Interim Financial Report

for the half-year ended 31 December 2023

333D Limited and controlled entities

Directors' report

Half-year ended 31 December 2023

The directors present their report, together with the financial statements, on the Consolidated Entity consisting of 333D Limited (referred to hereafter as the 'Company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2023.

Directors

The following persons were directors of 333D Limited during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

John Conidi, B.Bus, FCPA

Dr. Nigel Finch, MCom, LLM, MBA, PhD, CA, FCPA, FGIA, FAICD

Dr. Richard Petty, BCom, MCom, PhD, FCA, FCPA, FAICD

Principal activities

During the financial half-year the principal activity of the consolidated entity was the commercialisation of its 3D printing capabilities and management of its digital asset library.

Review of operations

The net loss attributable to members amounted to \$235,684 for the half-year (31 December 2022: net loss \$428,703).

During the period the Consolidated Entity's main priority was to manage and reduce the cash costs of running the business. Consequently, the Consolidated Entity's was able to institute the following measures that reduced cash outflow, including share-based payments for directors in lieu of director's fees and share-based payments to providers in lieu of payment for services. The Consolidated Entity's 3D-printed product sales provided the majority of revenue. Longer-term, the Consolidated Entity is exploring opportunities to increase its merchandising sales activities and digital asset management, however, no investments have been made by the Consolidated Entity to date. The Directors regularly review the operations of the Consolidated Entity's with a view to minimising risk and regularly assess alternate and complementary business opportunities aimed at enhancing shareholder value.

Significant changes in state of affairs

On 11 December 2023, the Consolidated Entity completed a consolidation of its issued capital on the basis of 1 security for every 30 securities. There were no other significant changes in the state of affairs of the consolidated entity during the financial half-year.

Rounding of amounts

The Consolidated Entity is of a kind referred to in Corporations Instrument 2016/191, issued by the Australian Securities and Investments Commission, relating to 'rounding-off'. Amounts in this report have been rounded off in accordance with that Corporations Instrument to the nearest dollar.

Events after balance sheet date

On 28 January 2024, the Conidico and Saki Partners loan agreement variations were signed extending the \$150,000 credit facility for another 12 months. No other matter or circumstance has arisen since 31 December 2023, that has significantly affected, or may significantly affect the Consolidated Entity's operations, the results of those operations, or the Consolidated Entity's state of affairs in future periods.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the *Corporations Act 2001* is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the *Corporations Act 2001*.

Note 1. Material accounting policy information

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Note 2. Operating segments

The company is in the process of commercialising its 3D printing operations and as such, there are not presently any operating segments with discrete financial information. The company also operates in one geographic location, being Australia. The Board of Directors review internal management reports that are consistent with the information provided in the statement of profit or loss and other comprehensive income, statement of financial position and statement of cash flows presented in this interim financial report.

Note 3. Going concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Consolidated Entity incurred a loss of \$235,684 and had net cash outflows from operating activities of \$63,125 for the half year ended 31 December 2023. As at that date, the Consolidated Entity current liabilities exceeded its current assets by \$251,009 and had a net liability position of \$258,249.

These factors indicate a material uncertainty which may cast significant doubt as to whether the Consolidated Entity will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The Directors believe that there are reasonable grounds to believe that the Consolidated Entity will be able to continue as a going concern, after consideration of the following factors:

- the Executive Chairman has committed to provide the Consolidated Entity with the financial support and assistance to meet their working capital obligations, as and when they fall due for a period of not less than 12 months from the date this half-year financial report is signed;
- As disclosed in Note 12, the Consolidated Entity secured an extension to the \$150,000 credit facilities they have from Director related entities to assist with working capital requirements. The facility remains undrawn at the date of this report; and
- The Consolidated Entity has a demonstrated history of successful capital raisings if required.

Accordingly, the Directors believe that the Consolidated Entity will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

This report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Consolidated Entity does not continue as a going concern.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of 333D Limited

Conclusion

We have reviewed the accompanying half-year financial report of 333D Limited ('the Company') and the entities it controlled during the period (together 'the Consolidated entity'), which comprises the statement of financial position as at 31 December 2023, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the 333D Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Consolidated entity's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity* ('ASRE 2410'). Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Consolidated entity in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Related to Going Concern

We draw attention to Note 3 in the half-year financial report, which indicates that the Consolidated entity incurred a net loss after income tax of \$235,684 and had net cash outflows from operating activities of \$63,125 for the half year ended 31 December 2023. As of that date, the consolidated entity's current liabilities exceeded its current assets by of \$251,009 and had net liabilities of \$258,249. As stated in Note 3, these events or conditions, along with other matters as set forth in Note 3, indicate that a material uncertainty exists that may cast significant doubt on the Consolidated entity's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
