Azure Enters Joint Bid Transaction Implementation Deed with SQM and Hancock

Superior Proposal of up to A\$3.70 per Azure share

Azure Minerals Limited (ASX: AZS) ("**Azure**" or "**AZS**") is pleased to announce that it has entered into a new binding Transaction Implementation Deed ("**TID**") with Sociedad Química y Minera de Chile S.A. ("**SQM**") and Hancock Prospecting Pty Ltd ("**Hancock**") (together, the "**Joint Bidders**") under which it is proposed that the Joint Bidders (via SH Mining Pty Ltd ("**BidCo**")) will acquire 100% of the shares in Azure by way of a scheme of arrangement for a cash amount of A\$3.70 per Azure share ("**Scheme Proposal**"), or if the Scheme Proposal is not successful by way of an off-market takeover offer for a cash amount of A\$3.65 per Azure share ("**Takeover Offer**") (together, the "**Transaction**").

To facilitate the Transaction, SQM and Hancock have entered into a joint bidding agreement governing how the joint bid will be made ("**Joint Bidding Agreement**"). The Transaction replaces the existing SQM transaction ("**Original SQM Transaction**") announced by Azure on 26 October 2023 which comprised a scheme proposal of A\$3.52 cash per Azure share and a fall-back takeover offer of A\$3.50 cash per Azure share.

Highlights

- **The Scheme Proposal of A\$3.70 per Azure share implies a fully-diluted equity value for Azure of ~A\$1.70 billion¹ and represents a premium of:**
 - 5.1% to the scheme component of the Original SQM Transaction of A\$3.52 per Azure share;
 - 63.9% to the 10-day VWAP of A\$2.26 per Azure share up to and including Friday, 20 October 2023, being the last practicable trading date prior to the announcement of the Original SQM Transaction;
 - 60.2% to SQM's NBIO of A\$2.31 per Azure share as announced on 15 August 2023; and

¹ Based on 458,679,575 fully-paid ordinary shares and 1,500,000 in-the-money options with an exercise price of A\$0.65 per Azure share.

ASX ANNOUNCEMENT

ASX:AZS

- 54.2% to the offer price of A\$2.40 per Azure share from Azure's most recent equity raising announced on 21 August 2023.
- The Transaction is subject to limited conditions, including BidCo obtaining FIRB approval, specific competition law approvals and Azure shareholders approving the joint bid arrangements between SQM and Hancock. Significantly, it is not subject to any financing or due diligence conditions and the Takeover Offer is not subject to any minimum acceptance condition.
- The Azure Board unanimously recommends the Transaction in the absence of a superior proposal and subject to the independent expert concluding (and continuing to conclude) that the Scheme Proposal is in the best interests of Azure shareholders and that the Takeover Offer is fair and reasonable.²
- Two of Azure's major shareholders, Creasy Group and Delphi Group, each intend to support the Transaction, subject to no superior proposal to acquire 100% of the issued capital of Azure emerging.
- In the event that the Scheme Proposal has not, or will not, become Effective on or before the End Date and the Takeover Offer is withdrawn or lapses for any reason, SQM will in certain circumstances be required to proceed with the takeover offer component of the Original SQM Transaction of A\$3.50 per Azure share as announced on 26 October 2023.

Unanimous Board recommendation

The Azure Board unanimously recommend that Azure shareholders support the Transaction by voting in favour of the resolutions to approve the joint bid arrangements and the Scheme Proposal and by accepting the Takeover Offer if the Scheme Proposal is not successful, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme Proposal is in the best interests of Azure shareholders and that the Takeover Offer is fair and reasonable.

Subject to those same qualifications, each member of the Azure Board intends to vote all Azure shares held or controlled by them in support of the Transaction and, in the event that the Scheme Proposal is not successful, accept those Azure shares into the Takeover Offer.

² The Azure Board unanimously recommend that Azure shareholders vote in favour of the Scheme Proposal and accept the Takeover Offer but only if the Scheme Proposal is not successful or is terminated in certain circumstances.

ASX ANNOUNCEMENT

ASX:AZS

Commenting on the Transaction, Azure's Managing Director, Tony Rovira, said:

"The Transaction delivers a fantastic outcome for Azure shareholders, including a significant uplift in value from the Original SQM Transaction despite elevated market volatility and the recent deterioration in lithium prices.

The Transaction also represents a great outcome for wider stakeholders in Andover, who will benefit from the significant financial strength and expertise of one of Australia's largest and most well-respected mining and exploration companies, Hancock, combining with SQM to oversee the successful development of Andover.

We encourage all Azure shareholders to support the Transaction."

Major shareholder support

Yandal Investments Pty Ltd (**Creasy Group**), which currently holds, and/ or can control the votes in relation to, 58,883,978 AZS shares (representing approximately 12.84% of the total number of AZS shares on issue), and the Delphi Group, which currently holds, and/ or can control the votes in relation to, 46,557,924 AZS shares (representing approximately 10.15% of the total number of AZS shares on issue), have each confirmed to the Directors of AZS that they intend to vote those shares (and any shares they acquire in the future) in favour of any resolution proposed in connection with the Transaction seeking approval of the joint bid arrangements between SQM and Hancock for the purposes of section 611 item 7 of the Corporations Act, and in favour of the Scheme Proposal, subject to no superior proposal to acquire 100% of the issued capital of AZS emerging beforehand. Each of those shareholders have also confirmed that if the Scheme Proposal is unsuccessful, they intend to accept the Takeover Offer upon it becoming unconditional and subject to no superior proposal to acquire 100% of the issued capital of AZS emerging beforehand.

Overview of the Scheme Proposal

If the Scheme Proposal is implemented, each Azure shareholder on the Scheme Record Date (as defined in the TID) will receive a cash amount of A\$3.70 per Azure share, which implies a fully-diluted equity value for Azure of ~A\$1.70 billion.¹

The Scheme Proposal of A\$3.70 per Azure share implies a premium of:

- 5.1% to the scheme component of the Original SQM Transaction of A\$3.52 per Azure share;
- 63.9% to the 10-day VWAP of A\$2.26 per Azure share up to and including Friday, 20 October 2023, being the last date on which Azure shares traded prior to the announcement of the Original SQM Transaction;

ASX ANNOUNCEMENT

ASX:AZS

- 60.2% to SQM's non-binding indicative offer ("**NBIO**") of A\$2.31 per Azure share as announced on 15 August 2023; and
- 54.2% to the offer price of A\$2.40 per Azure share from Azure's most recent equity raising announced on 21 August 2023.

