Section 195(1) of the Corporations Act prohibits a director of a public company who has a material personal interest in a matter that is being considered at a meeting of directors from being present while the matter is being considered at the meeting or voting on the matter. If there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

The Directors have a personal interest in the outcome of each of their respective Resolutions under Resolution 6(a), (b) and (c) and have exercised their right under section 195(4) of the Corporations Act to put the issue of the Director Options to the Directors to Shareholders to resolve.

Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (p) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and
- (q) give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Director Options constitutes giving a financial benefit to related parties of the Company.

Notwithstanding the Directors consider the issue of Director Options under Resolution 6(a), (b) and (c) to be reasonable remuneration, given the personal interests of the Directors in the outcome of this Resolution, the Board is seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act in respect of the issue of the Director Options.

Information required under Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Options:

(a) **Identity of the related parties to whom Resolution 6(a), (b) and (c) permit financial benefits to be given**

The Director Options will be issued under the Plan to Directors Adam Schofield, Gregory Jones and Aaron Williams (or their respective nominees).

(b) **Nature of the financial benefit**

Resolution 6(a), (b) and (c) seek Shareholder approval to allow the Company to issue the Director Options in the amounts specified above to the Directors (or their respective nominees).

The Director Options are to be issued in accordance with the Plan (a summary of the material terms of the Plan is in Schedule 3) and otherwise on the terms and conditions set out in Schedule 1.

The Shares to be issued upon exercise of the Director Options will be fully paid ordinary Shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

(c) **Board recommendations**

Given the personal interests of all the Directors in the outcome of Resolution 6(a), (b) and (c), the Board declines to make a recommendation to Shareholders in relation to Resolutions.

(d) **Valuation of financial benefit**

A valuation of the Director Options is in Schedule 3.

(e) **Remuneration of relevant Directors**

The total annual remuneration arrangements current for the Directors as at the date of this Notice is set out on page 21 above.

(f) **Existing relevant interest of relevant Directors**

At the date of this Notice, the Directors hold the following relevant interests in Equity Securities of the Company:

Director	Shares	Options	Performance Rights
Adam Schofield	4,170,323	1,000,000	500,000
Gregory Jones	2,079,078	1,000,000	500,000

For personal use only

Aaron Williams	Nil	Nil	Nil
----------------	-----	-----	-----

Assuming that Resolution 6(a), (c) and (c) are approved by Shareholders, all of the Director Options are issued, vest, and are converted into Shares, and no other Equity Securities are issued or converted, the interests of the Directors in the Company would (based on the Share capital as at the date of this Notice) represent:

Director	Interest in the Share capital of the Company
Adam Schofield	9.13%
Gregory Jones	5.76%
Aaron Williams	2.41%

(a) **Dilution**

The issue of the Director Options will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Options are converted to Shares. The potential dilution if all of the Director Options vest and are exercised into Shares is 7.24%. This figure assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on conversion of the Director Options.

The conversion of all of the Director Options will result in a total dilution of all other Shareholders' holdings of 5.88% on a fully diluted basis assuming that all Options and Performance Rights (including the Director Options) are converted). The actual dilution will depend on the extent that additional Shares are issued by the Company.

No funds will be raised via the issue of the Director Options, however, upon exercise of the of the Director Options, the Company will raise up to \$937,500 (before costs) assuming the Tranche D Director Options exercise price is \$0.10 each (being the Share price as at 20 October 2023).

(b) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$0.22 per Share on 10 July 2023

Lowest: \$0.091 per Share on 18 September 2023

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.105 per Share on 23 October 2023.

(c) **Corporate governance**

The Board acknowledges that the grant of the Director Options to Messrs Adam Schofield, Gregory Jones and Aaron Williams who are each non-executive Directors, is contrary to the guidelines in Box 8.2 of the 4th Edition of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Recommendations**), which provides that non-executive directors should not

For personal use only

receive performance-based remuneration as it may lead to bias in their decision-making and compromise their objectivity. However, it is considered reasonable in the circumstances to offer these Director Options to Messrs Schofield, Jones and Williams for the reasons provided above. The Board considers that the grant of these Director Options does not affect the independence of Mr Williams for the purposes of Recommendation 2.3, as there are no individual performance-based milestones (only the Company's general Share price performance) attaching to the Director Options.

(d) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Options (including fringe benefits tax).

(e) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 6(a), (b) and (c).

Additional information

Resolution 6(a), (b) and (c) are separate ordinary resolutions.

Given the personal interests of all the Directors in the outcome of Resolution 6(a), (b) and (c) the Board declines to make a recommendation to Shareholders in relation to Resolution 6(a), (b) and (c).

8. Resolution 7: Spill Resolution

General

If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw this Resolution.

The Company **received more than 25% of votes received against the Company's previous remuneration report at the Company's 2022 annual general meeting** and therefore is required by Section 250V(1) of the Corporations Act to put this Resolution 7 to Shareholders as set out in Section 2 above.

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene a Spill Meeting within 90 days of this Meeting. All of the Directors who were in office when the relevant Directors' Report was approved, other than the Managing Director, cease to hold office immediately before the end of the Spill Meeting. Resolutions to appoint persons to offices that will be vacated immediately before the end of the Spill Meeting will be put to the vote at the Spill Meeting.

