Pinnacle Minerals Limited (**PIM:ASX**) ("**Pinnacle**", the "**Company**") is pleased to announce that the Company has received US \$500,000 from E&D Fund as an offtake payment for rights to 25% of any minerals extracted from the Adina East Lithium Project ("**Project**") in James Bay, Quebec.

The acquisition of 75% of the Project is now finalised having taken receipt of the offtake payment from E&D Fund. The funds will be utilised in the upcoming 2024 exploration program in James Bay which Pinnacle is currently drawing up with the assistance of the experienced Quebec-based team at IOS Geosciences (IOS) who conducted the reconnaissance exploration program in October 2023.

Pinnacle Minerals Managing Director, Nic Matich, commented:

"Having now closed the Adina East Lithium Project acquisition, Pinnacle has moved to develop an extensive exploration program for 2024 to unlock the full potential of the Project. We have the advantage of a fresh capital injection with the US \$500,000 offtake payment, supportive project partners in Waratah and an expert exploration team both in-house and from IOS in Quebec."

This announcement has been authorised for release by the Board of Pinnacle Minerals Ltd.

About Pinnacle Minerals

Pinnacle Minerals Ltd (PIM:ASX) is an ASX listed technology minerals company focused on delivering shareholder value via the systematic exploration and development of its portfolio of battery and technology metals projects in Canada, Western Australia and South Australia. Pinnacle aims to deliver exploration success via systematic and geologically rigorous techniques. The Company's focus is the "Adina East Project" in James Bay, Quebec which is proximal to the world class Adina Lithium Project (Winsome Resources: WR1:ASX) and adjacent to the Trieste Lithium Project (Loyal Lithium: LLI:ASX) and the Tilly Lithium Project (WR1:ASX). The Company's Australian exploration assets are prospective for Rare Earth Elements, Mineral Sands and Kaolin.