The Scheme Proposal is subject to certain limited conditions, including:

- BidCo obtaining approval from Australia's Foreign Investment Review Board ("**FIRB**");
- BidCo obtaining specific competition law approvals;
- Azure shareholders (excluding SQM and Hancock) approving the joint bid arrangements for the purposes of item 7, section 611 of the Corporations Act;
- the independent expert concluding (and continuing to conclude) that the Scheme Proposal is in the best interests of Azure shareholders;
- customary conditions, including no material adverse change and no prescribed occurrences;
- approval of Azure shareholders of the Scheme Proposal. For the Scheme Proposal to proceed, the resolution at the Scheme Meeting must be approved by at least 75% of all votes cast by Azure shareholders and a majority by number of all Azure shareholders present and voting (in person or by proxy) at the Scheme Meeting. The Joint Bidders, holding in aggregate ~37.8% of Azure, are excluded from voting on the resolution at the Scheme Meeting;
- no shareholder (other than BidCo, SQM and Hancock) acquiring or increasing its shareholding in Azure to more than 15%; and
- the requisite Australian Court ("**Court**") approval.

The Scheme Proposal is not subject to any financing or due diligence conditions. SQM and Hancock have provided parent company guarantees in respect of the financial obligations of BidCo. Full details of the conditions of the Scheme Proposal are set out in the TID, a copy of which is attached to this announcement.

Overview of the Takeover Offer

Under the terms of the Takeover Offer, accepting Azure shareholders will receive a cash amount of A\$3.65 per Azure share, which implies a fully-diluted equity value for Azure of ~A\$1.68 billion¹.

The Takeover Offer is conditional upon, among other limited conditions:

- BidCo obtaining approval from FIRB;
- BidCo obtaining specific competition law approvals;

ASX ANNOUNCEMENT

ASX:AZS

- Azure shareholders (excluding SQM and Hancock) approving the joint bid arrangements for the purposes of item 7, section 611 of the Corporations Act;
- the Scheme Proposal not being successful or being terminated in certain circumstances; and
- customary conditions, including no material adverse change and no prescribed occurrences.

The Takeover Offer is not subject to any financing or due diligence conditions and does not have a minimum acceptance condition thereby providing a liquidity opportunity in the event the Scheme Proposal is unsuccessful or is terminated in certain circumstances. SQM and Hancock have provided parent company guarantees in respect of the financial obligations of BidCo. Full details of the conditions of the Takeover Offer are set out in the TID, a copy of which is attached to this announcement.

The Takeover Offer will remain open for a period of at least 20 Business Days (as defined in the TID) after the Scheme Meeting. As such, Azure shareholders will have the opportunity to consider the Takeover Offer after they have voted on the Scheme Proposal and the outcome of that vote is known.

Other key terms

The TID contains customary exclusivity obligations, including “no shop” and “no talk” obligations.

The TID also details circumstances under which Azure may be required to pay a break fee to BidCo and circumstances where BidCo may be required to pay Azure a reverse break fee. The amount of the break fee and reverse break fee, should either become payable, is A\$16.9 million.

Termination of Original SQM Transaction

As a result of entering into the TID to give effect to the Transaction, Azure and SQM have agreed to terminate the existing transaction implementation deed in respect of the Original SQM Transaction. However, in certain circumstances described below, SQM will be required to proceed with the takeover offer component of the Original SQM Transaction at A\$3.50 per share.

Joint Bidding Agreement

To facilitate the Transaction, SQM and Hancock have entered into the Joint Bidding Agreement. A copy of that agreement will be attached to a substantial shareholder notice to be released to ASX shortly after release of this announcement.

The Transaction is conditional upon Azure shareholders approving the joint bid arrangements and the resultant combined interest of approximately ~37.8% of Azure shares for the purposes of item 7, section 611 of the Corporations Act. This will require greater than 50% of all Azure shareholders

present and voting (in person or by proxy) to vote in favour of approving the joint bid arrangements. The Joint Bidders are excluded from voting on this resolution.

Significantly, to ensure the Joint Bidding Agreement complies with ASIC policy, the Joint Bidding Agreement contains provisions designed to replicate the conditions imposed in ASIC's customary joint bid relief including that the Joint Bidders must:

- match (either jointly, or by one party proceeding with a sole matching bid) or accept a higher rival bid (and must not vote against a higher rival scheme); and
- immediately terminate the Joint Bidding Agreement (including the Scheme Proposal and Takeover Offer) if the Scheme Proposal has not, or will not, become Effective (as defined in the TID) on or before the End Date (as defined in the TID) and the Takeover Offer is withdrawn or lapses for any reason (including non-satisfaction of a defeating condition).

ASIC relief in respect of SQM's obligation to make a takeover bid within 2 months

ASIC has granted relief to SQM from any obligation which it may have under section 631 of the Corporations Act to make the takeover bid for Azure as part of the Original SQM Transaction within 2 months of the announcement of the Original SQM Transaction, on the basis that the Original SQM Transaction is being replaced by the Transaction.

Under the terms of the ASIC relief, SQM will be required to proceed with the takeover offer component of the Original SQM Transaction if the Transaction is terminated for any reason or the Joint Bidders seek to make an unauthorised material variation to the terms of the Joint Bidding Agreement or the TID without ASIC's consent and the Takeover Offer is withdrawn or lapses, and Azure has agreed to enter into a new implementation agreement in the same or substantially the same form as entered into with SQM at the time of announcement of the Original SQM Transaction.

Indicative timetable and next steps

Azure shareholders do not need to take any action at this time.

A Transaction Booklet containing important information in relation to the Transaction, including reasons for the unanimous recommendation of Azure's Board and the independent expert's report, is expected to be sent to Azure shareholders in mid February 2024.

A meeting of Azure shareholders to approve the Transaction is expected to be held in mid March 2024. If approved by Azure shareholders and the Court, the Scheme Proposal would be implemented shortly thereafter.³

³ Dates are indicative only and may be subject to change.

ASX ANNOUNCEMENT

ASX:AZS

The Azure Board will keep the market informed of any material developments in accordance with its continuous disclosure requirements.

Barrenjoey is acting as Azure's financial adviser and Corrs Chambers Westgarth as Azure's legal adviser in relation to the Transaction.

This ASX announcement has been approved by Azure's Board of Directors and authorised for release by Azure's Managing Director, Tony Rovira.

3 Conditions to the Transactions

- (a) **FIRB Approval:** before 5.00pm on the Business Day before the Second Court Date, one of the following has occurred:
- (1) BidCo has received written notice under the FATA, by or on behalf of the Treasurer, advising that the Australian Commonwealth Government has no objections to the Scheme either unconditionally or subject only to:

- (B) conditions that SQM, BidCo or their respective Affiliates have had imposed in relation to prior notifications under the FATA and/or conditions which would not reasonably be expected to result in an adverse material financial impact on

the value BidCo could reasonably expect to derive from the Scheme;

- (2) the Treasurer becomes precluded by the passage of time from making an order or decision under Part 3 of the FATA in relation to the Scheme and the Scheme is not prohibited by section 82 of the FATA; or

- (2) rendered a decision that no approval, consent, waiver, exemption or declaration is required by law to implement the Scheme, and which decision remains in full force and effect in all respects, and has not been withdrawn, revoked, suspended, restricted or amended (or become subject to any notice, intimation or indication of intention to do any such thing) before 8.00am on the Second Court Date; or
- (3) failed to render a decision within the applicable waiting period prescribed by law and such failure is considered under such law to be a grant of all requisite approvals, consents, waivers, exemptions or declarations required by law to implement the Scheme.
- (c) **Item 7 of section 611 approval:** Azure Shareholders (other than Excluded Shareholders) approve the Item 7 Resolution at the General Meeting by the requisite majority under item 7 of section 611 of the Corporations Act.

