Resolution 1: Remuneration Report

The Corporations Act requires that at a listed Company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 31 July 2023. A copy is available on the Company's website.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company at the second annual general meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting, at which all of the Directors (other than the Managing Director) of the Company, would need to stand for re-election.

In accordance with Listing Rule 14.5, the Company is required to hold an election of Directors at each annual general meeting.

In addition, Listing Rule 14.4, requires a director to not hold office (without re-election) past the third annual general meeting following the director's appointment, or three years, whichever is the longer. In addition, Rule 34 of the Constitution provides that at each Annual General Meeting at least one director (if the composition of the Board is equal to or less than four) or otherwise one-third of the Directors (other than the Managing Director or any Alternate Director) for the time being, must retire from office. Directors who retire by reason of Rule 34 of the Constitution are those Directors who have been in office the longest since their last election or re-election. A retiring Director is eligible for re-election.

Mr Moore retires and, being eligible, offers himself for re-election in accordance with Listing Rule 14.4 and Rule 34 of the Constitution.

The Company provides the following biographic information of Mr Moore.

Resolution 4: Ratification of Prior Issue of 59,831,374 Ordinary Shares

On 16 August 2023, 59,831,374 ordinary Shares were issued pursuant to a placement as announced to the ASX on 15 August 2023 (and various other prior announcements) (**Placement**).

In accordance with Listing Rules 7.1 and 7.4, it is proposed that Shareholders ratify the issue of ordinary Shares as detailed below.

Listing Rule 7.1 limits the Company from issuing more than 15% of its issued capital in any 12 month period without shareholder approval. Listing Rule 7.4 provides that where a company's shareholders subsequently approve an issue of securities, the issue will be treated as having been made with approval for the purpose of Listing Rule 7.1, thereby excluding the issue when calculating the Company's 15% capacity, enabling it to issue further securities up to that limit.

If this Resolution is not approved, the issue of shares which are the subject of this Resolution will be included in the calculation of the 15% limit and the Company's capacity to raise additional equity funds over the next 12 months without approval of Shareholders will be reduced.

The following information is provided in accordance with Listing Rule 7.5:

(a) **Number of securities issued:**

59,831,374 fully paid ordinary Shares.

(b) **Date on which securities were issued:**

The Shares were issued and allotted on 16 August 2023.

(c) **Issue price of securities:**

The Shares were issued for \$0.011 per share.

(d) **Allottees of the securities:**

The Company announced an Entitlements Offer to ASX on 19 June 2023 which was subject to a minimum raise amount of \$5.0 million. As announced to ASX on 14 July 2023 the minimum raise amount was not achieved. As a result, the Company subsequently sought commitments from entitlements holders and new retail and sophisticated investors to participate in a placement, the details of which were announced to the ASX on 15 August 2023 and in the Prospectus also released to the ASX on that day.

The Shares were allotted to existing and new retail and sophisticated investors who elected to participate in the placement in accordance with the above process.

- (e) **Terms of securities:**
The Shares, when issued, ranked equally with all other Shares on issue at the time and had the same rights and entitlements as the currently issued Shares.
- (f) **The purpose of the issue:**
Consideration monies will be used primarily for working capital.

Directors' recommendation

The Directors unanimously recommend that the Shareholders vote in favour of this Resolution.

A voting exclusion statement applies to this item of business as set out within this Notice.

Resolution 5: Approval of Employee Incentive Plan

ASX Listing Rule 7.1 restricts listed companies from issuing more than 15% of their issued share capital in any 12-month period without Shareholder approval. However, there are a number of exceptions to this restriction. Exception 13 (b) of ASX Listing Rule 7.2 provides that Shareholder approval will not apply to an issue under an employee incentive scheme if, within three years before the date of the issue, Shareholders approve the issue of securities under the scheme as an exception to the rule.