Shareholders should be aware that the convening of a spill meeting will result in the Company incurring material additional expense in conducting a meeting (including legal, printing, mail out and registry costs) as well as potential disruption to its focus on core business operations as a result of management distraction, the time involved in organising such a meeting and the diversion of resources.

Moreover, Shareholders should note that there are no voting exclusions applicable to resolutions appointing Directors at any subsequent meeting of Shareholders. This would mean there is no barrier to the existing major Shareholders of the Company exercising their voting rights to reappoint the existing Directors of the Company without any changes to the composition of the Board.

In the Board's view it would be inappropriate to remove all of the non-executive Directors in the circumstances. However, the Board recognises that Shareholders can remove a Director by a majority Shareholder vote at any time for any reason.

As a public company is required to have a minimum of three directors, the Corporations Act includes a mechanism to ensure that the Company will have at least three directors (including the Managing Director if any) after the Spill Meeting. If at the Spill Meeting, three Directors are not appointed by ordinary resolution, the persons taken to be appointed are those with the highest percentage of votes favouring their appointment cast at the Spill Meeting on the Resolution for their appointment (even if less than half the votes cast on the Resolution were in favour of their appointment).

In deciding on how to vote on Resolution 7, the Board suggests that Shareholders take the following factors into account:

- (a) **Response to first strike** – the Board has taken action to address concerns expressed by Shareholders relating to the Company’s remuneration framework (as noted in the explanatory notes for Resolution 1 above);
- (b) **Potential loss of Directors’ leadership, skills and knowledge** – the Company has benefited from the clear focus and leadership each Director provides as part of the Board and to the Company as a whole;
- (c) **Disruption to the Company** – If Resolution 7 is passed, this will create instability in the leadership of the Company and potentially have a negative impact on the Company’s ability to implement its critical strategic review and strategy. The Board has been integral in developing and overseeing this strategy; and
- (d) **Additional costs** – holding a Spill Meeting will incur substantial additional cost to the Company.

Additional information

Resolution 7 is an ordinary resolution.

Given the personal interests of all Vacating Directors in the outcome of Resolution 7, the Board declines to make a recommendation to Shareholders regarding Resolution 7.

If you **do not want** a Spill Meeting to take place, you should vote “**against**” Resolution 7. If you want a Spill Meeting to take place, you should “for” Resolution 7.

- (iii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If a notice delivered under paragraph (h)(ii) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for the sale of the Shares does not require disclosure to investors.

(i) **(Transferability):** The Options are not transferable, except with prior written approval of the Company.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the five (5) trading days immediately preceding that given date.

(l) **(Takeovers prohibition):**

- (i) the issue of Shares on exercise of the Options is subject to and conditional upon the issue of the relevant Shares not resulting in any person being in breach of section 606(1) of the Corporations Act; and

(o) **(Entitlement to dividends):** The Options do not confer any entitlement to a dividend, whether fixed or at the discretion of the directors, during the currency of the Options without exercising the Options.

(p) **(Entitlement to capital return):** The Options do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise, and similarly do not confer any right to participate in the surplus profit or assets of the Company upon a winding up, in each case, during the currency of the Options without exercising the Options.

(q) **(Adjustments for reorganisation):** If there is any reorganisation of the issued share capital of the Company, the rights of the Option holder will be varied in accordance with the Listing Rules.

The valuation above assumes an indicative exercise price of \$0.1471 which is a 33% premium to the 5-day VWAP prior to 17 October 2023, the actual exercise price (and as a result, the valuation of the Director Options) may be higher or lower depending on the 5-day VWAP of the Company's Shares prior to the date of grant of the Director Options.

Schedule 3: Summary of material terms of the Plan

A summary of the material terms and conditions of the Plan is set out below:

(a) **(Eligible Participant):** A person is eligible to participate in the Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the Plan from time to time and are an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company.

This relevantly includes, amongst others:

- (i) an employee or director of the Company or an individual who provides services to the Company;
- (ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
- (iii) a prospective person to whom paragraphs (i) or (ii) apply;
- (iv) a person prescribed by the relevant regulations for such purposes; or
- (v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).

(b) **(Maximum allocation):** The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:

- (i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus
- (ii) the total number of Plan Shares issued or that may be issued as a result of offers that were both received in this jurisdiction (as defined in section 9 of the Corporations Act) and made under an employee share scheme (as defined in section 1100L(1) of the Corporations Act) at any time during the previous 3 year period,

would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.

The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.

The Company will require prior Shareholder approval for the acquisition of equity securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director’s associate is such that, in ASX’s opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.

(c) **(Purpose):** The purpose of the Plan is to:

- (i) assist in the reward, retention and motivation of Eligible Participants;
- (ii) link the reward of Eligible Participants to Shareholder value creation; and

(iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

(d) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

(e) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

(f) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

(g) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

(h) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

(i) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value

of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

(j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

(k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

(i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

(ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

(l) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

(m) **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

(n) **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

(o) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent

necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

(p) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

(q) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

(r) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

(s) **(Employee Share Trust):** The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Options or Performance Rights.