- (2) no action or investigation is announced, commenced or threatened by any Government Agency; and
- (3) no application is made to any Government Agency,
- in consequence of, or in connection with, the Scheme which:
- (4) restrains, prohibits or otherwise materially adversely affects (or could reasonably be expected to restrain, prohibit or otherwise materially adversely affect) the Scheme, completion of the Scheme or the rights of BidCo in respect of Azure or the Transaction Shares to be acquired under the Scheme; or
- (5) requires the divestiture by BidCo, SQM, Hancock or their respective Associates of any Azure Shares or the divestiture of any material assets of the SQM Group, the Hancock Group or the Azure Group,

they are not true and correct, BidCo has a right to terminate this deed under clause 15.

3.2 Takeover Bid Conditions

The completion of the Takeover Bid and any contract that results from an acceptance of an Offer will be subject to the conditions set out in clause 1.7 of Schedule 2.

3.3 Best endeavours

- (a) Azure must, to the extent it is within its power to do so, use its best endeavours to procure that each of the Scheme Conditions in clauses 3.1(c), 3.1(d), 3.1(e), 3.1(g), 3.1(j), 3.1(k), 3.1(l) and 3.1(m), and each of the Takeover Bid Conditions in clauses 1.7(c), 1.7(d), 1.7(g) and 1.7(h) of Schedule 2, is satisfied as soon as practicable after the date of this deed and continues to be satisfied at all times until the last time that the relevant clause provides that it is to be satisfied.
- (b) Each party must, to the extent it is within its respective power to do so, use its best endeavours to procure that:
 - (1) the Scheme Conditions in clauses 3.1(a) and 3.1(b), and the Takeover Bid Conditions in clauses 1.7(a) and 1.7(b) of Schedule 2, are satisfied as soon as practicable after the date of this deed and continue to be satisfied at all times until the last time that the relevant clause provides that it is to be satisfied; and
 - (2) there is no occurrence within its control or the control of any of its Subsidiaries that would prevent any of the Scheme Conditions or Takeover Bid Conditions being or remaining satisfied.

3.4 Waiver

- (a) The Scheme Conditions in clauses 3.1(a), 3.1(d) and 3.1(g) cannot be waived.
- (b) The Scheme Conditions in clauses 3.1(b), 3.1(e), 3.1(h), 3.1(j), 3.1(k), 3.1(l) and 3.1(m) are for the sole benefit of BidCo and may only be waived by BidCo (in its absolute discretion) in writing.
- (c) The Scheme Condition in clause 3.1(f) is for the sole benefit of Azure and may only be waived by Azure (in its absolute discretion) in writing.
- (d) The Scheme Conditions in clauses 3.1(c) and 3.1(i) are for the benefit of both parties and may only be waived by written agreement between BidCo and Azure (in each case in their respective absolute discretion).
- (e) If a party waives a breach or the non-satisfaction of any of the Scheme Conditions in clause 3.1, that waiver does not prevent that party from suing the other party for any breach of this deed that resulted in the breach or non-satisfaction of the relevant Scheme Condition.
- (f) Waiver of a breach or non-satisfaction in respect of one Scheme Condition does not constitute:
 - (1) a waiver of breach or non-satisfaction of any other Scheme Condition resulting from the same event; or
 - (2) a waiver of breach or non-satisfaction of that Scheme Condition resulting from any other event.

3.5 Certain notices in relation to Scheme Conditions and Takeover Bid Conditions

- (a) If Azure or BidCo becomes aware that any Scheme Condition or Takeover Bid Condition has been satisfied, it must promptly notify the other in writing of this fact.
- (b) If, before the time specified for satisfaction of a Scheme Condition or Takeover Bid Condition, an event that will prevent, or is reasonably likely to prevent, that Scheme Condition or Takeover Bid Condition (as applicable) being satisfied occurs, the party with knowledge of that event must immediately give the other party written notice of that event.

3.6 Failure of a Scheme Condition or a Takeover Bid Condition

- (a) If there is an event or occurrence that would, does or will prevent any Condition (other than the Scheme Conditions in clauses 3.1(c), 3.1(d), 3.1(g) and 3.1(h) or the Takeover Bid Condition in clause 1.7(c) of Schedule 2) being satisfied by the time and date specified in this deed for the satisfaction of that Condition, then either party may give the other party written notice (**Consultation Notice**), and the parties must promptly consult in good faith to:
 - (1) consider and, if agreed, determine whether the Scheme, Takeover Bid or both Transactions (as applicable) may proceed by way of alternative means or methods;
 - (2) consider changing and, if agreed, change the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in writing by BidCo and Azure (being a date no later than the Business Day immediately before the End Date); or
 - (3) consider extending and, if agreed, extend the time and date specified in this deed for the satisfaction of that Condition or the End Date, respectively.
- (b) Subject to clauses 3.6(c) and 3.6(e), if the parties are unable to reach agreement under clause 3.6(a) within 10 Business Days after the date on which the Consultation Notice is given, then, unless the relevant Condition has been waived, either party may:
 - (1) terminate the Scheme Transaction if the relevant Condition is a Scheme Condition; or
 - (2) terminate this deed if the relevant Condition is a Takeover Bid Condition.For the avoidance of doubt, nothing in this clause 3.6(b) affects:
 - (3) the obligation of Azure to pay the Reimbursement Fee, if it is required to do so under clause 13; or
 - (4) the obligation of BidCo to pay the Reverse Reimbursement Fee, if it is required to do so under clause 14.
- (c) A party may not terminate this deed pursuant to clause 3.6(b) if the relevant event or occurrence, or the failure of the Condition to be satisfied arises out of a breach by that party.

