# Group Model

## Underpinned by 4 key competitive advantages

### 1 Scale

- #1 player in Australian Consumer Electronics and Home Appliance market
- Strong and engaged supplier relationships, importance to suppliers locally and globally
- Large, engaged and diversified customer base across the two brands provides suppliers with the ability to execute promotions and new product launches at scale
- Young customer base drives ongoing brand importance to suppliers to maximise sales of new technology and innovation
- High volume website traffic provides significant marketing opportunities and reach
- Group function enables business to drive efficiencies across large cost base

### 2 Low Cost Operating Model

- Constant focus on productivity and minimising unnecessary expenditure
- Highly productive floor space with high sales per square metre
- Efficiency of model allows us to
  - respond to market price activity and maintain focus on market share; and
  - compete effectively with traditional competitors and new market entrants

### 3 Multichannel Capability

- Focus on providing the customer with an integrated and frictionless shopping experience regardless of their chosen sales channel
- Customer choice on how to shop with us
  - **Stores** - High quality store locations that provide convenience and easy access
  - **Online** - High brand awareness and optimised digital experience drives high traffic through websites
  - **Phone** - Convenient and personalised sales experience giving customers ability to negotiate a deal
- Fast fulfilment, via in-store shopping, click and collect or delivery from the store network or big and bulky home delivery centres
- Aftersales support via any channel provides confidence when buying
- National Commercial business supporting corporate, government and education customers

### 4 People and Culture

- Knowledgeable and passionate teams who put customers first and provide exceptional customer service
- Strong, overarching culture that also reflects the individual brand personalities
- Dynamic and flexible environment allows us to pivot the business quickly and adapt to any changing market conditions
- Highly engaged teams who have a connection with the business and its purpose
- Diverse and inclusive workforce
- Unrelenting focus on health and safety

# Generating sustainable long-term growth

The Group is committed to having a positive impact on our people, our community and our environment

## Sustainability Policy focus areas

## HY24 Progress

### Our People

- Diversity & inclusion
- Health, safety and wellbeing

- Continued to improve gender diversity across the Group, with an increase in the number of women in leadership positions
- Continued to invest in leadership development, that included improving and increasing participation in our women in leadership program
- Ongoing focus on building a greater understanding of our people leaders' role in creating a safe, respectful and inclusive culture, delivered through our Speak Up program
- Ongoing focus on safety including mental health and wellbeing and aggressive customer training programs

### Our Communities

- Community investment
- Ethical sourcing
- Data security and privacy

- HY24 workplace giving donations totalling \$2.2 million and \$37.9 million since inception
- JB HI-FI Helping Hands program won the gold award for the best workplace giving program of the year at the 2023 Annual Workplace Giving Excellence Awards
- Submitted our 2023 Modern Slavery statement, engaged an additional 172 brands on supply chain mapping and reviewed social compliance audits of 48 factories on our supplier watchlist

### Our Environment

- Climate action
- Product & waste recycling

- Solar power generation installed in 2 stores in HY24, bringing the total number of stores to 26 as the Group continues to work towards net-zero direct (scope 1 and 2) carbon emissions by 2030
- JB HI-FI Australia transitioned to 100% recyclable paper bags and multi-use non-woven bags, with 15c yellow plastic bags now phased out nationally
- Rolled out battery and mobile phone customer recycling stations across all JB HI-FI Australia and The Good Guys stores
