FY23 CEO Presentation

Revolutionising workforce compliance

Wrkr is a regulatory technology business helping Australian employers to simplify workforce compliance from hire to retire.

We replace paper-based compliance processes across employee onboarding, payments, super contributions and SMSFs with a simple, sophisticated, and secure digital experience.

- ✓ **Modern cloud based and Scalable**
- ✓ **Mobile and branded experience**
- ✓ **Pre-integrated**
- ✓ **Cyber resilience and data verification**

Wrkr has a clear strategy to maximise employee reach

Grow the base

Reach many Wrkrs

Prioritise organisations with the greatest reach:

1. Super Funds
2. Payroll Providers
3. Large Employers

Grow the value

Deliver on more compliance moments

Focus product development on being the one stop shop for compliance:

1. Identify and serve more onboarding moments in target industries
2. Automate complex ongoing compliance moments
3. Solve priority industry compliance needs

Create new value

Create new value directly with Wrkrs

Leverage data and volume of Wrkrs to create new value and benefits:

1. Enable benefit provider partners
2. Create new benefits packages
3. Enable tax compliant benefit consumption
4. Enable data revenue for Wrkrs

02

Winning in the market

SMSF Hub

- On track to achieve:
 - >\$800K
 - >600 Advisors
 - >24,000 Accounts
- Channel positioned for next products (e.g. Client eKYC, Tax Lodgment, Wealth Coach tools)

Direct Customers

- 100% Retention of payrolls, Funds and direct users
- Float income from interest rate rise
- Significant opportunity to cross sell post transition to WrkrOne

Expanding through innovation

- Investment in product innovation for onboarding and stapling has grown short term revenue
- New innovations continue to evidence the value of the Wrkr Platform

Creating deep partnerships

- Moved beyond design and implementation planning to build in Australia and Hong Kong
- Expecting to begin onboarding of significant Australian Fund within weeks and piloting the enhanced full WrkrOne offering

Partner Ecosystem

- Significant sales investment in Payrolls and Payroll implementation partners
- New Integration Workday for KPMG
- New white label capability for Payrolls

02 Winning in the market

Wrkr has an enormous market opportunity in Australia:

- We are focused on the largest volumes
- We are concentrated in the right employee types (high turnover, compliance requirements and pay frequency)
- Well progressed on market awareness BUT only at the beginning of our growth journey

Wrkr's opportunity can be expanded internationally

**Management estimate*

03 Investing for growth

Transmit Security

- Deep partnership with leading Cyber security firm to move beyond multi factor to real time monitoring and event based security
- Focus now on secure integration to Partners

Onboarding

- Increasing industry compliance moments (e.g. AHPRA for Health)
- Full employee contract support
- Focus on meeting Fair Work requirements for employee classification and policy tracking

Real-time Pay

- CDR Status and Open Banking Partnerships
- Partner strategy for pay options
- Opportunity to set a new standard in closed loop payments - fit for the industry

WrkrOne

- Integrated One stop shop front end for Wrkr READY, PAY, Super and STP
- Ability to customise branding for customers and channels
- Focus now on synchronising PAY and Super

Wrkr will continue to balance investment with market opportunity and revenue certainty

03 Investing for growth

Bring the 'one stop shop' to life for Employer to Employee compliance:

- Onboarding staff
- Pay & Super
- Continuous compliance checks
- Statutory reporting
- Employment taxes
- Employee data ownership
- In-built upsell/cross-sell

Changing the experience for the CFO, HR and Payroll Officer

Summary & Outlook

- Positioning Wrkr to improve financial performance with an **aim to achieve positive EBITDA in FY25**
- Continue to **balance our investment** between short term revenue generation and long term growth
- **Regulatory tail winds are in our favour** with Payday Super and SIS ACT
- Industry consolidation and performance transparency for Super Funds is driving market activity
- The **WrkrOne product strategy is gaining traction** in Art, Link Group supported Funds, and the Payroll sector

This presentation contains summary information about Wrkr Ltd (Company) (ASX: WRK) and its activities as at the date of the presentation. The information in this presentation is of a general nature and does not purport to be complete or contain all information that a prospective investor should consider when evaluating an investment decision in the Company or that would be required in a prospectus or product disclosure statement prepared in accordance with the requirements of the Corporations Act 2001 (Cth) (Corporations Act). This presentation should be read in conjunction with the Company's other periodic news releases or ASX disclosure documents as available from time to time. The information provided in this presentation is accurate as of the release date and may be subject to change.

Forward looking statements

This presentation contains forward-looking statements and information that are necessarily subject to risks, uncertainties and assumptions. Many factors could cause actual results, performance or achievements of the Company to be materially different from those expressed or implied in this release including, amongst others, changes in general economic and business conditions, regulatory environment, results of advertising and sales activities, competition, and the availability of resources. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this presentation. Except as required by law, the Company assumes no obligation to update or correct the information in this presentation. To the maximum extent permitted by law, the Company and its subsidiaries and officers do not make any representation or warranty as to the likelihood of fulfilment of any forward-looking statements and disclaim responsibility and liability for any forward-looking statements or other information in this presentation.

Not an offer of securities or financial products

This presentation is not a prospectus, product disclosure statement or other offering document under Australian law (and will not be lodged with ASIC) or any other law. This presentation does not constitute an offer, invitation, solicitation or recommendation with respect to the purchase or sale of any securities or any financial product nor does it constitute financial product or investment advice nor take into account your investment objectives, taxation situation, financial situation or needs. An investor must not act on the basis of any matter contained in this presentation but must make its own assessment of the Company and conduct its own investigations and analysis. Before making an investment in the Company, a prospective investor should consider whether such an investment is appropriate to their particular investment objectives and financial situation and seek appropriate advice, including legal, taxation and financial advice appropriate to their jurisdiction and circumstances.

Financial data

All financial information in this presentation is in Australian dollars (\$) or AUD) unless otherwise stated. Investors should note that this presentation may contain pro forma historical and forward looking financial information. The pro forma and forward looking financial information and the historical information, provided in this presentation is for illustrative purposes only and is not represented as being indicative of the Company's views on its future financial condition and/or performance.

The pro forma financial information has been prepared by the Company in accordance with the recognition and measurement principles of Australian Accounting Standards (AAS) and the Company's adopted accounting policies of applicable accounting standards and other mandatory reporting requirements in Australia. Investors should also note that any pro forma financial information does not purport to be in compliance with Article 11 of Regulation S-X of the rules and regulations of the U.S. Securities and Exchange Commission (SEC). Such information does not purport to comply with Article 3-05 of Regulation S-X.

Investors should be aware that certain financial measures included in this presentation are 'non-IFRS financial information' under ASIC Regulatory Guide 230: 'Disclosing non-IFRS financial information' published by ASIC and also 'non-GAAP financial measures' within the meaning of Regulation G under the U.S. Securities Exchange Act of 1934, as amended, and are not recognised under AAS and International Financial Reporting Standards (IFRS). The non-IFRS financial information / non-GAAP financial measures include EBITDA and EBIT. The Company believes the non-IFRS financial information / non-GAAP measures provide useful information to users in measuring the financial performance and conditions of the Company. The non-IFRS financial information / non-GAAP financial measures do not have a standardised meaning prescribed by AAS or IFRS. Therefore, the non-IFRS financial information is not a measure of financial performance, liquidity or value under the IFRS and may not be comparable to similarly titled measures presented by other entities, and should not be construed as an alternative to other financial measures determined in accordance with AAS or IFRS. Investors are cautioned, therefore, not to place undue reliance on any non-IFRS financial information / non-GAAP financial measures included in this presentation.