- (d) If BidCo considers (acting reasonably) that the Scheme Condition in clause 3.1(d) will not be satisfied or is unlikely to be satisfied, BidCo will, having first consulted for a reasonable period in good faith with Azure, have the right (but not the obligation) to terminate the Scheme Transaction only by giving written notice to Azure by no later than the Business Day immediately after the date of the Scheme Meeting.
- (e) Without limiting clause 3.6(d), if the Scheme Condition in clause 3.1(d) is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within 3 Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that subparagraph, provided the party has, in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable. If approval is given, the Scheme Condition in clause 3.1(d) is deemed to be satisfied for all purposes.
- (f) If the Scheme Condition in clause 3.1(c) or the Takeover Bid Condition in clause 1.7(c) of Schedule 2 is not satisfied because of a failure to obtain the majority required by item 7 of section 611 of the Corporations Act:
- (1) BidCo has the right (but not the obligation) to terminate this deed immediately by giving written notice to Azure; and
 - (2) if BidCo has not within 7 days filed an application with ASIC for joint bid relief or that application is rejected by ASIC, Azure has the right (but not the obligation) to terminate this deed immediately by giving written notice to BidCo.
- (g) Without limiting clause 3.3, BidCo must:
- (1) keep Azure informed of the progress in relation to the obtaining of FIRB Approval, including (to the extent permitted by law and FIRB) providing Azure with reasonable details of all material dealings with FIRB in relation to the application for FIRB Approval (including any written requests for information by FIRB and any conditions or other arrangements proposed by FIRB or other Government Agency in respect of FIRB Approval);
 - (2) keep Azure informed of the progress in relation to the obtaining of each Competition Law Approval, including (to the extent permitted by law and the relevant Competition Authority) providing Azure with reasonable details of all material dealings with each Competition Law Authority in relation to the relevant application for Competition Law Approval (including any written requests for information by the relevant Competition Authority and any conditions or other arrangements proposed by the relevant Competition Authority in respect of the Competition Law Approval); and
 - (3) provide Azure with material information (to the extent known) which is likely to result in a delay in receipt of FIRB Approval or a Competition Law Approval that would mean the Timetable is unlikely to be achieved, or indicate that FIRB Approval or a Competition Law Approval is unlikely to be given.
- (h) Before providing any document or other information pursuant to clause 3.6(g), BidCo may redact or exclude any part of that document, or not disclose any part of that information, which contains or constitutes confidential, commercially sensitive or competitively sensitive or privileged information relating to the existing business or affairs of BidCo, SQM Group, Hancock Group or one of their respective Affiliates, to the extent that BidCo reasonably considers that the

disclosure of such information would be unlawful or damaging to BidCo's, SQM Group's, Hancock Group's or one of their respective Affiliate's commercial or legal interests, or would be reasonably likely to jeopardise any attorney-client, work product or other legal privilege.

 - (5) Azure has given BidCo at least 5 Business Days after the date of the provision of the information referred to in clause 12.5(a)(4) to provide a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal; and
 - (6) BidCo has not announced or otherwise formally proposed to Azure a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal by the expiry of the 5 Business Day period in clause 12.5(a)(5).
- (b) Subject to clause 12.5(a)(3), if BidCo proposes to Azure, or announces, amendments to the Scheme or a new proposal that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Bidder Counterproposal**) by the expiry of the 5 Business Day period in clause 12.5(a)(5), Azure must procure that the Azure Board considers the Bidder Counterproposal and if the Azure Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for Azure Shareholders as a whole (other than Excluded

Shareholders) compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then Azure and BidCo must use their best endeavours to agree the amendments to this deed, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable, and Azure must use its best endeavours to procure that each of the directors of Azure continues to recommend the Transaction (as modified by the Bidder Counterproposal) to Azure Shareholders.

- (c) For the purposes of this clause 12.5, each successive material modification of any Competing Proposal or potential Competing Proposal will constitute a new Competing Proposal or potential Competing Proposal, and the procedures set out in this clause 12.5 must again be followed prior to any member of the Azure Group entering into any agreement, arrangement, understanding or commitment in respect of such Competing Proposal or potential Competing Proposal.
- (d) Despite any other provision in this deed, a statement by Azure or the Azure Board to the effect that:
 - (1) the Azure Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 12.5; or
 - (2) Azure Shareholders should take no action pending the completion of the matching right process set out in this clause 12.5,does not of itself:
 - (3) constitute a change, withdrawal, modification or qualification of the recommendation by the Azure Directors or an endorsement of a Competing Proposal;
 - (4) contravene this deed;
 - (5) give rise to an obligation to pay the Reimbursement Fee under clause 13.2; or
 - (6) give rise to a termination right under clause 15.1.

13 Reimbursement Fee

13.1 Background to Reimbursement Fee

- (a) BidCo and Azure acknowledge that, if they enter into this deed and neither of the Transactions are subsequently implemented, BidCo will incur significant costs, including those set out in clause 13.4.
- (b) In these circumstances, BidCo has requested that provision be made for the payments outlined in clause 13.2, without which BidCo would not have entered into this deed or otherwise agreed to implement the Scheme or make the Takeover Bid.
- (c) The Azure Board believes, having taken advice from its external legal advisers and Financial Adviser, that the implementation of either of the Transactions will provide benefits to Azure and that it is appropriate for Azure to agree to the payments referred to in clause 13.2 in order to secure BidCo's participation in the Transactions.

13.2 Reimbursement Fee triggers

Subject to this clause 13, Azure must pay the Reimbursement Fee to BidCo if:

- (a) during the Exclusivity Period, one or more Azure Board Member withdraws, adversely changes, adversely modifies or adversely qualifies their support of the Transactions or their recommendation in the form contemplated by clause 2.5 unless:
- (1) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Azure Shareholders and that the Takeover Bid is not fair and not reasonable (except where that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal);
 - (2) the failure to recommend, or the change to or withdrawal of a recommendation to vote in favour of the Item 7 Resolution and the Scheme and accept the Takeover Bid occurs because of a requirement or request by a court or a Government Agency that one or more Azure Board Members abstain or withdraw from making a recommendation that Azure Shareholders vote in favour of the Item 7 Resolution and the Scheme and accept the Takeover Bid after the date of this deed;
 - (3) Azure is entitled to terminate this deed pursuant to clause 15.1(a)(1) or clause 15.2(b), and has given the appropriate termination notice to BidCo; or
 - (4) Azure is entitled to terminate this deed or the Scheme Transaction pursuant to clause 15.1(a)(3) or clause 15.3(a) and has given the appropriate termination notice to BidCo,
- provided that, for the avoidance of doubt, a statement made by Azure or the Azure Board to the effect that no action should be taken by Azure Shareholders pending the assessment of a Competing Proposal by the Azure Board or the completion of the matching right process set out in clause 12.5 will not require Azure to pay the Reimbursement Fee to BidCo;
- (b) a Competing Proposal of any kind is announced during the Exclusivity Period (whether or not such proposal is stated to be subject to any pre-conditions) and, within 12 months of the date of such announcement, the Third Party or any Associate of that Third Party:
- (1) completes a Competing Proposal of a kind referred to in any of paragraphs 2, 3 or 4 of the definition of Competing Proposal;
 - (2) enters into an agreement, arrangement or understanding with Azure, with another member of the Azure Group or with the board of directors of any of the foregoing entities, which is of the kind referred to in paragraph 5 of the definition of Competing Proposal; or
 - (3) without limiting clause 13.2(b)(1) or 13.2(b)(2), acquires (either alone or in aggregate) a Relevant Interest in more than 50% of the Azure Shares under a transaction that is or has become wholly unconditional or otherwise acquires (either alone or in aggregate) Control of Azure;
- (c) BidCo has validly terminated this deed pursuant to clause 15.1(a)(1) or 15.2(a) and the Transaction does not complete; or
- (d) an Azure Material Adverse Change, an Azure Regulated Event or an Azure Prescribed Occurrence occurs after the date of this deed and:

- (1) that change, event, occurrence, fact, matter or thing (**Adverse Event**) is within the control of Azure;
- (2) BidCo has given written notice to Azure setting out the relevant circumstances and stating an intention to claim the Reimbursement Fee if the Adverse Event is not remedied; and
- (3) the relevant Adverse Event continues to exist 5 Business Days after the date on which the notice is given under clause 13.2(d)(2).