If the Company's Employee Incentive Plan (**Plan**) is approved by Shareholders, issues under the Plan over the next three years will fall under this ASX Listing Rule exception and will not affect the Company's ability to separately issue up to 15% of its total ordinary securities in any 12-month period (without having to obtain further Shareholder approval). If this Resolution is not approved any securities issued in accordance with the Plan will be deducted from the calculation of the Company's 15% capacity and therefore reduce the Company's capacity to raise additional equity funds over the next 12-months without Shareholder approval.

However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

The Plan is designed to:

- (a) assist in the reward, retention and motivation of eligible employees;
- (b) link the reward of eligible employees to Shareholder value creation; and
- (c) align the interests of eligible employees with Shareholders by providing an opportunity for eligible employees to earn rewards via an equity interest in the Company based on creating Shareholder value.

In accordance with ASX Listing Rule 7.2, exception 13, a summary of the key terms of the Plan is set out in Annexure A.

For the purposes of Listing Rule 7.2 exception 13:

- (a) 1,130,000 securities have been issued under the Plan since the Plan was last approved by Shareholders on 23 November 2020; and

Directors' Recommendation

Resolution 6: Approval of Issue of Share Appreciation Rights to Chief Executive Officer

Background

Subject to the approval of Shareholders, the Company proposes to grant a maximum amount of 14,545,454 Share Appreciation Rights (**SARs**) to Ms Penelope Cox, Chief Executive Officer (**CEO**) or her nominee.

The objective of the proposed grant of SARs to Ms Penelope Cox is primarily to link the reward of SARs to Shareholder value creation, and to align her interests with those of Shareholders and to encourage the long-term sustainable growth of the Company.

Ms Cox received an offer of securities in conjunction with the terms of her employment, being the securities that are the subject of this Resolution, when she joined the Company as CEO and is also eligible to participate in the Company's Employee Incentive Plan (**Plan**).

The SARs shall be issued under, and subject to, the terms of the Plan.

Listing Rule 10.14.1 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Whilst Ms Cox is no longer a director of the Company, the Listing Rules provide that approval is required for any securities issued for a period that is 6 months post cessation of office. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

The key terms of the SARs are set out in the table below:

Recipient	Penelope Cox
Number	14,545,454 Share Appreciation Rights
Vesting Date(s)	Share Appreciation Rights will vest in three equal tranches on each of 01 September 2024, 01 September 2025 and 01 September 2026.
Vesting Conditions	Continued employment at the Vesting Date.
Expiry Date	The date that is 5 years from the Grant Date.
Other Conditions	Other key terms of the Employee Incentive Plan are detailed in Appendix A of this Explanatory Memorandum.

Other general terms of the Share Appreciation Rights

If this Resolution is approved, it is intended that the SARs will be issued within 5 days after the Annual General Meeting, but in any event will be issued no later than 3 years after the Annual General Meeting. If this Resolution is not approved, no SARs will be issued to Ms Penelope Cox.

The SARs will be issued to Ms Penelope Cox for \$nil consideration.

For the purposes of Listing Rule 10.15.2, Ms Penelope Cox falls under categories 10.11.1 (by virtue of Ms Cox having previously served as a Director of the Company within the previous 6 months) and 10.14.1 of the Listing Rules, as she is a past Director of the Company.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue SARs to Ms Penelope Cox (as opposed to fully paid ordinary securities) for the following reasons:

- (a) Share appreciation rights are designed to incentivise Key Management Personnel (**KMP**), and
- (b) equity based incentives assist in the alignment of Shareholders and KMP interests.

Ms Penelope Cox has not previously received securities under the Plan.

There are no loan arrangements with Ms Penelope Cox in respect of the SARs, the subject of this Resolution.

The other general terms for the SARs are outlined in **Appendix A** of this Explanatory Memorandum.

Details of any securities issued under the Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this Resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the SARs to be issued. A fair value for the SARs to be issued has been calculated using the share price on 10 October 2023 as a guide, noting that the actual fair value will be determined based upon the share price on the grant date. For grants of the SARs which are subject to shareholder approval, the grant is valued based upon the share price on the date that shareholder approval is obtained. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the SARs.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should **not** be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated as at 30 October 2023.

