Dear Dale

**RE: Cohiba Minerals Limited (“CHK” or the Company): Aware Query**

We refer to your letter of 22 February 2024 (a copy of which is enclosed for reference) (**ASX Letter**) and provide the following responses. The responses below reference the numbered items in the ASX Letter, with your questions included in italics for reference.

We have adopted terms defined in the ASX Letter, unless separately defined in this letter.

1. *Based on the timeline of events outlined above, ASX is concerned that CHK was aware of the 20 February Placement at the time that it issued the Cleansing Notice. In light of this:*

- 1.1 *when did CHK decide to conduct the 20 February Placement?*

In the afternoon of 19 February 2024, following completion of the issue of shares forming the 7 December Placement, Phoenix indicated to the Company that there may be demand from investors to subscribe for further securities on the same terms as the 7 December Placement. During the afternoon of 19 February 2024 at 5:16pm (AEDT), this demand was confirmed by Phoenix and it executed a letter confirming it had binding commitments from its clients for the \$850K placement at 11:27pm (AEDT) on 19 February 2024. A circular resolution was sent to the Company’s Board to approve the placement at 12:01am (AEDT) on 20 February 2024. The Company’s Board resolved to conduct the 20 February 2024 Placement and accept those commitments by way of a circular resolution which was passed at 8:52am (AEDT) on 20 February 2024.

The Company acknowledges that its 20 February 2024 ASX announcement titled “*Cohiba Raises Additional \$850,000 Through Placement*” was incorrectly dated 19 February 2024. A draft of the release was prepared in the evening on 19 February 2024, and the date was not updated in the final release.

- 1.2 *when did CHK first seek firm commitments from participants in the 20 February Placement?*

As noted above, firm commitments were sought by Phoenix in the afternoon of 19 February 2024 following completion of the issue of shares forming the 7 December Placement.

- 1.3 *when did CHK receive all of the firm commitments from participants in the 20 February Placement?*

As noted above, at 11.27pm (AEDT) on 19 February 2024, although the Company's Board did not resolve to proceed with the 20 February Placement until 8.52am (AEDT) on 20 February 2024.

- 1.4 *please explain why CHK stated in the Cleansing Notice that it was not aware of any "excluded information", noting that it appears to ASX that CHK was at that time relying on Listing Rule 3.1A to not disclose the 20 February Placement.*

The Company was not relying on Listing Rule 3.1A at the time of the issue of the Cleansing Notice. Commitments for the 20 February Placement were sought after the issue of the Cleansing Notice as noted above.

- 1.5 *is CHK of the view that the Cleansing Notice was validly issued? If so, please explain the basis for that view. If not, please outline the remedial action CHK intends to take to address the defective issue of the notice under section 708A of the Act.*

Yes. As noted at question 1.4 above, the 20 February 2024 Placement was conducted after the issue of the Cleansing Notice in response to a potential demand identified by Phoenix following completion of the 7 December Placement.

2. *Noting that the X Post referred to a placement completed in February 2024, please clarify whether this related to the 7 December Placement or the 20 February Placement.*

The Company notes that the X Post refers to a placement "completed in February 2024". The only placement completed by CHK in February 2024 is the 7 December 2023 Placement. The Company has consulted with Phoenix in respect of this response and Phoenix have confirmed that the X Post relates to the 7 December 2023 Placement and not the 20 February 2024 Placement. Furthermore, Phoenix have confirmed that neither Phoenix (nor any of its associates) are participants in the 20 February 2024 Placement.

3. *If the X Post referred to the 20 February Placement, this would appear to be a breach of Listing Rule 15.7, given CHK's engagement of Phoenix's services in its capacity as both a lead manager and public / investor relations adviser. Please outline what disciplinary and / or remedial action CHK intends to take in response to this apparent breach.*

Not applicable.

4. *Does Phoenix, in its capacity as public / investor relations adviser to CHK, receive any material information from CHK prior to its publication on MAP? If so, please outline any trading restrictions or approvals enforced by CHK in respect of securities traded by Phoenix.*

Phoenix is an Australian Financial Services Authorised Representative engaged by the Company, as a consultant, to provide services which include assisting in capital raising activities. As is the nature of such consultants, during the course of capital raisings, those consultants may have access to material information regarding capital raising proposals prior to those proposals being complete and prior to publication on MAP. As a consultant to the Company, Phoenix are bound by the Company's Securities Trading Policy.

5. *Please confirm that CHK is complying with the Listing Rules and, in particular, Listing Rule 3.1.*

Confirmed.

6. *Please confirm that CHK's responses to the questions above have been authorised and approved in accordance with its published continuous disclosure policy or otherwise by its board or an officer of CHK with delegated authority from the board to respond to ASX on disclosure matters.*

Confirmed. This response has been authorised by the Board.

We trust the above answers your enquiry.

Yours sincerely,

**COHIBA MINERALS LIMITED**