13.3 Payment of Reimbursement Fee

- (a) A demand by BidCo for payment of the Reimbursement Fee under clause 13.2 must:
 - (1) be in writing;
 - (2) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (3) state the circumstances which give rise to the demand; and
 - (4) nominate an account in the name of BidCo into which Azure is to pay the Reimbursement Fee.
- (b) Azure must pay the Reimbursement Fee into the account nominated by BidCo, without set-off or withholding, within 5 Business Days after receiving a demand for payment where BidCo is entitled under clause 13.2 to the Reimbursement Fee.

13.4 Basis of Reimbursement Fee

The Reimbursement Fee has been calculated to reimburse BidCo for costs including the following:

- (a) fees for legal, financial and other professional advice in planning and implementing the Transactions (excluding success fees);
- (b) reasonable opportunity costs incurred in engaging in the Transactions or in not engaging in other alternative acquisitions or strategic initiatives;
- (c) costs of management and directors' time in planning and implementing the Transactions; and
- (d) out of pocket expenses incurred by BidCo and BidCo's employees, advisers and agents in planning and implementing the Transactions,

and the parties agree that:

- (e) the costs actually incurred by BidCo will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Reimbursement Fee is a genuine and reasonable pre-estimate of those costs,

and Azure represents and warrants that it has received written legal advice from its legal advisers in relation to the operation of this clause 13.

13.5 Compliance with law

- (a) This clause 13 does not impose an obligation on Azure to pay the Reimbursement Fee to the extent (and only to the extent) that the obligation to pay the Reimbursement Fee:

- (1) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
- (2) is determined to be unenforceable or unlawful by a court, provided that all proper avenues of appeal and review, judicial and otherwise, have been exhausted. For the avoidance of doubt, any part of the Reimbursement Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by Azure.
- (b) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 13.5(a).

13.6 Reimbursement Fee payable only once

Where the Reimbursement Fee becomes payable to BidCo under clause 13.2 and is actually paid to BidCo, BidCo cannot make any claim against Azure for payment of any subsequent Reimbursement Fee.

13.7 Other Claims

Where an amount becomes payable to BidCo under clause 13.2 and is actually paid to BidCo (or is payable, but no demand is made under clause 13.3), each of BidCo, SQM Parent, and Hancock Parent cannot make any Claim (other than a Claim under this clause 13) against Azure which relates solely to the event that gave rise to the right to make a demand under clause 13.3, except a Claim in relation to a breach of clause 12. For the avoidance of doubt, the amount of any loss or damage caused in relation to a breach of clause 12 shall be reduced by the amount paid to BidCo under clause 13.2.

13.8 Qualifications

Despite anything to the contrary in this deed, the Reimbursement Fee will not be payable to BidCo if:

- (a) the Scheme becomes Effective; or
- (b) BidCo has voting power of at least 50.1% in Azure on a fully diluted basis before the End Date and the Offer has been declared or becomes unconditional,

notwithstanding the occurrence of any event in clause 13.2 and, if the Reimbursement Fee has already been paid it must be refunded by BidCo.

13.9 Limitation of liability

- (a) Notwithstanding any other provision under this deed, the maximum aggregate amount which Azure is required to pay in relation to this deed (including as a result of any breach of this deed by Azure or any Claim) is the Reimbursement Fee and in no event will the aggregate liability of Azure under or in connection with this deed or any Claim exceed the Reimbursement Fee.
- (b) Notwithstanding any other provision under this deed, where the Reimbursement Fee is paid to BidCo under this deed, each of BidCo, SQM Parent, and Hancock Parent cannot make any claim against Azure or other Azure Indemnified Parties in relation to any event or occurrence referred to in clause 13.2

- (c) Clauses 13.9(a) and 13.9(b) do not apply to any application to a court or claim for specific performance or injunctive relief.
- (d) Clauses 13.9(a) and 13.9(b) do not apply in connection with a Claim by BidCo against Azure for loss which flows directly from a breach by Azure of clause 12 or a Claim against Azure arising in relation to any wilful misconduct or fraudulent breach of this deed by Azure.

14 Reverse Reimbursement Fee

14.1 Background to Reverse Reimbursement Fee

- (a) Azure and BidCo acknowledge that, having entered into this deed, if neither of the Transactions are implemented, Azure will incur signification losses and costs, including:
 - (1) advisory costs;
 - (2) costs of management and directors' time;
 - (3) out-of-pocket expenses;
 - (4) the distraction of Azure's management from conducting Azure's business as usual caused by pursuing the Transactions;
 - (5) the opportunity costs incurred by Azure in pursuing the Transactions or in not pursuing other alternative transactions;
 - (6) strategic initiatives which Azure could have developed to further its business and objectives; and
 - (7) damage to Azure's reputation associated with a failed transaction and the implications of that damage to Azure's business.
- (b) In the circumstances referred to in clause 14.1(a), Azure has requested that provision be made for the payments outlined in clause 14.3, without which Azure would not have entered into this deed.
- (c) BidCo acknowledges that:
 - (1) it has received legal advice in relation to this deed and the operation of this clause 14;
 - (2) it believes the implementation of either of the Transactions will provide significant benefits to BidCo, such that it is reasonable and appropriate for BidCo to agree to the Reverse Reimbursement Fee in order to secure Azure's participation in the Transactions;
 - (3) the Reverse Reimbursement Fee is intended to compensate Azure for those losses and costs contemplated by clause 14.1(a), which the parties agree are inherently difficult to quantify; and
 - (4) that a genuine pre-estimate of the losses and costs contemplated by clause 14.1(a) would equal the Reverse Reimbursement Fee.
- (d) The parties must not make or cause or permit to be made any application to a court for a determination that the Reverse Reimbursement Fee is invalid or unenforceable.

14.2 Reverse Reimbursement Fee triggers

- (a) Subject to this clause 14, BidCo must pay the Reverse Reimbursement Fee to Azure if Azure terminates this deed in accordance with clause 15.1(a)(1).
- (b) The Reverse Reimbursement Fee is payable only once, even if multiple events occur that would entitle Azure to make a demand.

14.3 Satisfaction of payment obligation

- (a) BidCo must pay Azure the amount claimed under clause 14.2 within 5 Business Days after receipt by BidCo of a demand for payment from Azure where Azure is entitled under clause 14.2 to the Reverse Reimbursement Fee. A demand by Azure for payment of the Reverse Reimbursement Fee under clause 14.2 must:
 - (1) be in writing;
 - (2) be made after the occurrence of the event in that clause giving rise to the right to payment; and
 - (3) state the circumstances which give rise to the demand.
- (b) BidCo's obligation to make the payment referred to in clause 14.3(a) will be satisfied by the payment of the relevant amount in immediately available funds to the account nominated in writing by Azure for the purposes of this clause. The account nomination must occur at least 3 Business Days prior to the due date for payment.