Valuation for Share Appreciation Rights to be issued to Managing Director

Recipient	Penelope Cox
Number	14,545,454 Share Appreciation Rights (vesting in 3 equal tranches)
Vesting Date(s)	01 September 2024 01 September 2025 01 September 2026
Underlying Price	\$0.013
Total value of Share Appreciation Rights	\$189,090
Employee benefit expense (annual)	\$63,000

A significant factor in the determination of the final value of the SARs will be the ultimate share price at the date final SARs are granted (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total annual employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 30 October 2023.

	Highest Price	Lowest Price
Closing Price (\$)	\$0.049	\$0.007
Date	12 December 2022	13 September 2023
Penelope Cox	\$237,575	\$33,939

As such, if it is assumed all other factors are equal, where the share price increases above the \$0.007 disclosed above the final value of SARs granted will increase, and conversely where the share price reduces the final value of SARs granted will also reduce.

Remuneration

Ms Penelope Cox currently receives AUD\$400,000 per annum for her position as Chief Executive Officer. The amount stated is per annum comprising salary exclusive of superannuation contributions. Ms Cox is also eligible to receive a Short-Term Incentive (**STI**) of up to 40% of the aforementioned salary annually. The SARs proposed to be issued to Ms Cox under this Resolution, if passed, are in addition to this sum and have an estimated fair value of \$189,090 (being \$63,000 per annum).

Section 208 of the Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of SARs as the exception in section 211 of the Corporations Act applies. The SARs are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

Existing interests and the dilutionary effect on other Shareholders' interests

The effect that the vesting of the SARs will have on the interests of Ms Cox relative to other Shareholders' interests are set out in the following table. The table assumes no further issues of Shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the SARs and is based upon Shares on issue as at 20 October 2023.

It is proposed to issue Directors SRs in order to align their interests with those of Shareholders and to encourage the long-term sustainable growth of the Company. The SR's will vest over a three-year period with the quantum of SRs based upon the price of the last capital raise and recent trading history. The SR's assist in the conservation of cash via a reduction to Directors Fees equivalent to \$30,000 per director per annum with the SRs issued in lieu of this cash payment.

The SRs shall be issued under, and subject to, the terms of the Plan.

Listing Rule 10.14.1 provides that a company must not issue equity securities to a director of the company under an employee incentive scheme unless the issue has been approved by holders of ordinary securities. Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

The key terms of the SARs are set out in the table below:

All Directors are entitled to participate in the Employee Incentive Plan.

For the purposes of Listing Rule 10.15.2, Mr Silvio Salom, Mr John Tripodi and Ms Kelly Humphreys fall under category 10.14.1 of the Listing Rules, as they are current Directors of the Company.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue SRs to Mr Silvio Salom, Mr John Tripodi and Ms Kelly Humphreys (as opposed to fully paid ordinary securities) for the following reasons:

- (a) service rights are designed to incentivise Directors;

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Plan after this Resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the SRs to be issued. A fair value for the SRs to be issued has been calculated using the share price on 30 October 2023 as a guide, noting that the actual fair value will be determined based upon the share price on the grant date. For grants of the SRs which are subject to shareholder approval, the grant is valued based upon the share price on the date that shareholder approval is obtained. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the SRs.

The Board draws Shareholders’ attention to the fact the stated valuation does not constitute, and should **not** be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated as at 30 October 2023.

Resolution 8: Approval of 10% Placement Facility

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period by way of a special resolution approved at the Annual General Meeting (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for this purpose. As such Shareholder approval is sought by way of a special resolution for the Company to have the 10% Placement Facility provided for in Listing Rul 7.1A.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below).

Description of Listing Rule 7.1A

a) **Shareholder approval:**

The effect of approval of this Resolution will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

If this Resolution is not approved, the Company's capacity to raise additional equity funds over the next 12 months without reference to Shareholders will be reduced.

b) **Equity Securities:**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The only class of quoted Equity Securities of the Company at the date of the Notice are ordinary Shares.

c) **Formula for calculating 10% Placement Facility:**

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 (other than 9, 16 or 17);
- plus the number of ordinary securities issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - a. the agreement was entered into before the commencement of the 12 months; or
 - b. the issue of, or agreement to issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- plus the number of fully paid ordinary securities issued in the 12 months with approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval; and
- less the number of fully paid ordinary securities cancelled in the 12 months.

