Chairman's Letter

The result of \$0.643 million compared to \$1.169 million first half FY23 is disappointing.

This includes the profit effect with the cancellation of orders as advised in our January 10, 2024 ASX announcement and the Board has decided to immediately commence a review of:

- All manufacturing operations in Brisbane and Perth to improve operational efficiencies.
- All significant costs within the business to create further cost savings.
- Continue with prior initiatives with particular focus on expanding range of zinc oxide dispersions.

USA Update

We can confirm that we have two distributors in place for the US, including Deveraux Specialties and are working on more distributors for USA and Canada.

Board Initiatives

Management continues to work on the initiatives as set out at the AGM and by the Board.

- The results of our small scale Alusion trials were promising and more raw materials have been ordered to move to large scale trials.
- We have identified new ingredients to manufacture high content zinc-based dispersions and expect the trials to be completed before end of March 2024.
- We have identified over 100 European manufacturers that will be targeted in conjunction with our current European distributors.
- Have a new distributor in Bangladesh and are continuing discussions with distributors in four more countries in Thailand, Czech Republic, Philippines, Indonesia and further distributors in Canada and USA.
- We have developed a range of sunscreen recipes based on one dispersion which will be launched to manufacturers once full testing is completed.

Given our products are used in premium priced sunscreen / cosmetic products, the Board has underestimated the sales impact of the current global contributions including interest rates and recessionary pressures. Nevertheless, trends towards to natural based products will continue and current initiatives should positively impact in FY25.

8 Events Occurring After the Reporting Date

On 10 January 2024, the Group announced that Deveraux Specialties have cancelled the majority of their orders, despite their agreement to continue as a non-exclusive distributor. The reason for the order cancellations was a result of Deveraux becoming a non-exclusive distributor and no longer being subject to the minimum stock holding obligations under the previous exclusive agreement and therefore cancelled the orders in respect of the excess stock.

Directors' Declaration

The directors of the Company declare that:

1. The interim financial statements and notes, as set out on pages 5-14 are in accordance with the *Corporations Act 2001*, including:
 - (a) complying with Accounting Standard AASB 134: Interim Financial Reporting; and
 - (b) give a true and fair view of the consolidated group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date.
2. In the directors' opinion, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Advance ZincTek Limited

Independent auditor's review report

Report on the Review of the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Advance ZincTek Limited (the Company) and the entities it controlled at the half-year's end or from time to time during the half year (the consolidated entity), which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Advance ZincTek Limited is not in accordance with the *Corporations Act 2001* including:

- a. giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and of its performance for the half year ended on that date; and
- b. complying with Australian Accounting Standard 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the consolidated entity in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of Management for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