14.4 Reverse Reimbursement Fee payable only once

Where the Reverse Reimbursement Fee becomes payable to Azure under clause 14.2 and is actually paid to Azure, Azure cannot make any claim against BidCo for payment of any subsequent Reverse Reimbursement Fee.

14.5 Exclusive remedy

- (a) Notwithstanding any other provision under this deed, the maximum aggregate amount which BidCo is required to pay in relation to this deed (including as a result of any breach of this deed by BidCo or any other Claim) is the amount of the Reverse Reimbursement Fee and in no event will the aggregate liability of BidCo under or in connection with this deed or any Claim exceed the amount of the Reverse Reimbursement Fee.
- (b) Notwithstanding any other provision under this deed, where the Reverse Reimbursement Fee is paid to Azure under this deed (or is payable, but no demand is made under clause 14.3), Azure cannot make any claim against BidCo or any BidCo Indemnified Parties in relation to any event or occurrence referred to in clause 14.2.
- (c) Clause 14.5(a) and 14.5(b) do not apply:
 - (1) to any application to a court or claim for specific performance or injunctive relief;
 - (2) to any failure by BidCo to pay the amount in clause 5.3(b)(2); or
 - (3) a Claim against BidCo arising in relation to any wilful misconduct or fraudulent breach of this deed by BidCo ,

and nothing in this clause limits the liability of BidCo or any other BidCo Indemnified Party under the Deed Poll or at law.

15 Termination

15.1 Termination of this deed and the Transactions

- (a) Either party may terminate this deed by written notice to the other party:
- (1) other than in respect of a breach of either a BidCo Representation and Warranty or an Azure Representation and Warranty (which are dealt with in clause 15.2), at any time before the close of the Offer Period, if the other party has materially breached this deed, the party entitled to terminate has given written notice to the party in breach of this deed setting out the relevant circumstances and stating an intention to terminate this deed if the breach is not remedied, and the other party has failed to remedy the breach within 5 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given;
 - (2) at any time before the close of the Offer Period if the Court or another Government Agency (including any other court) has taken any action permanently restraining or otherwise prohibiting or preventing the Transactions, or has refused to do anything necessary to permit the Transactions to be implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party, acting reasonably, believes that there is no realistic prospect of an appeal or review succeeding by the End Date;
 - (3) in the circumstances set out in, and in accordance with, clause 3.6(b)(2);
 - (4) if:
 - (A) the Effective Date for the Scheme has not occurred, or will not occur, on or before the End Date; and
 - (B) BidCo withdraws the Takeover Bid or the Takeover Bid lapses for any reason, including non-satisfaction of a Takeover Bid Condition.
- (b) BidCo may terminate this deed by written notice to Azure at any time before the close of the Offer Period:
- (1) if any Azure Board Member:
 - (A) fails to recommend to Azure Shareholders (other than Excluded Shareholders) to vote in favour of the Item 7 Resolution and the Scheme at the Transaction Meetings;
 - (B) withdraws or adversely modifies their recommendation to Azure Shareholders to vote in favour of the Item 7 Resolution and the Scheme at the Transaction Meetings (other than because of a requirement or request by a court or a Government Agency that one or more Azure Board Members abstain or withdraw from making a recommendation that Azure Shareholders vote in favour of the Item 7 Resolution and the Scheme and accept the Takeover Bid after the date of this deed);
 - (C) fails to recommend that Azure Shareholders accept the Offer to be made to them under the Takeover Bid in the form contemplated by clause 2.5;

- (D) withdraws or adversely modifies their recommendation to Azure Shareholders to accept the Offer to be made to them under the Takeover Bid (other than because of a requirement or request by a court or a Government Agency that one or more Azure Board Members abstain or withdraw from making a recommendation that Azure Shareholders vote in favour of the Item 7 Resolution and the Scheme and accept the Takeover Bid after the date of this deed); or
- (E) makes a public statement indicating that they no longer support the Scheme, Item 7 Resolution or Takeover Bid or any of them;
- (2) in the circumstances set out in, and in accordance with, clause 3.6(f)(1); or
- (3) if in any circumstances (including, for the avoidance of doubt, where permitted by clause 12.5) Azure enters into any legally binding agreement, arrangement or understanding in relation to the undertaking or giving effect to any actual, proposed or potential Competing Proposal.
- (c) Azure may terminate this deed by written notice to BidCo at any time before the close of the Offer Period:
- (1) if the Azure Board or a majority of the Azure Board has changed, withdrawn, modified or qualified its recommendation as permitted under clause 2.5 and, if required to do so, Azure pays the Reimbursement Fee to BidCo; or
- (2) in the circumstances set out in, and in accordance with, clause 3.6(f)(2).

15.2 Termination of this deed and the Transactions for breach of representations and warranties

- (a) BidCo may, at any time prior to the close of the Offer Period, terminate this deed for breach of an Azure Representation and Warranty only if:
- (1) BidCo has given written notice to Azure setting out the relevant circumstances and stating an intention to terminate this deed if the breach is not remedied;
- (2) the relevant breach continues to exist 5 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 15.2(a)(1); and
- (3) the relevant breach is material.
- (b) Azure may, at any time before the close of the Offer Period, terminate this deed for breach of a BidCo Representation and Warranty only if:
- (1) Azure has given written notice to BidCo setting out the relevant circumstances and stating an intention to terminate this deed if the breach is not remedied;
- (2) the relevant breach continues to exist 5 Business Days (or any shorter period ending at 5.00pm on the Business Day before the Second Court Date) after the date on which the notice is given under clause 15.2(b)(1); and

- (3) the relevant breach is material.

15.3 Termination of Scheme Transaction only

- (a) Either party may terminate the Scheme Transaction by written notice to the other party in the circumstances set out in, and in accordance with, clause 3.6(b)(1).
- (b) BidCo may terminate the Scheme Transaction by written notice to Azure in the circumstances set out in, and in accordance with, clause 3.6(d).

15.4 Effect of termination

- (a) If this deed is terminated by either party under clause 3.6(b)(2), 3.6(f), 15.1 or 15.2:
- (1) each party will be released from its obligations under this deed, except that this clause 15.4, and clauses 1, 2.6, 2.7, 8.5 to 8.9, 9.1, 9.2, 11, 13, 14, 16, 17, 18 and 19 (except clause 19.9), will survive termination and remain in force;
 - (2) each party will retain the rights it has or may have against the other party in respect of any past breach of this deed; and
 - (3) in all other respects, all future obligations of the parties under this deed will immediately terminate and be of no further force and effect including any further obligations in respect of the Transactions.
- (b) If the Scheme Transaction is terminated by BidCo or Azure under clause 3.6(b)(1), 3.6(d) or 15.3:
- (1) each party will be released from their respective obligations under this deed in respect of the Scheme Transaction only and under the Scheme; and
 - (2) all future obligations of the parties under this deed in respect of the Scheme Transaction only and under the Scheme will immediately terminate and be of no further force and effect,
- and, for the avoidance of doubt and unless otherwise provided elsewhere in this deed, the parties' obligations under this deed in respect of the Item 7 Resolution and Takeover Bid will continue on foot.

