## Small Shareholding Sale Facility Update

**Zip Co Limited** (ASX: ZIP) (“**Zip**”, or the “**Company**”) confirms that its Small Shareholding Sale Facility, first announced on 4 October 2023, closed as scheduled on 20 November 2023.

The Sale Facility enabled shareholders who held less than A\$500 worth of fully paid ordinary shares (“**Small Shareholdings**”) on 3 October 2023 (“**Record Date**”) to sell their Small Shareholdings without having to act through a broker or incurring any brokerage costs. The Company expects the sale of Small Shareholdings through the Sale Facility to reduce the administrative costs associated with maintaining a large number of Small Shareholdings on the Company’s shareholder register. On the Record Date, Zip had approximately 78,000 shareholders with a Small Shareholding.

At the close of the Sale Facility there were 30,861,767 ordinary shares to be sold held by 69,669 shareholders. The shares were sold at a volume-weighted average price in the ordinary course of trading on the ASX at \$0.4034 per share between 23 November and 7 December 2023.

Sale proceeds will be paid to participants on 20 December 2023.
