Adjusted EBITDA is a financial measures which is not prescribed by the Australian Accounting Standards (AASBs) and represents the profit or loss under AASBs adjusted for specific items. The Directors consider Adjusted EBITDA to be one of the key financial measures of the Group.

Note: Adjusted EBITDA means the operating EBITDA excluding impairment loss and one-off legal fee of \$3,673,549 in respect of Sunnya Pty Ltd.

We have applied our expertise in nutrition, health, and wellness to help people and families live happier, healthier lives. We aim to work to protect and restore the environment and generate value for our shareholders and other stakeholders alike.

In 1H FY2024, Jatcorp's organic growth was strong, with market share gains, following disciplined execution, rapid innovation, and increased digitalization. Under the pressures of slow recovery of the Chinese economy from the COVID-19 pandemic along with supply chain restraints, Jatcorp has navigated these challenges as we consistently pursue our long-term strategy. We are innovating new products quickly and moving purposely forward in building strong relationships with our distributors and customers. Thanks to fast-paced innovation, strong brand investment, increased digitalization and stringent portfolio management, organic growth was strong across most geographies and categories. This was supported by momentum in retail sales and a return to growth in distribution channels.

*(Left picture) Prime Minister of Australia, Anthony Albanese, visited CIIE booth seeing our products.  
(Right picture) Minister for Finance of the State of Victoria, Tim Pallas (left), and Sunny Jianxin Liang, CEO (right).*

In 2024, we have focused on a double-brand strategy where unlocking the power of lactoferrin products can achieve better results in the targeted markets. In particular, to meet the needs of the modern consumer with healthy, delicious, convenient products for conscious, time constrained lifestyles, we produced affordable, safe and high-quality nutrition for consumers.

We introduced the Moroka product to market in April 2023. The sales of this new branded product has increased. Our objective is to sustain a two-digit growth rate through rapid innovation, market share gains and brand management.

ANMA has finalised the automation equipment upgrade in November 2023, reducing 10% of labour cost for the full-cream production line while maintaining the same efficiency. The further upgrade on the sachet line machine is currently underway, which is expected to be in operation by June 2024.

Under the new arrangement with BTNature, ANMA will continue to produce OEM products of approximately \$32m for BTNature from November 2023 for 12 months. Jatcorp has also completed the acquisition of 30% of ANMA in Q2 FY24, resulted in controlling 95% of shareholding today.

JAT's success at CIIE Shanghai 2023, the largest import exhibition in post-pandemic China, boosted brand visibility and attracted new business. The presence of Australia's Prime Minister and the Minister for Finance of Victoria at the JAT booth generated interest from potential customers and OEM clients in Europe and the Asia-Pacific region. JAT remains dedicated to delivering high-quality "Australian-style" products globally.

We are delivering our growth agenda through disciplined cost management and improving operational efficiency at all levels. We also emphasize on improvement of corporate governance and bringing new talents into the business. In November 2023, the Board appointed Kieran Pryke as an independent director. Mr Pryke has extensive expertise in financing, structuring, and strategy.

Looking forward, we will continue to extract efficiencies from our production processes and further build upon our distribution and customer networks to improve our Return on Invested Capital (ROIC).

Refer to note 2 in relation to the Directors' assessment of going concern.

### **Dividends**

There were no dividends paid, recommended or declared during the current or previous financial half-year.

### **Risk Mitigation**

Jatcorp continues to adopt a proactive stance towards risk management, recognizing its essential role in sustaining resilience and leveraging evolving conditions. The overarching strategy encompasses fundamental tenets:

- Secure and re-engineer its supply chain and operations;
- Refine and optimize its portfolio of offerings to tailor to consumer needs;
- Establish a robust omnichannel capability now and in the future; and
- Improve the business digitalization and sustainability.

Management will continue to be involved in designing, implementing, and reporting on the adequacy of the risk management and internal control system. Regular reports to the Board ensure transparency and alignment with strategic objectives.

To fortify risk management practices further, the Board retains the authority to engage external professional advisers, reinforcing the Company's commitment to continuous improvement and resilience in an ever-evolving business landscape. This comprehensive risk management approach reflects Jatcorp's dedication to creating enduring value for investors while navigating the complexities of the global market.

### **Significant Changes in the State of Affairs**

The first stage final hearing in the Sunnya litigation was completed in late December 2023. The case is yet to be decided.

There were no other significant changes in the state of affairs of the Group during the financial half-year.

### **Events Occurring after the Reporting Date**

Mr Sunny Jianxin Liang was appointed as CEO on 8 January 2024. Prior to his appointment, Sunny was COO and executive director of Jatcorp, where he was responsible for leading the business development and sales function.

No other matter or circumstance has arisen since 31 December 2023 that has significantly affected, or may significantly affect the Group's operations, the results of those operations, or the Group's state of affairs in future financial years.

### **Outlook**

We maintain a cautious outlook due to the slow global economic recovery and potential setbacks in light of weak global conditions for the second half of FY2024. Stagnant supply and demand growth in developing markets poses a moderate risk of recession. However, we retain confidence in consumer demand for our products and anticipate growth in the lactoferrin product market. As China-Australia trade relations improve, we expect to benefit from the increased bilateral business activities and cooperation.