15.5 Termination

Where a party has a right to terminate this deed, that right for all purposes will be validly exercised if the party delivers a notice in writing to the other party stating that it terminates this deed and the provision under which it is terminating this deed.

15.6 No other termination

Neither party may terminate or rescind this deed or the Scheme Transaction except as permitted under clause 3.6, 15.1, 15.2 or 15.3.

16 Duty, costs and expenses

16.1 Stamp duty

BidCo:

- (a) must pay all stamp duties and any fines and penalties with respect to stamp duty in respect of this deed or the Scheme or the steps to be taken under this deed or the Scheme; and
- (b) indemnifies Azure against any liability arising from its failure to comply with clause 16.1(a).

16.2 Costs and expenses

Except as otherwise provided in this deed, each party must pay its own costs and expenses in connection with the negotiation, preparation, execution, delivery and performance of this deed and the proposed, attempted or actual implementation of this deed and the Transactions.

17 GST

- (a) Any consideration or amount payable under this deed, including any non-monetary consideration (as reduced in accordance with clause 17(e) if required) (**Consideration**) is exclusive of GST.
- (b) If GST is or becomes payable on a Supply made under or in connection with this deed, an additional amount (**Additional Amount**) is payable by the party providing consideration for the Supply (**Recipient**) equal to the amount of GST payable on that Supply as calculated by the party making the Supply (**Supplier**) in accordance with the GST Law.
- (c) The Additional Amount payable under clause 17(b) is payable at the same time and in the same manner as the Consideration for the Supply, and the Supplier must provide the Recipient with a Tax Invoice. However, the Additional Amount is only payable on receipt of a valid Tax Invoice.
- (d) If for any reason (including the occurrence of an Adjustment Event) the amount of GST payable on a Supply (taking into account any Decreasing or Increasing Adjustments in relation to the Supply) varies from the Additional Amount payable by the Recipient under clause 17(b):
 - (1) the Supplier must provide a refund or credit to the Recipient, or the Recipient must pay a further amount to the Supplier, as applicable;
 - (2) the refund, credit or further amount (as the case may be) will be calculated by the Supplier in accordance with the GST Law; and
 - (3) the Supplier must notify the Recipient of the refund, credit or further amount within 14 days after becoming aware of the variation to the amount of GST payable. Any refund or credit must accompany such notification or the Recipient must pay any further amount within seven days after receiving such notification, as applicable. If there is an Adjustment Event in relation to the Supply, the requirement for the Supplier to notify the Recipient will be satisfied by the Supplier issuing

to the Recipient an Adjustment Note within 14 days after becoming aware of the occurrence of the Adjustment Event.

- (e) Despite any other provision in this deed if an amount payable under or in connection with this deed (whether by way of reimbursement, indemnity or otherwise) is calculated by reference to an amount incurred by a party, whether by way of cost, expense, outlay, disbursement or otherwise (**Amount Incurred**), the amount payable must be reduced by the amount of any Input Tax Credit to which that party is entitled in respect of that Amount Incurred.
- (f) Any reference in this clause to an Input Tax Credit to which a party is entitled includes an Input Tax Credit arising from a Creditable Acquisition by that party but to which the Representative Member of a GST Group of which the party is a member is entitled.
- (g) Any term starting with a capital letter in this clause 17 that is not defined in this clause 17 has the same meaning as the term has in the *A New Tax System (Goods & Services Tax) Act 1999* (Cth).

Each party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

No party to this deed may rely on the words or conduct of any other party as a waiver of any right unless the waiver is in writing and signed by the party granting the waiver.

The meanings of the terms used in this clause 19.4 are set out below.

19.7 Acknowledgement

The non-fulfilment of any condition subsequent does not, until the end of the Offer Period (or in the case of the condition in clause 1.7(d) of this Schedule 2, until the end of the third Business Day after the end of the Offer Period), prevent a contract to sell Azure Shares from arising, but will entitle BidCo by written notice to Azure Shareholders, to rescind the contract resulting from Azure Shareholders' acceptance of the Offer.

Notwithstanding the acceptance of the Offer by an Azure Shareholder, unless and until the conditions in clauses 1.7(a), 1.7(b) and 1.7(c) of this Schedule 2 are fulfilled:

- (1) no contract for the sale of the Azure Shares will come into force or be binding on the Azure Shareholder or on BidCo; and
 - (2) BidCo will have no rights (conditional or otherwise) in relation to the Azure Shares.

- (d) The Takeover Bid Condition in clause 1.7(f) of this Schedule 2 may only be waived by BidCo with the prior written consent of Azure (acting reasonably).
- (e) If a Scheme Condition is waived or satisfied, BidCo must declare the Takeover Bid free from the corresponding Takeover Bid Condition.
- (f) If, at the end of the Offer Period (or in the case of the condition in clause 1.7(d) of this Schedule 2, at the end of the third Business Day after the end of the Offer Period), the Takeover Bid Conditions have not been fulfilled and BidCo has not declared the Offer (or it has not become) free from those conditions, all contracts resulting from the acceptance of the Offer will be automatically void.

1.9 Withdrawal of the Offer

- (a) BidCo will be entitled to withdraw the Offer with the consent in writing of ASIC, which consent may be subject to conditions. If ASIC gives such consent, BidCo will give notice of the withdrawal to the ASX and to Azure and will comply with any other conditions imposed by ASIC.
- (b) If, at the time the Offer is withdrawn, all the Takeover Bid Conditions have been freed, all contracts arising from acceptance of the Offer before it was withdrawn will remain enforceable.
- (c) If, at the time the Offer is withdrawn, the Offer remains subject to one or more of the Takeover Bid Conditions, all contracts arising from its acceptance will become void (whether or not the events referred to in the relevant conditions have occurred).

 - (1) if the withdrawal is not subject to conditions imposed by ASIC, on and after the date on which that consent in writing is given by ASIC; or

Offers will be made to persons who hold Azure Shares in two or more separate parcels within the meaning of section 653B of the Corporations Act (for example, because a person is a trustee or nominee for several distinct beneficial owners), in accordance with section 653B of the Corporations Act so that:

- (c) BidCo will be taken to have made a separate Offer for each separate parcel of Azure Shares; and

3 Conditions

3.1 Conditions precedent

This Scheme is conditional on and will have no force or effect until, the satisfaction of each of the following conditions precedent:

unless Azure and BidCo otherwise agree in writing.

5 Implementation of this Scheme

5.1 Lodgement of Court orders with ASIC

If the conditions precedent set out in clause 3.1 (other than the condition precedent in clause 3.1(e)) have been satisfied or waived, Azure must lodge with ASIC, in accordance with subsection 411(10) of the Corporations Act, an office copy of the Court order approving this Scheme as soon as possible after the Court approves this Scheme and in any event by 5.00pm on the first Business Day after the day on which the Court approves this Scheme.