NB: that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not subsequently approved by Shareholders under Listing Rule 7.4.

d) **Listing Rule 7.1 and Listing Rule 7.1A:**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

As at 30 October 2023 the Company has on issue 982,463,505 Shares. At present, the Company has a capacity to issue a remaining 51,631,627 Equity Securities under Listing Rule 7.1. Subject to the approval of this Resolution, this amount will increase to 129,740,528.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

e) **10% Placement Period:**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), (10% Placement Period).

Listing Rule 7.1A

The effect of this Resolution will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

In accordance with, Listing Rule 7.3A, the following information is provided:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 Trading Days on which trades in the relevant class were recorded immediately before:
 - i. the date on which the price at which the Equity Securities are to be issued is agreed; or
 - ii. if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company will be diluted as shown in the table below. There is a risk that:
 - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date Shareholders provide their approval at the Annual General Meeting; and
 - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

In accordance with Listing Rule 7.3A.2, the table below shows the dilution of existing Shareholders calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- i. two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue to all Shareholders) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' Meeting; and
- ii. two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

The table has been prepared on the following assumptions:

Variable A in Listing Rule 7.1.A.2		Dilution		
		\$0.006 50% decrease in Issue Price	\$0.012 Issue Price	\$0.024 100% increase in Issue Price
Current Variable A* 982,463,505 Shares	10% Voting Dilution	98,246,350		
	Funds Raised	\$589,478	\$1,178,956	\$2,357,912
50% increase in current Variable A* 1,473,695,257 Shares	10% Voting Dilution	147,369,525		
	Funds Raised	\$884,217	\$1,768,434	\$3,536,868
100% increase in current Variable A* 1,964,927,010 Shares	10% Voting Dilution	196,492,701		
	Funds Raised	\$1,178,956	\$2,357,912	\$4,715,824

- i. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - ii. None of the 500,000 Service Rights, 130,000 Share Appreciation Rights and 6,807,221 unlisted options that the Company currently has on issue are exercised into Shares before the date of the issue of the Equity Securities.
 - iii. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - iv. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - v. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement capacity under Listing Rule 7.1.
 - vi. The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - vii. The issue price is \$0.012 being the closing price of the Shares on ASX on 27 October 2023.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement period. The approval under this Resolution for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for Cash consideration in accordance with the provisions of Listing Rule 7.1A. In such circumstances, the Company intends to use the funds raised towards an acquisition of new business assets or investments (including expenses associated with such acquisition) and/or general working capital.
- The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 upon issue of any Equity Securities.
- (e) The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.
- The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
- i. the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing Shareholders can participate;
 - ii. the effect the issue of the Equity Securities might have on the control of the Company;
 - iii. the financial situation and solvency of the Company; and
 - iv. advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (f) The Company sought and obtained approval from Shareholders under Listing Rule 7.1A at the Annual General Meeting held on 23 November 2022. In accordance with Listing Rule 7.3A.6(a) the Company makes the following disclosure:

Summary of the key terms of the Company's Employee Incentive Plan

1 Purpose

The Company has established the Plan to encourage Employees to share in the ownership of the Company and to promote the long-term success of the Company as a goal shared by all Employees.

2 Eligibility

All full-time or permanent part-time employees, officers, or Directors of the Company or any related body corporate of the Company (**Employees**) that have satisfied the criteria of the Board from time to time are eligible, at the invitation and discretion of the Company, to be issued Awards under the Plan (**Participants**).

Awards and any subsequent Shares issued on the exercise or vesting of any Awards may only be issued to the Employee to whom the offer was made.

3 Administration

The Plan is administered by the Board or any subcommittee delegated by the Board with authority to administer the Plan.