### **Auditor's independence declaration**

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this Directors' report.

This report is made in accordance with a resolution of Directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

## **Note 1. General information**

The financial statements cover Jatcorp Limited as a Group consisting of Jatcorp Limited ('Company' or 'parent entity') and the entities it controlled ('Group' or 'Jatcorp') at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is Jatcorp Limited's functional and presentation currency.

Jatcorp Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

Suite 502  
2 Bligh Street  
Sydney NSW 2000

A description of the nature of the Group's operations and its principal activities are included in the Directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of Directors, on 27 February 2024.

## **Note 2. Material accounting policy information**

These general purpose financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

### **New or amended Accounting Standards and Interpretations adopted**

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Group.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

### **Comparative Figures**

Comparatives figures have been adjusted to conform with changes in presentation for the current financial half-year.

### **Going concern**

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Group incurred a loss of \$2,163,630 (31 December 2022: \$2,120,469) and had net cash inflows from operating activities of \$276,483 (31 December 2022: net cash outflows of \$1,001,466) for the half-year ended 31 December 2023. As at that date the Group had net current liabilities of \$946,351 (30 June 2023: net current assets of \$2,629,374) and net assets of \$6,866,826 (30 June 2023: \$10,435,876). The ability of the Group to continue as a going concern is dependent on a number of factors, the most significant of which is the ability to generate positive operating cash flows through its continued operations.

These factors indicate a material uncertainty which may cast significant doubt as to whether the Group will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

## Note 2. Material accounting policy information (continued)

The Directors believe that there are reasonable grounds to believe that the Group will be able to continue as a going concern, after consideration of the following factors:

- the Group has cash balance of \$1,364,969 as at 31 December 2023 (30 June 2023: \$3,805,928);
- the Directors have considered the Group's cash flow forecast which indicates the Group to continue to operate within the limits of its available cash reserves; and
- if required, the Group has the ability to reduce discretionary spending in its consultancy expenditures.

Accordingly, the Directors believe that the Group will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Group does not continue as a going concern.

## Note 3. Operating segments

### Identification of reportable operating segments

The Group has identified its geographic segments based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the chief operating decision makers ('CODM')) in assessing performance and determining the allocation of resources. Geographic segments are determined based on location of its markets and customers which are Australia, China and New Zealand.

The CODM reviews EBITDA (earnings before interest, tax, depreciation and amortisation). The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements.

The information reported to the CODM is on a monthly basis.

## Note 21. Contingencies and commitments

There are no contingent liabilities and commitments as at 31 December 2023 and 30 June 2023.

### *Legal proceedings of Sunnya Pty Ltd*

Further to disclosures regarding Sunnya Pty Ltd's ('Sunnya') legal proceedings as at 30 June 2023, the first stage of the final hearing in the legal proceedings of Sunnya was completed in late December 2023. The case was yet to be finalised as at the date the interim financial statements were signed. The Group does not believe that the Sunnya legal proceedings will have a material impact on the Group's financial performance. Apart from the above, there are no other contingent liabilities or commitments which would have a significant impact on the Group's operations as at 31 December 2023 or in future financial years.

### *Legal proceeding vs Wilton Yao*

There has been no change to the process or status regarding the legal proceedings vs Wilton Yao since the last disclosure as at 30 June 2023.

Apart from the above, no other matters or circumstances have arisen since the end of financial half year which significantly affected or could significantly affect the operations of the Group, the results of these operations or the state of affairs of the Group in future financial years.

## Note 22. Events after the reporting period

Mr Sunny Jianxin Liang was appointed as CEO on 8 January 2024. Prior to his appointment, Sunny was COO and executive director of Jatcorp, where he was responsible for leading the business development and sales function.

No other matter or circumstance has arisen since 31 December 2023 that has significantly affected, or may significantly affect the Group's operations, the results of those operations, or the Group's state of affairs in future financial years.

In the Directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of Directors made pursuant to section 303(5)(a) of the Corporations Act 2001.

On behalf of the Directors

**INDEPENDENT AUDITOR'S REVIEW REPORT****To the Members of Jatcorp Limited and its controlled subsidiaries****Report on the Half-Year Financial Report***Conclusion*

We have reviewed the accompanying half-year financial report of Jatcorp Limited which comprises the consolidated statement of financial position as at 31 December 2023, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Jatcorp Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

*Basis for Conclusion*

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Jatcorp Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

### *Material Uncertainty Related to Going Concern*

We draw attention to Note 2 in the financial report, which indicates that the Company incurred a net loss of \$2,163,630 during the half year ended 31 December 2023 and, as of that date, the Company's current liabilities exceeded its total assets by \$946,351. The ability of the consolidated entity to continue as a going concern is dependent on its ability to generate positive operating cash flows through its continued operations. As stated in Note 2, these events or conditions, along with other matters as set forth in Note 2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

### *Directors' Responsibility for the Half-Year Financial Report*

The directors of the Jatcorp Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility for the Review of the Financial Report*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
