Perpetual announces a strategic review of its Corporate Trust and Wealth Management businesses

At the Perpetual Limited (Perpetual or the Company) (ASX:PPT) Annual General Meeting (AGM) on 19 October 2023, Perpetual highlighted that our growth strategy had provided Perpetual with three quality businesses of scale, which enabled the Board to assess additional strategic options that may arise, to maximise value for our shareholders.

Perpetual announces today, that since the AGM, it has further progressed the evaluation of those strategic options and will be exploring the benefits of unlocking additional value for Perpetual shareholders through separation of its Corporate Trust and Wealth Management businesses and creating a more focused Asset Management business.

The review is being progressed by Perpetual's Board of Directors and is in-line with the Company's regular evaluation of opportunities to create value for shareholders.
