Principal activities

Identitii is a regulatory technology (RegTech) company that helps financial services businesses and other regulated entities gain visibility into, and control over, the data needed to meet financial crime reporting obligations in Australia and around the world.

The Company's cloud platform was built to make reporting to regulators, including AUSTRAC in Australia, easy and automated, and to give Boards and management teams increased confidence that their compliance obligations are being met. It is also helping its customers build trust, credibility, and confidence within the industry and with regulators as they work together to combat increasing financial crime.

The strategic business highlights and activities of the Group for the half-year ended 31 December 2023 are noted below.

Review of operations

During the half-year ended 31 December 2023, the Group achieved the following milestones:

- On 5 September 2023, the Company announced that its Rights Issue closed on 30 August 2023, and raised \$1,338,160 before costs, with a shortfall balance of \$789,735. The Rights Issue was a pro-rata non-renounceable entitlement issue to eligible shareholders of one (1) New Share for every one (1) Existing Share held by eligible shareholders on the Record Date, at an issue price of \$0.01 per New Share. 133,816,609 New Shares were issued and allotted on 5 September 2023.
- On 21 September 2023, the Company announced that it had successfully completed the Shortfall Offer, raising a further \$789,735 via the issue of shortfall shares at the issue price of \$0.01 per Share, bringing the total capital raised under the Rights Issue to \$2,127,895 before costs.
- On 28 September 2023, the Company announced \$1.0M in annualised cost savings, to further extend its cash runway. The operational changes to realise \$1.0M in annualised cost savings have all been put into effect, and the Company expects to see the resulting decreases in cash outflows materialise in the coming quarters. Savings have been realised in cloud infrastructure (consolidating multiple suppliers), legal costs (finalising patent strategy work), operational costs (office downsizing and licence cancellations) and headcount (including some reallocations to offshore roles). Additionally, all three

Non-Executive Directors on our Board have elected to reduce the cash component of their remuneration by 25%, substituting the reduced cash component for ordinary shares in the Company, subject to shareholder approval.

- On 4 October 2023, the Company filed a claim against JP Morgan Chase for patent infringement of U.S. Patent No. 10,984,413. The claim was filed in the United States District Court for the District of Delaware, alleging Onyx by JP Morgan Chase infringes the patent granted to the Company on 20 April 2021.
- On 15 November 2023, the Company received a refund of \$1,494,150 under the Australian Research and Development Tax Incentive (R&DTI) Scheme. The claim covers the financial year ended 30 June 2023. This is an increase of \$300,484 compared to the claim for the previous financial year, despite an overall reduction in operating expenses, highlighting the ongoing focus by management on research and development and continued investment in innovation and platform improvement.
- On 19 December 2023, the Company sold 48% (24,108 shares) of its shareholding in Payble Pty Ltd ('Payble') to Our Innovations Fund III, LP ("OIF Ventures") for \$1.0 million, as part of OIF Ventures' larger investment into Payble. Identitii will use funds raised from the transaction for working capital, extending the Company's runway towards FY25. After the transaction, Payble is valued at \$10.5 million and Identitii retains an 11.4% shareholding. Payble will use the \$2.5 million in new funding from OIF Ventures to continue to capitalise on strong demand for its citizen-centric payment solution.

Notes to the Consolidated Financial Statements

1. Reporting entity

Identitii Limited (the Company) is a Company incorporated and domiciled in Australia and whose shares are publicly traded on the Australian Securities Exchange (ASX:ID8). The registered office and principal place of business is 388 George Street, Sydney, NSW 2000.

These consolidated financial statements incorporate the assets and liabilities of all subsidiaries of Identitii Limited as at 31 December 2023 and the results of all subsidiaries for the period then ended. Identitii Limited and its subsidiaries together are referred to in these financial statements as the Group.

The Group is a for profit entity and is primarily involved in the RegTech industry, developing and licensing software for regulated entities. Its main product is a platform that helps customers meet financial crime reporting obligations.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 29 February 2024.

2. Basis of preparation

These general purpose consolidated financial statements for the interim half-year reporting period ended 31 December 2023 have been prepared in accordance with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the Corporations Act 2001, as appropriate for for-profit orientated entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 *Interim Financial Reporting*.

These general purpose consolidated financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2023 and any public announcements made by the Group during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

Going concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Group incurred a loss of for the period of \$1,488,108 and had net cash outflows from operating activities of \$1,516,771 for the half-year ended 31 December 2023. As at that date, the Group had net current assets of \$1,975,857 and net assets of \$3,087,418.

These factors indicate a material uncertainty which may cast significant doubt as to whether the Group will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The Directors believe that there are reasonable grounds to believe that the Group will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report after consideration of the following factors:

- The Group successfully raised \$2,129,808 (net of costs) in funding via an equity raise during the period;
- The Group has \$1,941,526 in cash and cash equivalents as at 31 December 2023;
- The Group sold 48% of its investment in its Associate resulting in cash inflows of \$999,985. The Group potentially has the ability to further sell down this investment;
- The Group has the ability to scale back a significant portion of its expenditure if required; and

- The Group potentially has the ability to source additional share capital or alternative funding sources pursuant to the Corporations Act 2001.

Accordingly, the Directors believe that the Group will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Group does not continue as a going concern.

3. Significant accounting policies

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period

New or amended accounting standards and interpretations

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted in preparing these consolidated financial statements.

4. Operating segments

An operating segment is a component of the Group

- that engages in business activities from which it may earn revenues and incur expenses (including revenue and expenses relating to transactions with the Group's other components), and
- whose operating results are reviewed regularly by the Group's chief operating decision maker for the purpose of making decisions about allocating resources to the segment and assessing its performance.

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Identitii Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Material Uncertainty Related to Going Concern

As disclosed in the financial statements, the Group incurred a loss of for the period of \$1,488,108 and had net cash outflows from operating activities of \$1,516,771 for the half-year ended 31 December 2023. As stated in Note 2, these events or conditions, along with other matters as set forth in Note 2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' Responsibility for the Half-Year Financial Report

The directors of Identitii Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
