Dear Mr Litis

Request for Trading Halt

Pursuant to ASX Listing Rul 17.1 Ava Risk Group Limited ACN 064 089 318 (**AVA, ASX: AVA**) requests the immediate implementation of a trading halt in its securities, being fully paid ordinary shares, to apply from time of receipt of this request by ASX and until the earlier of the commencement of trading on 13 February 2024.

For the purposes of ASX Listing Rule 17.1 AVA provides the following information:

- (a) AVA expects to release an announcement containing further details in relation to a material contract;
- (b) AVA requests that the trading halt remain in place until the earlier of the release of an announcement containing further details in relation to a material contract, and the commencement of trading on 13 February 2024; and
- (c) AVA is not aware of any reason why the trading halt should not be granted or of any other information necessary to inform the market about the trading halt.

Yours sincerely

Kim Larkin

Company Secretary

About Ava Risk Group

Ava Risk Group is a global leader in providing technologies and services to protect critical and high value assets and infrastructure. It operates three business segments – Detect, Access and Illuminate. The Detect segment manufactures and markets 'smart' fibre optic sensing systems for security and condition monitoring for a range of applications including perimeters, pipelines, conveyors, power cables and data networks. Access is a specialist in the development, manufacture and supply of high security biometric readers, security access control and electronic locking products. Illumination specialises in the development and manufacture of illuminators, ANPR cameras and perimeter detectors. Ava Risk Group products and services are trusted by some of the most security conscious commercial, industrial, military and government clients in the world. www.theavagroup.com