4 Offer of Awards

The Plan provides for the grant of the following awards to Employees (each an **Award**):

- (a) Options (rights to purchase Shares);
- (b) Performance Rights (rights to be issued Shares for nil exercise price upon the satisfaction of certain vesting conditions);
- (c) Service Rights (rights to be issued Shares for nil exercise price upon the satisfaction of certain vesting conditions which relate only to the continued employment of the participant);
- (d) Deferred Share Awards (a right to receive Shares in lieu of wages, salary, Director's fees or other remuneration or in lieu of any discretionary incentive payment, subject to certain vesting conditions);
- (e) Exempt Share Awards (Shares issued for no consideration or as a discounted issue price with the intention that the total value or discount will be exempt from tax);
- (f) Cash Rights (rights to be paid a cash amount upon the satisfaction of certain vesting conditions);
- (g) Share Appreciation Rights (rights to receive payment upon vesting in the form of Shares or cash, equal to the difference between the Fair Market Value of Shares on the exercise date and the price of such Shares on the grant date).

5 Terms of grant

A grant of Awards under the Plan is subject to both the Plan Rules and the terms of the specific grant. No offer will be made to the extent that it would contravene the Company's Constitution, the Listing Rules, the Corporations Act, any other applicable law.

6 Offers for monetary consideration

An Offer for Monetary Consideration must comply with the applicable law including, without limitation, the applicable requirements of section 1100Q of the Corporations Act and in compliance with the regime provided under Division 1A of Part 7.12 of the Corporations Act where an Offer is being made in reliance on that provision.

7 Cash settlement

In lieu of the Company's obligation to issue or transfer Shares upon the exercise of an Award, the Company may make a cash payment to the Participant equivalent to the Fair Market Value as at the date of exercise of the Award (less any unpaid Exercise Price applicable to the exercise of the Award) multiplied by the relevant number of Shares required to be issued or transferred to the Participant upon exercise of the Award.

8 Shares

A Share issued under the Plan will be a fully paid ordinary Share in the Company, ranking equally with, and having the same rights and entitlements as, other ordinary shares in the Company on issue at the date of allotment of the Share (other than rights and entitlements accrued prior to the date of allotment of the Share).

Unless the Board resolves otherwise, the Company will apply for official quotation of any Shares issued under the Plan.

The Board can decide whether to purchase Shares on-market or issue new Shares on exercise of equity instruments.

9 Restrictions on disposal

The Board may impose a restriction on the sale or disposal of any Awards or any Shares issued on the exercise of an Award.

10 Change of Control

On the occurrence of a Change of Control, the Board will determine, in its sole and absolute discretion, the manner in which all unvested and vested awards will be dealt with.

11 Hedging

Participants must not enter into transactions or arrangements, including by way of derivatives or similar financial products, which limit the economic risk of holding unvested Awards.

12 Participation

Participants are not entitled to participate in a new issue of Shares or other securities made by the Company to holders of its Shares without exercising the Awards before the record date for the relevant issue.

13 Adjustments

The following adjustments apply to Options, Performance Rights, Services Rights and any other Awards which entitle the holder to acquire Shares on exercise or vesting of that Award.

13.1 Bonus issues

If, prior to the exercise of an Award, the Company makes a pro-rata bonus issue to the holders of its Shares, the numbers of Shares to be issued on exercise of the Award will be adjusted to take into account the number of bonus Shares which would have been issued to the Participant if the Award had been exercised prior to the record date.

If the Company makes a pro-rata bonus issue to holders of restricted Awards, the Shares issued to Participants under the pro-rata bonus issue will be subject to the restriction period which applies to the restricted Awards.

13.2 Other reorganisations of capital

If, prior to the exercise of an Award, the Company undergoes a reorganisation of capital (other than by way of a bonus issue or issue for cash) the terms of the Awards will be changed to the extent necessary to comply with the Listing Rules as they apply at the relevant time.

14 Amendment

The Board may amend the Plan Rules provided that such amendment do not materially prejudice the rights of existing Participants.

15 ASX Listing Rules

The Board may only exercise its powers in accordance with the Listing Rules.
