# FY23 IN REVIEW

## Challenges met:

- Price realisation: competitive market forces led to temporarily lower revenue per litre, has since stabilised and recovering
- Supply chain disruptions: COGS increased due to international freight costs surge, has since normalised
- Sales & Marketing: maintained investment in line with original plan despite lower margins
- Contract brewing: FY23 completed transition away from contract brewing, maintained production costs per litre.
- Incremental and diversified revenue streams:
  - Hospitality \$29m revenue
  - Partner Brands \$30m revenue