5.2 Transfer of Scheme Shares

On the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clauses 6.1(b) and 6.1(c), the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, will be transferred to BidCo, without the need for any further act by any Scheme Shareholder (other than acts performed by Azure as attorney and agent for Scheme Shareholders under clause 9.5), by:
 - (1) Azure delivering to BidCo a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by Azure, for registration; and

- (2) BidCo duly executing the Scheme Transfer, attending to the stamping of the Scheme Transfer (if required) and delivering it to Azure for registration; and
- (b) immediately following receipt of the Scheme Transfer in accordance with clause 5.2(a)(2), but subject to the stamping of the Scheme Transfer (if required), Azure must enter, or procure the entry of, the name of BidCo in the Share Register in respect of all the Scheme Shares transferred to BidCo in accordance with this Scheme.

6 Scheme Consideration

6.1 Provision of Scheme Consideration

- (a) BidCo must, by no later than the Business Day before the Implementation Date, deposit, or procure the deposit, in cleared funds an amount equal to the aggregate amount of the Scheme Consideration payable to all Scheme Shareholders, into an Australian dollar denominated trust account with an ADI operated by Azure as trustee for the Scheme Shareholders (provided that any interest on the amounts deposited (less bank fees and other charges) will be credited to BidCo's account).
- (b) On the Implementation Date, subject to funds having been deposited in accordance with clause 6.1(a), Azure must pay or procure the payment of the Scheme Consideration to each Scheme Shareholder from the trust account referred to in clause 6.1(a).
- (c) The obligations of Azure under clause 6.1(b) will be satisfied by Azure (in its absolute discretion, and despite any election referred to in clause 6.1(c)(1) or authority referred to in clause 6.1(c)(2) made or given by the Scheme Shareholder):
 - (1) if a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the Azure Registry to receive dividend payments from Azure by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;
 - (2) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Shareholder by an appropriate authority from the Scheme Shareholder to Azure; or
 - (3) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by prepaid post to their Registered Address (as at the Scheme Record Date), such cheque being drawn in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 6.2).
- (d) To the extent that, following satisfaction of Azure's obligations under clause 6.1(b), there is a surplus in the amount held by Azure as trustee for the Scheme Shareholders in the trust account referred to in that clause, that surplus may be paid by Azure to BidCo.

6.2 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 6.1(c), the Scheme Consideration is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of Azure, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders; and
- (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of Azure, the holder whose name appears first in the Share Register as at the Scheme Record Date or to the joint holders.

6.3 Unclaimed monies

- (a) Azure may cancel a cheque issued under this clause 6 if the cheque:
 - (1) is returned to Azure; or
 - (2) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Azure (or the Azure Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Azure must reissue a cheque that was previously cancelled under this clause 6.3.
- (c) The *Unclaimed Money Act 1990* (WA) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 6 of the *Unclaimed Money Act 1990* (WA)).

6.4 Orders of a court or Government Agency

If written notice is given to Azure (or the Azure Registry) or BidCo of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Azure in accordance with this clause 6, then Azure shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents Azure from providing consideration to any particular Scheme Shareholder in accordance with this clause 6, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Azure shall be entitled to retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration until such time as the provision of the Scheme Consideration in accordance with this clause 6 is permitted by that (or another) order or direction or otherwise by law.

7 Dealings in Azure Shares

7.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Azure Shares or other alterations to the Share Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Share Register as the holder of the relevant Azure Shares on or before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received on or before the Scheme Record Date at the place where the Share Register is kept,

and Azure must not accept for registration, nor recognise for any purpose (except a transfer to BidCo pursuant to this Scheme and any subsequent transfer by BidCo or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

7.2 Register

- (a) Azure must register registrable transmission applications or transfers of the Scheme Shares that are received in accordance with clause 7.1(b) on or before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 7.2(a) requires Azure to register a transfer that would result in an Azure Shareholder holding a parcel of Azure Shares that is less than a 'marketable parcel' (for the purposes of this clause 7.2(a) 'marketable parcel' has the meaning given in the Operating Rules).
- (b) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and Azure shall be entitled to disregard any such disposal.
- (c) For the purpose of determining entitlements to the Scheme Consideration, Azure must maintain the Share Register in accordance with the provisions of this clause 7.2 until the Scheme Consideration has been paid to the Scheme Shareholders. The Share Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) Subject to the provision of the Scheme Consideration in the manner contemplated by clauses 6.1(b) and 6.1(c), and the registration of the transfer to BidCo contemplated in clause 5.2(b), all statements of holding for Azure Shares (other than statements of holding in favour of BidCo or any Excluded Shareholders) will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Share Register (other than entries on the Share Register in respect of BidCo or any Excluded Shareholder) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Azure Shares relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00pm on the first Business Day after the Scheme Record Date, Azure will ensure that details of the names, Registered Addresses and holdings of Azure

Shares for each Scheme Shareholder as shown in the Share Register are available to BidCo in the form BidCo reasonably requires.

8 Quotation of Azure Shares

- (a) Azure must apply to ASX to suspend trading on the ASX in Azure Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by BidCo, Azure must apply:
 - (1) for termination of the official quotation of Azure Shares on the ASX; and
 - (2) to have itself removed from the official list of the ASX.

9 General Scheme provisions

9.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Azure may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which BidCo has consented; and

 - (6) consents to Azure and BidCo doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or

desirable to give full effect to this Scheme and the transactions contemplated by it.

- (b) Each Scheme Shareholder is taken to have warranted to Azure and BidCo on the Implementation Date, and appointed and authorised Azure as its attorney and agent to warrant to BidCo on the Implementation Date, that all their Azure Shares (including any rights and entitlements attaching to those shares) which are transferred under this Scheme will, at the date of transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind, and that they have full power and capacity to transfer their Azure Shares to BidCo together with any rights and entitlements attaching to those shares. Azure undertakes that it will provide such warranty to BidCo as agent and attorney of each Scheme Shareholder.

9.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to BidCo will, at the time of transfer of them to BidCo vest in BidCo free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.
- (b) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clauses 6.1(b) and 6.1(c), BidCo will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Azure of BidCo in the Share Register as the holder of the Scheme Shares.

9.4 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clauses 6.1(b) and 6.1(c), and until Azure registers BidCo as the holder of all Scheme Shares in the Share Register, each Scheme Shareholder:

- (a) is deemed to have appointed BidCo as attorney and agent (and directed BidCo in each such capacity) to appoint any director, officer, secretary or agent nominated by BidCo as its sole proxy and, where applicable or appropriate, corporate representative to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 9.4(a));
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as BidCo reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 9.4(a), BidCo and any director, officer, secretary or agent nominated by BidCo under clause 9.4(a) may act in the best interests of BidCo as the intended registered holder of the Scheme Shares.

9.5 Authority given to Azure

Each Scheme Shareholder, without the need for any further act:

- (a) on the Effective Date, irrevocably appoints Azure and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against SQM Parent, Hancock Parent and BidCo, and Azure undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against SQM Parent, Hancock Parent and BidCo on behalf of and as agent and attorney for each Scheme Shareholder; and
