Principal Activities

The Group's principal activity during the period continued to be the commercialisation and ongoing development of its payments management platform and payment testing solution. Change is a global fintech developing innovative and scalable payments technology through two core products:

- Vertexon Payments as a Service (PaaS): physical and virtual card issuing and transaction processing; and
- PaySim: payment testing solution.

Background on Company and Review of Operations

Change Financial Limited (ASX: CCA) (Change) is a global fintech, leveraging innovative and scalable technology to provide tailored payment solutions, card issuing and testing to banks and fintechs. Change's technology is used by over 150 clients across more than 40 countries to deliver simple, flexible, and fast-to-market payment services, including card issuing and testing.

Change's PaaS platform, Vertexon, seamlessly integrates with the core systems of banks and fintechs enabling the delivery of physical, digital and virtual card solutions to their customers. It includes integrated features such as Apple Pay, Google Pay, Samsung Pay and Buy Now Pay Later (BNPL) services. Change currently manages and processes over 27 million credit, debit, and prepaid cards worldwide.

Change's PaySim product tests payment systems to help clients meet the reliability and performance expectations of end customers. Simulating the full transaction lifecycle across multiple systems, PaySim enables banks and fintechs to complete end-to-end testing of their payment platforms and processes from a desktop. Change also provides the default standard for payments testing for many Australian companies, including Australia's domestic card payment service EFTPOS.

Change achieved \$4.5 million of revenue for the half year ended 31 December 2023, an increase of 5% over the prior corresponding period. The operating (loss) after tax for the half year ended 31 December 2023 was \$1.5 million, a decrease of 22% over the prior corresponding period.

As outlined in the financial year 2023 results presentation, the Company is targeting to deliver profitable revenue growth in financial year 2024 (FY24) and achieve a monthly cashflow breakeven run-rate exiting FY24. The key anticipated drivers of growth in FY24 are:

Notes to the Condensed Consolidated Financial Statements

1) Summary of Significant Accounting Policies

The half year financial report is a condensed general-purpose financial report prepared in accordance with the Corporations Act 2001 and AASB 134 'Interim Financial Reporting'. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'. The condensed half year report does not include notes of the type normally included in an annual financial report and shall be read in conjunction with the most recent annual financial report and any public announcements made by the Company during the half year.

Certain comparative figures have been reclassified to conform with the current half year reporting presentation.

a) Basis of Preparation

The Consolidated Financial Report of Change Financial Limited has been prepared on the basis of historical cost, except for revaluation of certain non-current assets. Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in United States dollars, unless otherwise noted.

b) Significant Accounting Policies

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period except for the impact of accounting policies, standards and Interpretations as noted below.

c) Application of New and Revised Accounting Standards

The Group has adopted all new and amended Australian Accounting Standards and Australian Accounting Standards Review Board (AASB) interpretations that are mandatory for the current reporting period and relevant to the Group.

d) Rounding

The company is of a kind referred to in ASIC Legislative Instrument 2016/191, relating to the 'rounding off' of amounts in the financial statements. Amounts in the financial statements have been rounded off in accordance with that Legislative Instrument to the nearest dollar, unless otherwise indicated.

e) Segment Accounts

The Group's chief operating decision maker, being the Chief Executive Officer, makes financial decisions and allocates resources based on the information received from the Group's internal management system. Currently the Group has one reportable segment, being the development and provision of card payments software and services. The Group's core products are card management systems, transaction processing and payment simulators.

f) Ongoing Operations

These financial statements have been prepared on a going concern basis, which contemplates continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

At the date of this report, the Group remains in a development and growth phase of operations. The Directors are of the view that the Group's payments and card issuing platform is commercially viable and are confident that the business will become sustainable in future years through forecast revenue growth.

Until such time as the Group's revenues grow to a level that is sufficient to enable the Group to meet its financial commitments as and when they fall due, the Group will be dependent on raising further capital in future years.

g) Significant Accounting Judgments

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The Group makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities are detailed in the annual financial report for the year ended 30 June 2023.

Independent Auditor's Review Report to the Members of Change Financial Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Change Financial Limited ("the Company") and its controlled entities ("the Group"), which comprises the condensed consolidated statement of financial position as at 31 December 2023, the condensed consolidated statement of profit or loss, condensed consolidated statement of comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Change Financial Limited does not comply with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
